

2023 Canterbury Japan Tour

Open to ALL students studying (at least) one of these subjects in 2023:
Japanese (All Year Levels), Geography (Year 12), Business or Economics (Years 11-12).

Japanese: Put all those months or years of study to the test by finding your way around busy cities like Tokyo and speaking Japanese with the local people.

Business and Economics: Come find out why Japan is still the world's 3rd largest economy. Visits are planned to the Science & Innovation Centre in Tokyo and the famous 'Electric Town' tech district. Learn about hydrogen power in bullet trains and cars, as well as regional trade.

Geography: Learn about creative urban planning and environmental sustainability with 130 million people living in a nation just 1/20th the size of Australia!
