Year 12 student from Turkey

"I am looking forward to my Year 12 Formal and then our Graduation Ceremony in November. They will be great highlights to end my very memorable time at Canterbury."

Hello, my name is John, and I am in Year 12 at Canterbury College. I have been at Canterbury since October 2018.

I am currently taking English, Maths B, Engineering, Music, Music Extension and Physics. My favourite subjects are Engineering and Music.

I enjoy playing sport at Canterbury, especially soccer, as it is a team sport, and I enjoy displaying my skills alongside my team.

I have been into Brisbane and to the Gold Coast and Sunshine Coast many times. I especially love Mooloolaba Beach. I have also been to Sydney with my family.

I have been to Australia Zoo and Currumbin Wildlife Sanctuary, and have held literally every Australian animal, from koalas, to snakes to kangaroos. My favourite was the koala as it is fluffy and cuddly.

Next year I would like to stay in Australia and study politics, philosophy and economics at university.
