Part 3: Master Plan Building Fund Levy

This levy allows Canterbury to maintain or improve its educational, sport, performing arts and outdoor facilities, and prioritise its Master Plan projects, to optimise every child's campus experience. In 2025, these funds will be directed towards the classroom refurbishment program in the Senior School and Junior School. A levy of \$205 is billed each semester to every family's account.

Failure to adhere to this requirement may result in the student's enrolment being cancelled.

2 Tuition fees are effective from **1 January** each year and will remain until such time as they are changed by the College Board.

The Board reserves the right to change fees at any time.

3 Parents/carers who have signed the Enrolment Contract with the College, are jointly and severally liable for the student's fees, and any other associated costs, unless a court order specifies differently.

Copies of any relevant court orders or any documents stating alternate arrangements must be provided to the College.

4 Semester fees can be paid in one full payment, two equal direct debit instalments, or five equal direct debit instalments.

Other approved variations can be requested for approval with our **Family Liaison Finance Officer**.

6 A student cannot commence a new term at the College if the fees for the previous term remain unpaid, or arrangements with the College have not been made.

7 A student cannot participate in any activities where supplementary charges are levied, if tuition fees are in arrears, unless prior arrangements have been made with the College.

8 Parents/carers must give a minimum of one full term's notice in writing to the College, prior to withdrawing any of their children from Canterbury.

If the withdrawal is to occur at the end of the school year, written notice must be given by the end of the first week of Term 4.

If parents/carers fail to provide notice in accordance with this policy, they will be charged the subsequent term's fees.

9 A monthly administration fee, as per the Fee Policy, will be charged on overdue accounts, plus interest.

10 After 21 days, the College reserves the right to refer all outstanding accounts to a third-party collection agency for the recovery of fees, interest and costs.

11 Fee payments can be made by the following methods:

- Debit or Credit Card: Mastercard or Visa
- Parent Lounge
- BPAY
- Cheque
- Cash

12 From **1 October 2024**, new enrolments pay \$500 in advance, which is credited to the first fee statement at time of enrolment confirmation.

This ensures that all educational resources required for the following year can be pre-purchased.
