4.1 Care for younger students under 18 years

Canterbury College is a CRICOS registered provider which enrolls younger students under 18 years of age.

As part of its registration obligations Canterbury College must satisfy Commonwealth and state legislation, as well as any other regulatory requirements, relating to child welfare and protection for any overseas student enrolled who is under 18 years of age.

These obligations include ensuring that all overseas students under 18 years of age are given age and culturally appropriate information on:

- 4.1.1 Who to contact in emergency situations, including contact number/s of a nominated staff member, and
- 4.1.2 How to seek assistance and report any incident or allegation involving actual or alleged sexual, physical or other abuse.

Canterbury College has documented procedures relating to child welfare and safety, and will implement these procedures in the event that there are any concerns for welfare of a student under 18 years of age.

4.2 Accommodation and care options for overseas students under 18 years

Canterbury College approves the following accommodation and care options for overseas students:

- 4.2.1** The student will live with a parent or relative approved by the Department of Home Affairs (Immigration).

In this case:

4.2.1.1 Canterbury College does not provide a welfare letter (CAAW) via PRISMS. The student's family completes Form 157N and provides proof of relationship to Department of Home Affairs (Immigration) at the time of visa application for approval of these arrangements. The Department of Home Affairs (Immigration) must also approve any further change of welfare arrangements.

4.2.1.2 If the adult responsible for the welfare, accommodation and other support arrangements for a student under 18 years holds a Student Guardian Visa (Subclass 590), all obligations and conditions of this visa must be met, including:

4.2.1.5 If there is not a valid reason for travelling overseas, or if Canterbury College is not able to approve alternative accommodation and care arrangements for the student for the period of student guardian visa

holder's absence, the student will need to travel overseas with the holder of the student guardian visa. In this case, Canterbury College will advise if compulsory attendance requirements will or will not be affected by the student's absence.
