

Congratulations Emily Chan – Class of 2004

2022 Young Alumnus of the Year

- Emily was diagnosed with a brain tumour after suddenly collapsing one day.
- Operations and complications after brain surgery left her physically disabled – to the point that doctors predicted she would not be able to stand, much less walk again.
- But Emily defied the odds, and is able to not only stand, but walk short distances.
- A genuine story of resilience and self-confidence against the odds!
