**Pre-Kindy**  
**\$122 per day\***

A dedicated **Pre-Kindy** room for 3 year olds with daily bookings available.

**Kindy**  
**\$108 per day\***  
**Four Kindy rooms**  
for 4-5 year olds.

Plus an annual Single Resource Charge (SRC) \$140.00

\*Before CCS applied.

# Early Childhood Education is the foundation for lifelong learning.

**Our ELC educators support, challenge and foster each individual child's learning and development.**

Children will learn **Spanish, Music, Movement** and gardening with the **Canterbury College Kitchen Garden** program.

The children will also have an introduction to the literacy approaches, including visits to the Junior School library and investigate mathematical methodologies which are all utilised within our Junior School classrooms.

The **Canterbury Values of Respect, Integrity, Community, Scholarship, Compassion and Social Responsibility** are embedded within the ELC philosophy and everyday practices.

Very strong links to the Canterbury Junior School programs, students, facilities and events, enables a smooth transition from ELC into Prep and beyond.

Canterbury's **Engine Room** is an amazing space where children can improve their energy levels, concentration, and fine and gross motor skills – all while having fun.

The Engine Room is based on extensive research which shows these activities 'get your engine running' at the optimum level for learning.

High quality Early Childhood Education and care is my passion.

I feel privileged to have this opportunity to lead, inspire and collaborate with wonderful early childhood professionals, while building strong connections with the children, their families and wider Canterbury community.

I welcome families to contact me at the ELC to take a tour of our great facility and discuss how we can support your child to commence their Canterbury education journey.

Leigh Mayes  
Director of the ELC

**Our Early Learning Centre is typically oversubscribed, so we recommend enrolling early to avoid missing out and to gain Prep waiting list preference.**
