CANTERBURY COLLEGE **YEARBOOK 2023**

THE CANTABRIAN

Canterbury
World Ready

2023 YEARBOOK

THE
CANTABRIAN

Our Motto

Fortior Quo Paratior –
The better prepared, the stronger.

Our Vision

To nurture and inspire confident, optimistic and compassionate young people who are **World Ready**.

Our Values

The strength of our Community is built on:

Integrity

Matching our words with actions and taking responsibility, even when no one is watching.

Respect

Showing compassion, forgiveness, understanding and regard for all people and our environment.

Gratitude

Being thankful stewards who show appreciation for what we have and who return kindness.

Effort

Having the determination to improve, make contributions, and rise to the challenge.

A Big School With A Small School Feel

2021 Enrolments:	2022 Enrolments:	2023 Enrolments:
Kindy - Year 12: 1,445	Kindy - Year 12: 1,494	Kindy - Year 12: 1,545

Our College Prayer

Loving God,
Source of all light
and giver of all wisdom,
bless all members
of our College community.

Help us to choose that which is good
and to live according to your law
of love and justice for all.

Fill our hearts with a love of learning
and the desire to use every opportunity
to develop in body, mind and spirit.

Grace us with faith in Jesus Christ
and the strength to live
with courage, gratitude and integrity.

In Jesus' name. Amen.

From The Principal

I am coming to the end of my first five years as Principal and we are completing a four-year College Strategic Plan cycle.

And unsurprisingly, the strategy we choose for the College does mean something.

The big-ticket items of the **2020-23 Strategic Direction**, such as embracing the House System as the basis of Pastoral Care in our Secondary School, and carefully targeting student entrepreneurship, innovation and leadership, do change the school experience for our students.

Coupled with the finalisation of our 20-year **Campus Master Plan**, the design and implementation of **The Canterbury Way** – our research-based instructional framework for teachers, and evolving the way our parents and community engage with us via social media, the introduction of real-time **MyCC Reporting**, and there is evidence of considerable change here at Canterbury College.

At the time of writing, our new **2024-27 Strategic Direction**, which takes us to our 40th Anniversary, is almost ready to be launched.

We have taken the time to ensure our plans will make an impact and be bold enough, because they ought to be.

School education as we know it is under threat like never before in the compulsory attendance era.

Firstly, COVID changed families' expectations around school, which has seen sizeable movements into distance education, alternative schooling sites and home schooling.

Secondly, massive changes to how the Commonwealth Government funds Independent Schools have threatened the whole business model of schools.

Sadly, Canterbury has foregone almost \$5 million in the last three years since the formula used by the government to fund schools changed.

This is not money for fancy buildings as the media would often have you believe.

This is money for teacher salaries, electricity, cocurricular and academic programs, forcing us to pass on the effects to our parents and carers.

There are hundreds of schools across the country in the same position as us.

It is likely that Commonwealth school grants will continue to decrease for the indefinite future.

The third threat is the unrelenting swamp that is the increasingly alternate reality that our Gen Alpha and Millennial students are living on social media, a steady junk food diet of TikTok, Snapchat, Instagram and YouTube.

I say 'alternate reality' because most of the time, it exists in parallel to their actual life at school – an 'echo chamber' disconnected from their families and in the realm of their clubs, sports and performing arts activities.

It is regrettably, on balance, a narcissistic and self-absorbed world.

We know that brains are being rewired in line with how human biology always has shifted, to suit our lifestyles and behaviours.

Our young people are not in control of this change, and it must be said, neither are we.

The fourth threat has been the most profound, and I suspect there are very few principals who are not sharing their analysis on its impact.

I am referring to generative AI such as ChatGPT and all the other incarnations.

It is not like Wikipedia which undermined the grasp of the big encyclopedia conglomerates.

It is not like Siri, or Alexa, or Spotify, or Amazon, or the Netflix algorithms.

This is a time when the very purpose of education, in an era of adaptive AI, is under review.

What does it mean for basic school education, when every single learning activity and assessment that has ever been set by a teacher, can be reproduced and nuanced in 10 seconds by an AI bot?

It is a profound existential threat to the largely unchallenged industrial model of education.

Does this mean we no longer need to be able to write?

Some education futurists say we do not.

So what does an education look like when writing is not the building block of understanding?

Do we still need to understand the basics of arithmetic, calculations, statistics or maths logic?

Some say maybe not.

So what does a maths classroom look like without any expectation that we are numerate on our own terms?

So if we gave up assessing 'recall-based knowledge' years ago – like capital cities, the periodic table and mathematical formulae – which we did, what are we left with?

What are the building blocks of a school education that survive?

Many will say the answer lies in generic terms like 'thinking skills' or 'higher order thinking' or 'problem-solving skills'.

Adaptive AI can do all those things much quicker and more fully than us, and that is its superpower.

An AI platform can make inferences, decide which criteria are more important when making decisions, and learn your personal preferences based on your interactions.

It can handle creative tasks like writing songs, producing artwork, composing film scores, designing fashion, creating logos, editing photos, and writing speeches.

I have asked AI platforms to do all these things for me and they are okay.

So what if factual data, procedural information, thinking skills, higher order processes and creative tasks are all spoken for? What are we left with?

What will a teacher spend six hours a day doing with their class?

Will we wake up in 10 years and see schools as fundamentally redundant?

At Canterbury we see the future, and we think a traditional school education is still viable.

The tenets of a broad liberal education are different from 30 years ago, but that's okay.

The school is ultimately responsible for shaping fully formed humans after 13 years of formal education, but it will be a different formation.

What it means to be able to read is different, so our response must be different, particularly for the Secondary School.

13-year-olds have never read so many words per day in human history, but never been so singularly uninformed – and therefore, so prone to manipulation.

So it is critical reading, inferential reading, interpreting audiences, manipulation and discourse.

Canterbury believes that character education – a holistic approach to physical, intellectual, moral, spiritual and social wellbeing – will always be the role of schools.

We cannot rue what schools have been drawn into over the past decades, because it is critical work – in mental health, respectful relationships, consent education, cultural literacy and so on.

Our next Strategic Plan will re-engineer our wellbeing curriculum to be fully responsive to the world our students live in.

An academic education does not have impact if a young person is not well and not engaged.

This school will also continue to shape the landscape on the purpose of secondary schooling.

Our **Microcredentials Program** will begin with Years 9-10 in 2024 as a crucial plank in this vision.

Short, sharp, just-in-time, specialist courses aligned to our World Ready ethos, ranging from financial and political literacy, Anglican Church studies, personal branding and LinkedIn, graphic design, leadership, scaling a start-up idea, developing a repertoire of 10 nutritious meals, cultural literacy, world religions, car maintenance, languages.

Staff

These are all on the table for our students – and they must be. If not us, then who?

For now, they will sit alongside our traditional curriculum, but a new curriculum footprint is needed.

We will spend 2024 researching and planning a brand new, modern, interesting and World Ready Year 9 curriculum which will engage and inspire our students.

In 2025, this curriculum will become the first year of the Canterbury World Ready Diploma (WRD).

The WRD will be a bespoke qualification, planned over four years from Year 9 to Year 12, with reference to QCE attainment, outdoor education, service, leadership, co-curricular participation, microcredentials, internships and training.

It will be the first of its kind in a Queensland school and a real qualification for a different world.

I will be excited to reveal the full array of 25 strategies in our new Strategic Plan during 2024.

It will sit alongside our Campus Master Plan and set us on a bold trajectory to become the school we want to be – one of Queensland's top coeducational schools by any measure.

These bold strategies can only be delivered by staff with energy, talent, imagination and wisdom, so I am lucky to have an Executive and Senior Leadership Team who are all these things.

I thank Deputy Principal Meagan King, Head of Senior School Rebecca Adamson, Head of Junior School Michelle Leftwich, and our CFO Johan Louw.

And I commend our team of Assistant Heads, Directors, Heads of Faculty, Heads of Houses and Coordinators of activities and programs.

It is a hallmark of our strong culture, that we have

more than our fair share of long-term staff, who remain as committed and engaged as they were on their first day, some 10, 15 or 20 years ago.

I am energised by the dynamic thinking and engagement of our Board of Directors, led by new Chair Toni Bache and Deputy Chair Michael Buckingham.

This refreshed team of Directors are visionary, experienced and want only the best for Canterbury.

They understand our challenges and are the right people to support me getting the big calls right.

The ultimate guide of how well the school is travelling, is not how many national awards we have won, or our ATARs above 90 or 99, or even the number of premierships and eisteddfods won – and our community knows the strength of Sport and Performing Arts here.

It is the calibre of our graduates' character and their ability to step confidently beyond our gates.

I told our Class of 2023 on their final day, that I had full confidence that they were 'World Ready'.

This is the difference that great teachers, wise pastoral care, and deliberate program development can achieve.

To our parents, carers and families, I thank you for your contribution as mums and dads, sporting spectators, audience members, lunch-makers, personal taxi services, shoulders to cry on, and dinner table counsellors.

At the end of another magnificent school year, I pay tribute to you and appreciate your ongoing loyalty and commitment to Canterbury College.

Daniel Walker
College Principal

Executive Leadership Team

Principal	Daniel Walker
Deputy Principal	Meagan King
Director of Business and Finance	Johan Louw
Head of Junior School	Michelle Leftwich
Head of Secondary School	Rebecca Adamson
Director of Communications	Stephen Buckley
Director of People and Culture	Kirrily Murphy (Term 1)

Senior Management

Assistant Head of Secondary (Years 10-12)	Tory Mills
Assistant Head of Secondary (Years 7-9)	Fiona Dixon
Assistant Head of Secondary (Learning)	Mitchell Staples
Director of Academic Culture	Jake Compton
Director of Administration	Arnie Marraiya (Term 1)
Acting Director of Administration	Amanda von Kanel (Terms 2-4)
Director of Student Development	Chris Nield
Director of Teaching and Learning Innovation	James Jenkins
Director of Student Futures	Helen Murdoch (Term 1)
Head of Student Pathways	Tracey Clarke (Terms 2-4)
Assistant Head of Junior School (Learning)	Alisha Richardson
Assistant Head of Junior School (Wellbeing)	Brittany Sinclair
Assistant Head of Junior School (Wellbeing)	Andrew Powell
Head of Literacy Development	Christina Jasem
College Chaplain	Fr Dan Talbot (Terms 3-4)
College Registrar	Debbie Milne

Heads of Faculty

Creative Industries	Lauren Steer
English	Linda Carroll
Global Studies	Helen Tani
Health Sciences	Tracey Clarke (Term 1) Michael Bowden (Terms 2-4) Chris Pollock
Mathematics and Commerce	
Science	Nick Gillin (Acting)

Heads of House

Becket	Jennifer Russell
Cranmer	Alan Lyle
Goldsworthy	Warren Musk
Kime	Glen Walker
Ramsey	Holly Westphal
Temple	Shannon Blackmore (Acting)

Assistant Heads of House

Becket	Hayden Turner
Cranmer	Rachelle Lee
Goldsworthy	Mackenzie Wilde (Term 1) Georgia Skinner (Terms 2-4)
Kime	Gabriel Chan
Ramsey	Andrew Paltridge
Temple	Amanda von Kanel (Term 1) Sarka Baiada (Terms 2-4)

Administration

Executive Assistant to the Principal	Rachael Paternoster
Personal Assistant to the Deputy Principal	Colleen Feunati (Terms 1-2) Sarah Filippe (Terms 3-4)
Personal Assistant to the Head of Secondary School	Laurel Welsh
Personal Assistant to the Head of Junior School	Katrina Flower
Assistant to the Registrar	Catherine Holden
People and Culture Coordinator	Elizabeth Trotter
Administrator - People and Culture	Colleen Feunati (Terms 1-2)
Student Database Administrator	Fatema Hussaini
Student Welfare Officer - Secondary School	Rina Leapai
Administrator - Secondary School	Catherine Engstrup
Administrator - Junior School	Mieken Augustin (Term 1) Dedrey Winterstein (Terms 2-4)
Laboratory Supervisor	Ian Fish
Science Laboratory Assistant	Mandy White
Creative Industries Assistant	Freya Crema

Finance Department

Director of Business and Finance	Johan Louw
Deputy Director of Business and Finance	Larissa Nicholas
Manager of College Services	Colin Mason
Accountant and Payroll Officer	Shanni Robinson
Accounts Payable Officer	Jen Hudson
Business Systems Officer	Lisa Farrugia
Family Liaison Officer	Lisa Foster

IT Services

Director of IT Services	Afzal Shariff
Lead Platform Manager	Chris Hughson
Network Administrator	James Elderton
ICT Technical Officer	Kevin Salter
ICT Support Officer	James Brannolte
Systems Administrator	Andrew Bassett

Care Central

Coordinator of Care Central	Fergus Trevethan (Term 1)
Care Central Manager	Katrina Thomas (Terms 3-4)
Senior Counsellor	Charmaine Miller (Term 1)
Student Counsellor	Emma Powell
Student Counsellor	Jessica Young
Student Counsellor	Skye Brand
Nurse	Brittany Squire
Nurse	Gi Kim
Administrator - Care Central	Courtney Redman
Administrator - Care Central	Penny MacKenzie (Terms 1-2)

Library Services

Head of Libraries and Information Services	Anita Pendreigh
Library Technician	Stephanie Fitzgerald
Library Assistant	Amanda Johnston

Communications Department

Director of Communications	Stephen Buckley
Senior Content Producer	Rachel Winter
Content Producer: Videographer	Holly Gilbody-Yeom
Content Producer	Cassandra Goh

Food Services

Manager of College Services	Colin Mason
Canteen Manager	Deb Clarke
Canteen Assistant	Abbie Slade (Term 1)
Canteen Assistant	Daphne Swan
Canteen Assistant	Karen Brady
Canteen Assistant	Suzy Hamilton
Barista and Café Attendant	Brendan De Kroon
Barista and Café Attendant	Zenita Khan
Café Attendant	Mia Walker

Property and Works

Director of Property and Works	Lee Ryan
Facilities Operations Manager	Dean Ferris
Sustainability, Risk and Compliance Manager	Sunelle Schabort
Administration Assistant - Property and Works	Gillian Bennet
Facilities Officer	Andrew Goeldner
Facilities Officer	Ash Foelz
Facilities Officer	Cameron Hill
Facilities Officer	Chris Barnes
Facilities Officer	Dominic Flower
Facilities Officer	John Stanley
Facilities Officer	Marty Ferris
Facilities Officer	Troy Florea
Facilities Officer	Zeus Rooke

OSHC: Outside School Hours Care Service

Coordinator of the OSHC Service	Sandra Gibson
Assistant Coordinator of the OSHC Service	Samantha Crawley
OSHC Educator	Jacob Muller
OSHC Educator	Jade Reid
OSHC Educator	Karla Mudford

Staff Recognition

Staff Service Awards

For 10 Years of Service

Tracey Clarke, James Elderton, Suellen Fawkes, Arnie Marraiya, Ben Maxfield, Jennifer Wu

For 15 Years of Service

Matthew Beiers, Emma Crooks, Annette Loy, Peter van der Poel

For 20 Years of Service

Stephanie Fitzgerald, Alan Lyle

Archbishop’s Staff Bursary

Rachel Winter, Courtney Jones, Paul Penny, Sarka Baiada

Long Serving Staff Departures

Laurie Maetam (1991 – 2023)

Jennifer Hoad (1992 – 2023)

College Board Chairman
Jeff Thomas (1999 – 2023)

Student Leaders

Year 12 School Captains

Mrs Rebecca Adamson (Head of Secondary School), Ava-Grace Sellan, Jack Henry, Mr Daniel Walker (Principal), Mrs Meagan King (Deputy Principal)

Year 12 Prefects

Front Row: Mrs Meagan King, Kai Yi Keh, Rory Walker, Mr Daniel Walker, Ashley Dyer, Mrs Rebecca Adamson
Second Row: Sophie Peddell, Ashlyn Dinsdale, Ava-Grace Sellan, Kristian Bilston, Chloe Ahern
Third Row: Alexander Arbuthnot, Jack Henry, Kaidan Griffiths, Rylan Baird

Year 12 Vice Captains

Front Row: Mrs Meagan King, Jenny Chum, Daisy Wacker, Mr Daniel Walker, Soomin Jung, Mrs Rebecca Adamson
Second Row: Henry Carroll, Makayla Lin, Christian Dowling, Emerson Manning, Ava Tu
Third Row: Andrew Owng, Jacob Thompson, Lachlan McIntyre, Attila Bencsik

Year 9 Leaders

Front Row: Mrs Meagan King, Destinee Pickvance-Yee, Amelia Periaho, Mr Daniel Walker, Maddison Mills, Rahnee Cooper-McNae, Mrs Rebecca Adamson
Second Row: Aimee Henry, Pippa Sharp, Allegra Williams, Cooper McIntyre, Aoibhe Kerrigan, Ashleigh Royes, Ashutosh Vaitha

Junior School Captains & Vice Captains

Front Row: Lily Prewett, Isobel Dillon, Ruby Fay, Arista Ebenezer, Coda Lahrs
Second Row: Mrs Meagan King (Deputy Principal), Mr Daniel Walker (Principal), Mrs Michelle Leftwich (Head of Junior School)

Junior School House Captains

Front Row: Quinn Lockhart, Ava Eynon, Emma Blackman, Leah Choi, Mckynlee Franklin, Hayley Lim
Second Row: Mrs Michelle Leftwich (Head of Junior School), Sidney McMahon, Lyvea Boulton, Lexie Bakos, Jasmine Nolan, Kyle Budd
Absent: Angus Whybrow

Bullang Mobo: A Strong Tomorrow

Canterbury's official Aboriginal Artwork is titled Bullang Mobo and was created by the very talented Mununjali Wangerriburra artist Waylene Currie from WRLC Arts.

Bullang Mobo means 'A Strong Tomorrow' which beautifully captures our College Motto: Fortior Quo Paratior - The Better Prepared, The Stronger.

It also reflects the strength in unity of Canterbury's huge extended family of past and present students, parents, carers, staff, leaders and the wider Logan community since 1987.

This vibrant artwork showcases a powerful connection between our history, people and purpose, and the spirituality of our campus land.

We are situated on Mununjali and Gugingin Country, home to two of the nine Yugambah clans, who nurtured the land around the Logan, Albert, Coomera and Nerang Rivers for a millennia.

This artwork contains five major elements, with each part holding a special significance.

1. Boomerangs

The corner boomerangs represent the Junior School and Senior School, while reflecting the basic boomerang shape of our campus building network, stretched like arms around the ovals.

They symbolise a solid foundation of student support, with both boomerangs wrapped caringly around the school artwork inside.

The footsteps coming together within each boomerang show our many children from all year levels uniting as one, and forging new pathways for future student generations.

2. Border Artwork

The web of numerous connecting lines and nodes along all four sides and corners represent the huge diversity of families who have travelled here via different means and routes, from right around the world, Australia, Queensland and Logan.

All these pathways connect and interconnect - highlighting our bonds, our unity and shared goal of creating brighter and stronger students for tomorrow.

3. Yarning Circle

This central image symbolises the parents, carers, staff and community coming together to support our children's education, wellbeing and futures as one powerful adult collective.

Joining this core element is the network of illustrated roots that honour our sadly departed historic giant fig tree, which died in 2022 after months trying to save it.

Deeper again at the very heart of the Yarning Circle lies the Anglican Cross - which also appears on our College Crest, symbolising the faith and traditions upon which Canterbury was built.

4. Four Pillars

Our major student offerings of Academics, Sport, The Arts, plus Service And Leadership, are displayed by those four stylised pillars, strategically reinforcing that strong blue circle which enfolds and unites our many different families.

5. Remaining Elements

These bright 'hubs' symbolise the rich diversity of the 80-90 cultures co-existing here on campus, in an open and inclusive educational environment, where children and families from all different backgrounds can call 'home'.

We thank Waylene Currie for her brilliant job exploring our campus and history; getting a feel for our people, pupils and passions; and summarising it all together in one beautiful artwork.

Head of Junior School Report

As I sit in my office hearing the murmur of the new building being constructed, it gives me great joy to reflect on the 2023 school year and be excited at the things to come for the Junior School.

And it is with mixed feelings that my last days here come to an end.

I will certainly miss and think fondly of my time here at Canterbury College with you all.

I have thoroughly enjoyed my classroom visits for a quick message, or just to say hello and wish everyone a great day, and maybe even a dance session here and there.

Talking to students, parents and carers about leadership and Canterbury Values, telling jokes at Assembly, and cheering students on in the sporting, academic, arts and service and leadership realms.

You always welcomed me with an energetic greeting which made my day!

The year has seen many wonderful events, from the first 100 Days of School, Athletics Carnivals, the Book Week Parade, Easter Hat Parade, Book Fair, Mother's Day and Father's Day, robotics championships, dance concerts, music evenings, MusicFest awards, academic competitions, debating, public speaking, The Sudsy Challenge, and the list goes on.

Every event has been so enjoyable and part of the great fabric of the 2023 Junior School.

Our Junior School students have been on a journey of growth – both academically and personally.

It has been a pleasure to witness students' triumphs, observe them overcoming challenges, and marvel at the unique talents and qualities each one of the students brings to our school community.

I would like to honour their achievements – big and small, and acknowledge the dedication and hard work that has brought students to the end of another busy but satisfying school year.

One of the Junior School's most cherished aspects is its overriding sense of community.

Friendships have flourished, and the bonds formed this year will endure the test of time.

Together, our students have created a supportive environment where everyone feels valued, contributing to the vibrant tapestry of our school culture.

This year has brought its fair share of challenges, but the resilience displayed by our Junior School students has been nothing short of inspiring.

Whether navigating the complexities of remote learning, or adapting to new classroom dynamics, our students have faced adversity with determination, proving they are not just learners, but also resilient individuals.

Thank you to our 2023 Junior School Captains Coda Lahrs and Arista Ebenezer on the leadership you have provided to the Junior School student body.

You have performed a superb job above your daily student tasks, so congratulations to you both.

I would also like to take this opportunity to thank key staff.

The Junior School Leadership team of Mrs Alisha Richardson, Mrs Brittany Sinclair and Mr Andrew Powell for their unwavering support, hard work every day, and tireless contribution to our team.

They each work with such an attitude of determination, stepping into any challenge with confidence and competence. Thank you.

To Mr Ben Maxfield for his expert leadership in the sporting and club activity arenas.

Mrs Christina Jasem for leading our teachers in effectively teaching Literacy in the Junior School.

Mrs Leanne Lyle and Mrs Natalie Birt for their tremendous leading of Learning Support staff.

Mrs Leigh Mayes for her outstanding administration of our Early Learning Centre.

Ms Sandra Gibson for coordinating our amazing OSHC Service.

The exceptional Teachers, Educators and Learning Assistants for their ongoing dedication to our students.

Our Office Administration staff, who keep us all going, and we really could not function without.

Our brilliant ladies in the Junior School Office Mrs Dedrey Winterstein and Mrs Katrina Flower who keep us going every day.

And all the auxiliary staff that support the many other moving parts of a busy Junior School.

Thank you to our College Executive Leadership Team for their strong Junior School guidance.

As we bid farewell to this academic year, we look forward with optimism and anticipation for the adventures that the next chapter will bring us all in 2024.

The skills learned, friendships forged, and challenges overcome, will serve as stepping stones for the journey ahead.

Our Junior School community is a place of great potential, and we cannot wait to see the heights our students will reach in the future.

In closing, I want to express my heartfelt gratitude to the students, parents, carers, teachers, staff and

campus event VIP guests and visitors, who have made this year a truly memorable one.

Together, we have created a nurturing environment that fosters growth, curiosity and a love for learning.

Here's to the incredible journey we've had, and to the even brighter future that awaits.

Thank you Canterbury families for your support of our staff and our amazing school in 2023.

Our partnership with parents and carers in our 'It Takes a Village' concept is just so important.

I wish you all a happy, safe and successful 2024, and I will certainly miss you all...

Mrs Michelle Leftwich
Head of Junior School

Teacher: Mrs Purvis

Absent: Mckynlee Franklin, Lucas King

Year 6: Leadership Investiture Ceremony

During the first week of Term 1, we had the privilege of presenting our 2023 Year 6 Student Leaders with their special badges.

Importantly, it is not just the 'badged' leaders whom our Junior School students look up to.

Year 6 students are all leaders at Canterbury College, being the oldest and most experienced cohort in the Junior School.

2023's leadership group set an example for others to follow, as they embraced their extra responsibilities with genuine vigour and confidence.

Our staff really enjoyed working with these leaders, observing them in their event, classroom and playground roles, and supporting them to fulfil their duties.

Congratulations on your fantastic job over four terms.

Junior School Captains

Arista Ebenezer, Coda Lahrs

Junior School Vice Captains

Lily Prewett, Ruby Fay

Junior School Spirituality Captain

Isobel Dillon

Junior School House Captains: Competition

Becket: Lexie Bakos

Junior School House Captains: Community

Becket: Quinn Lockhart

Cranmer: Ava Eynon

Goldsworthy: Sidney McMahon

Kime: Kyle Budd

Ramsey: Jasmine Nolan

Temple: Angus Whybrow

Year 6: Rite Of Passage Ceremony

From our Junior School into our Secondary School!

Our six Houses of older Years 7-12 students formed a lively welcome parade for their newest members on the Secondary School campus, during the annual Year 6 Rite of Passage.

This popular late Term 4 ceremony sees our Year 6 graduates stepping through the gates with their House banners, into their big and bold Secondary campus world of new peers, staff and facilities.

Year 6: Festival Day

On Friday 24 November, excitement filled the air as our almost graduated Year 6 cohort were given the opportunity to strengthen their bonds and celebrate the year that was on Year 6 Festival Day.

They rotated through various indoor and outdoor activities such as drawing, lawn bowls, the limbo, ring toss, decorating plant pots, sneaker art, orienteering, group games and much more.

This yearly tradition fosters plenty of cheerful engagement and interaction among our students, further solidifying the cohort's unity before they progress into Secondary School in 2024.

ELC: Bush Kindy Classes

Our Early Learning Centre's Bush Kindy program is an immersive outdoor learning experience that connects our youngest students with the natural world around them.

Through excursions into the native bushland on campus, children engaged in hands-on activities that fostered exploration, creativity and a deeper appreciation of the environment.

The program encouraged children to develop physical, social and cognitive skills through supervised unstructured play and guided study activities.

Our 2023 ELC students built confidence and resilience as they climbed trees, created bush shelters, observed wildlife, and even captured photos.

Each session offered opportunities for inquiry, discovery and reflection.

ELC: Bush Kindy Kagaru Students' Photo Exhibition Competition

In Term 3, our talented ELC Kagaru Class students shared their young photographic perspectives, creating a Bush Kindy 'visual feast' that showcased their imagination and creativity.

Parents, carers and other students then visited our ELC's Bush Kindy Photo Exhibition over two days, where they participated in a photography voting competition.

Guests voted for their Top 10 photos on display, and how well they captured nature's beauty and the joy of Bush Kindy.

The most voted pictures were used for a special Kagaru Class project in Term 4.

Well done on a great job by everyone involved - especially event organiser Mrs Suellen Fawkes.

ELC: Kagaru 'Community For Creatures' Banner

On Monday 30 October, the Australian Conservation Foundation (ACF) - Brisbane South & Logan Group, along with our local Federal Member for Forde - Mr Bert Van Manen MP, joined our busy ELC Kagaru Class.

As part of a joint ACF - Canterbury 'Community For Creatures' Project, our students collaborated on a three metre display banner featuring iconic Australian animals.

The young students used a variety of art materials, and discussed each animal's situation, and how they can support environmental conservation in Waterford.

Through this event - and their popular 'Bush Kindy' campus sessions, our students gained a deeper appreciation for the importance of nature and wildlife in our lives.

Well done Mrs Suellen Fawkes and her wonderful Kagaru (Kookaburra) Class.

ELC: Kitchen Garden Worm Farm

Our ELC Kindergarten students enjoyed exploring the 'wonders of worm farming' with our Canterbury Kitchen Garden boss Mr Paul Penny.

During the class, they learned about how these little wrigglers play a vital role in fertilising our garden soil.

How about those excited little faces as they got 'up close and personal' with these friendly earthworms?

ELC: Christmas Party

On Wednesday 29 November, our Early Learning Centre was brimming with Christmas cheer, as families gathered to celebrate all things merry with their children on campus.

The event included games and gifts, songs and snacks, dancing and doting parents and carers!

ELC – Prep: Easter Hat Parade

The annual ELC – Prep Easter Hat Parade took place in the CEC on the final day of Term 1, and was a truly happy and colourful event to wrap up the busy first term.

ELC – Prep: Mother’s Day Mingle

On Friday 12 May, our excited ELC and Prep students – with their mums and female carers, gathered for their special annual Mother’s Day Mingle on campus.

Our Canterbury mums enjoyed a wonderful time participating in various classroom activities and getting pampered with their children – doing Lego building, jewellery making, hand massages, nail painting and more.

Thank you to all our wonderful mums who joined us for this memorable event.

ELC – Prep: Fun With Father’s Day

Our ELC and Prep ‘littlies’ were excited to see some very familiar faces at school one afternoon, as they celebrated with their dads, granddads and male carers at the ELC & Prep ‘Fun With Father’s Day’.

Attendees participated in fun bonding activities and games around the CEC Forecourt and ELC campus, with various stations for folding paper planes, colouring-in bow ties and neckties, as well as everyone’s favourite ‘mini engineering’ hobby – Lego building!

Nice work dads!

100 Days Of Prep

Bring out your monocles, walking canes and hair rollers, as we witness the 100 Days Of Prep dress-up day celebration.

It's amazing each year how quickly the first 100 days of school fly by for our little Preppies.

But it gives our students a chance to use their imagination and creativity to dress up like someone who has reached their century birthday.

How many home wardrobes got 'spring cleaned' this year?

Prep - Year 6: Spanish Language Festival

On Friday 19 May, there was a fiesta of excitement around our Prep - Year 6 students, as they immersed themselves in our Spanish Language Festival.

This celebration of Mexican and Central American culture, allowed our students to participate in diverse activities, based on cultural arts and crafts, music, dancing and food.

A huge 'gracias' to our Secondary School Spanish Language students who supported the Junior School's endeavours to bring this new event into fruition.

Special thanks to Flamenco House and great performers 'Duo Serenata', who wowed the crowd with songs like 'Despacito' and the 'Macarena', and inspired Canterbury's longest ever Conga line.

Prep: Life Education Lesson Van Visit

Remember Healthy Harold the friendly and lovable giraffe?

Well... he is still going strong, and during Term 2, our Prep classes participated in trusted health education sessions conducted by Life Education Queensland.

They learned about 'My Body Matters' and met Healthy Harold their long-time giraffe mascot.

This organisation has been active since 1987 - coincidentally the same age as Canterbury College, and empowers children and young people to make safer and healthier choices through the power of knowledge.

Year 2: Spanish Clay Class

¡Hola!

Our Year 2 students have been on a real learning journey in their Language classes, learning how to describe various animals in Spanish.

Then at the end of Term 3, the students put their creativity to the test, and crafted their very own clay animals that they could name in Spanish - ¡magnifico!

Prep: Indigenous Culture Incursion

In Term 2, our Prep classes enjoyed an interactive visit from highly respected Indigenous educator Mr Rick Roser.

Throughout the term and year, students have been exploring many important aspects around Aboriginal and Torres Strait Islander cultures.

They have been discovering and reflecting upon how these First Nations traditions, people, family, communications, stories and events are similar or different to their own families and cultures.

This incursion offered our Preppies the chance to deepen their understanding of Aboriginal and Torres Strait Islander stories – both from the past, and as they are expressed today through art, digital media, stories, drama and dance.

Our presenter Mr Rick Roser engaged the classes in various activities such as boomerang throwing, fire-making demonstrations, natural body and face painting, and creating emu feather hair decorations, that supported their learning and emphasised the importance of Aboriginal culture.

Prep: Professor Jellybean Science Incursion

On Thursday 19 October, our annual Professor Jellybean Science Incursion saw Canterbury's Prep students discover the flow of light energy, and how sunlight brings life to living things, as part of their 'Colour Your World' module.

They mixed some colourful processed seaweed solution to discover a chemical change and make 'worms' – learning how matter can change its observable properties.

Our young students also made a 'rainbow seed bomb' using clay, soil and some mixed seeds.

They brought these home to plant and reveal the colourful blooms of insect-attracting flowers waiting inside.

ELC – Year 2: Under Eights Day

On Friday 9 June, we hosted our 2023 Under Eights Day in the CEC Precinct, which was filled with fun activities to celebrate the 2023 theme: Play – You, Me & Our Communities.

We had our local Fire and Police Services sharing some valuable information with our families.

Old MacDonald's Farm brought 'cuteness overload' with their mobile petting zoo.

There were also costumed dress-ups, face painting, story time, an obstacle course, constructing recyclables, arts and crafts, and much more to keep everyone entertained.

Our students were also thrilled to watch a circus performance inside our CEC with talented performers showcasing their amazing juggling and balancing stunts on stage.

Wrapping up their exciting day was a good old fashioned disco, where our Prep to Year 2 students danced the school day away with the Macarena, rock-style air guitar and a long line of limbo.

ELC – Year 6: Grandparents & Special Friends Day

On Friday 20 October, our Junior School students were buzzing with excitement as they cherished their grandparents and other special older friends during an event dedicated just for them.

This celebration was designed to complement Mother's Day and Father's Day to cater for those more senior members of our community. It was a beautiful occasion celebrating the special bond between these generations, making it a heartwarming and memorable time for everyone involved.

Thank you for visiting our campus and putting plenty of smiles on little faces.

ELC – Year 6: Book Week Parade

On Tuesday 22 August, we held our Junior School Book Week Parade.

Our students dressed up as their favourite book characters and filled our CEC with a myriad of colours and costumes.

A huge thank you to all the parents and carers who worked so hard to make their children's favourite characters come to life.

Year 1: Kingston Butter Factory History Excursion

On Wednesday 15 March, our Year 1 students visited the Kingston Butter Factory Cultural Precinct - notably its Living Museum and the Heritage Centre.

This immersive excursion provided a glimpse into the rich background of Logan's past.

As part of their History studies, students encountered interactive factory stories, First Nations language displays, Logan's food stories, and many relics from the past.

Our Year 1s examined the Scrubby Creek habitat and made connections to learnings in their Science classes, regarding living things and their homes.

Year 1: Queensland Fire Services Science Incursion

On Tuesday 22 August, our Year 1 students were visited by the Queensland Fire and Emergency Services.

Our engrossed students learnt many valuable tips about fire safety - including identifying 'good and bad' fires, the uses and importance of smoke alarms, and what to do in the event of a bad fire.

Our Year 1s were fascinated to see all the tools and gear used by our firefighters, and even got to test their strength and spray down an imaginary fire.

Thank you to these wonderful firefighters for taking time out from their busy schedules to educate our students on-site.

Year 2: Beenleigh Historical Village History Excursion

On Thursday 16 March, our Year 2 students visited the nearby Beenleigh Historical Village and Museum – specifically ‘The Village’.

The excursion was organised to support their Humanities and Social Sciences (HaSS) studies, where they compare life in the past to the present day.

Students explored the village in groups and were able to see what life was like in earlier days.

They also watched live demonstrations of blacksmithing, crosscut pull-sawing and a printing workshop.

The Village’s Loganholme ‘One Teacher’ School taught them about manners from days past, plus the tools and methods used when only one teacher conducted classes across many year levels.

Year 3: Lone Pine Koala Sanctuary Science Excursion

On Wednesday 31 May, our Year 3 students travelled to Brisbane’s Lone Pine Koala Sanctuary as part of their Science studies unit on living and non-living things.

Education Officers guided our students in exploring the characteristics of living things and helped them classify various animals by type and species and sub-species.

It was an enjoyable and informative experience, with our Year 3s also handling snakes, kangaroos and koalas.

Years 3 – 6: Annual School Disco

On Friday 9 June, our CEC's atmosphere was filled with multi-coloured strobe lights, energetic dance music, and cheerful vibes for our annual Years 3-6 Junior School Disco, which followed that day's major Under Eights Festival.

Years 4 – 6: Science Expo

On Wednesday 16 August, we hosted an immersive Science Factory Expo for our Years 4-6 students in the CEC, which featured over 50 hands-on experiments.

These experiments allowed them to improve their skills to analyse and respond through inquiry, imagination and innovation, while expanding their curiosity and willingness to explore the changing world around them.

The interactive science and technology-based activities included hearing heartbeats with stethoscopes, animal x-rays, creating wind with a bucket and elastic, human biology and much more.

Every display featured easy-to-follow instructions, making each session a guided discovery lesson.

Students were able to create, invent and improve their thinking skills in a fun and educational way.

Year 5: Character Builders Workshop

On Thursday 4 May, in preparation for moving into Year 6 in 2024, our Year 5 students undertook a Character Builders Workshop, which provided strategies for effective team-building and hands-on leadership.

With a significant focus on working outside one's comfort zone, while connecting and creating positive peer culture, plus learning social techniques for effective teamwork, our Year 5s are well on their way to becoming outstanding leaders for their younger peers in Junior School.

Years 5 – 6: Girls The Sacred Sister Project

In Term 1, our Years 5-6 girls undertook The Sacred Sister Project over four weeks as part of their Wellbeing curriculum.

This program covers three main topics: Voice Of Judgement vs Voice Of Wisdom, Mindfulness On Social Media and a Beautiful Bodies/Qualities Exercise.

The program supported our female students to develop proactive strategies to navigate social situations and friendships, and assisted them to be well-positioned for their transition into teenagers.

Year 6: Bridge Builders Mediators Training

Back in Term 1, we appointed 24 of our Year 6 students as 'Bridge Builders' Mediators.

This initiative is part of our Junior School Wellbeing Program, where these students play an important leadership role in encouraging others to solve problems more positively.

Our young mediators participated in a two-day training workshop run by Jocelyne Chirside MEd (Hons), a national Social Emotional Learning consultant from EMPOWERING Life Skills Pty Ltd.

The training aimed to teach students to:

- Recognise conflict and understand their responses.
- Foster an appreciation for differences between people.
- Equip students with better critical thinking and calming techniques, active listening and problem-solving.
- Provide an empowering process for students to assume more responsibility when resolving problems.
- Support the school to develop a safer and happier environment.

Each student was scheduled one lunchtime per week, working in pairs to roam the Prep – Year 2 playground, 'building bridges' among the students and promoting positive interactions.

Years 5 – 6: Boys Rock And Water Program

During Term 1, our Years 5-6 boys engaged in the Rock And Water Program over four weeks, enhancing their Wellbeing curriculum.

This program engaged students in physical team-building activities to assist with developing:

- Practical anti-bullying strategies.
- Alternatives to aggressive verbal and physical responses.
- A better ability to stay in control through grounding, centredness and mental focus.
- Increased self-respect, self-control and self-confidence.
- Enhanced resilience skills and wellbeing.
- Skills to identify and monitor reactive behaviour patterns.

The sessions were also aimed to promote: communication skills, compassion, boundary setting, simple self-defence, life purpose and motivation, intuition, mental strength, empathic and positive feelings, thinking and visualising.

Years 5 – 6: Spark Program

Spark is an elective-based 'hands-on' STEAM: Science, Technology, Engineering, Arts and Mathematics program for Years 5-6 students, unique to Canterbury.

Each semester, our students choose one engaging subject to study, from a wide range of 12-14 topics. Then students from both year levels who select the same option are combined into the one classroom and taught by relevant staff.

Spark is about building curiosity, encouraging students to try something different, and providing an exceptional opportunity for them to embark on their own 'World Ready' learning journey.

Spark happens once per week for two hours, with students encouraged to continue their learning beyond the classroom.

Spark focuses on the Australian Curriculum's general capabilities of critical and creative thinking, personal and social capability, ethical understanding and intercultural understanding.

At the end of each semester, our Junior School hosts a Spark Learning Expo, where the students exhibit their special topic projects to the whole Canterbury community.

Spark Learning Expos – Semesters 1 & 2

Subjects: \$20 Boss, Medieval Madness, CSI: Crime Scene Investigation, 3D Movie Animation, Epic Engineering, Aquatic Biology, Shark Tank Inventors, Fighting Fast Fashion, Mission To Mars, Pottery With A Purpose, Bodywise Explorers, Recycle & Repurpose, Profit From Plants, Industrial Technology Skills, Arts Renewal: Bookbinding & Decorating, International Space Farming, Build Your Brain, Digital Technologies, Creative Communities, AI Techno Tales, Dance In Action, Making Social Change Videos, Junior Creators Learning Lab, and Community Awareness Adventure.

Years Prep – 4: Canterbury Kitchen Garden Activities

It was a very busy 2023 for our Canterbury Kitchen Garden, with a newly sprouted logo in Term 3.

Our program is rooted in the core values of 'Plant, Gather, Create and Learn', which nurtures a vibrant and flavourful approach to food education, cultivating a deeper understanding of the journey from farm to table for our students.

30 January

Our clever Years 3-4 students transformed into little chefs, snipping fresh basil from the garden and whipping up their own scrumptious pesto in the School Canteen.

20 March

Our Year 3 students donned their aprons, rolled up their sleeves, and transformed the Canteen into a bustling kitchen, creating their very own batch of delicious homemade and flavourful tomato passata.

28 March

Our Year 3 'green thumbs' got to reap what they sowed, when they harvested and tasted some delicious radishes and snow peas from the garden they planted.

They also got to plant some hanging pots of Nasturtiums and Marigolds, which will blossom into a nice feature over the garden's white picket fence.

30 March

Our Years 2-4 students grew basil, chives, parsley, capsicum, oregano, cherry tomatoes and leafy greens this year, which were used for their wood-fired Pizza Day cooking.

19 April

Ms Tammi Cooper's Year 2 class enjoyed their garden adventure, where they eagerly dug into the soil and planted garlic cloves.

1 August

Our Year 1s visited our campus garden, where they examined the freshly sprouted red poppy seedlings, checked on their growing carrots, learned about our garden's nourishing worm tea, and started the planting process with sacks full of seed potatoes.

24 August

Many hands were needed to dig up every single carrot during 2023's big annual harvest, as class after class swooped in to collect as many as possible for the yearly tally.

Canterbury Chef Colin Mason informed us the total collected was 8,677 carrots!

2 November

Working in small groups, our Year 4 classes followed a simple recipe, to each make 16 delicious carrot cakes.

After 40 minutes in the oven, the cakes were enjoyed by our young students, who even shared some with the Year 2 classes, or took any leftovers home for their families.

6 November

Our garden program values education and sustainability, so we creatively reused the plastic pots from ANZAC Day for Remembrance Day.

And campus-grown rosemary was displayed at our Whole College Remembrance Day Ceremony.

Students from all grades helped our Junior School Eco Warriors and 'garden guru' Mr Paul Penny to prepare these garden pots.

Years 3 – 6: Lumina Program

Lumina provides opportunities for high-performing students to further challenge their thinking and develop academic skills beyond their classroom.

It fosters higher order thinking skills, meta-cognition and problem-solving via participation in school team challenges, external academic competitions and various enrichment activities.

Coaching sessions are offered leading up to events after school on Tuesdays and Thursdays.

Lumina

Supporting High Performing Students

Canterbury Spelling Bees & Finale

Over Term 2, the Lumina Program conducted weekly 'Spell-Offs' for each cohort's students from Years 3-6 inclusive.

And at Thursday 1 June's Assembly, it all came down to the big finale!

Well done to all participants and congratulations to our Year Level Champions and Major Winner – Karas Armanious, Emily Yang, Rayven Penn and Anagha Menon.

St Stephen's Spelling Bee Interschool Competition

On Wednesday evening 2 August, our top Years 3-6 spellers from our Canterbury Spelling Bee, competed at the 2023 Interschool Spelling Bee at St Stephen's College on the Gold Coast.

Congratulations to Karas Armanious, Emily Yang, Rayven Penn and Anagha Menon on representing the College.

They competed against students from different South-East Queensland schools to spell words from a known list and then some unseen words.

These students all prepared for the big day with our Lumina Coordinator Mr Jonathon Wheatley.

The competition results were as follows:

- Year 3: Karas Armanious – Third Place.
- Year 4: Emily Yang – Winner!
- Year 5: Rayven Penn – Runner-Up.
- Year 6: Anagha Menon – Winner!

As year level winners, Emily and Anagha had their names engraved on the St Stephen's College Perpetual Spelling Bee Trophy.

Canterbury Public Speaking & Debating Competitions

On Wednesday 10 May, we held our Junior School Public Speaking Competition, where selected Years 3-6 Lumina students aspired to entertain, persuade or inform their audience on a set topic.

This practical approach gave our students hands-on experience demonstrating the impact and influence of language on audiences.

Our judges awarded points based on speech structure, whether it was well-paced and had consistent volume, if it was clear and audible, and if it utilised technical or emotive vocabulary.

Body language was also critical for garnering points and enhancing delivery effectiveness.

Well done to these brave students for participating in something most people fear.

The students previously presented their speeches to a judging panel that included Mrs Alisha Richardson - Assistant Head of Junior School (Learning), Ms Christina Jasem - Head of Junior School Literacy Development and Principal Mr Dan Walker.

Select Years 3-6 Lumina students also competed across inhouse and external school Debating Competitions, with our successful Secondary debating teams offering their advice and support.

Year 3: Outdoor Education

On Thursday 2 November, our Year 3 students were bussed to PGL Kindilan in Redland Bay.

This immersive Outdoor Education program aims to enhance resilience, confidence and peer bonding through activities like aeroball, canoeing, high ropes, and various other problem-solving challenges, all delivered by trained PGL Activity Instructors.

Year 4: Outdoor Education

On Monday 17 July, we began the Year 4 Outdoor Education Camp at the Tyalgum Ridge Retreat near the Gold Coast hinterland.

Nestled among 350 hectares of picturesque mountains, the students enjoyed learning about each other and themselves, while navigating activities requiring teamwork, courage and critical thinking.

Our Year 4s participated in camping skills, hiking, canoeing and high ropes, and even some farm animal petting time.

Year 5: Outdoor Education

On Wednesday 2 August, our Year 5s journeyed to Adventure Alternatives' Bribie Island Retreat & Recreation Centre – an outdoor education beachside facility, designed for more adventurous learning.

Students rotated between dormitory and base camping accommodation, where they learnt the social and emotional skills needed to become more resilient, but also better team players and communicators.

Year 6: Outdoor Education

On Tuesday 14 March, our Year 6 students went on their Outdoor Education Camp at Adventure Alternatives Kenilworth, up in the Sunshine Coast hinterland.

Over four days, students actively worked towards building a positive environment across activities like hiking, archery, obstacle courses, balancing challenges, cooking and camping skills.

As the most senior members of our Junior School, they also focused on developing skills that would make them good role models and leaders.

ELC – Year 2: End Of Year Celebration Ceremony

On Friday 24 November, we hosted our big ELC – Year 2 End Of Year Celebration Ceremony at the CEC.

It was an opportunity for each grade involved to give their on-stage speech and/or multimedia presentation about the year that was, along with rehearsed class songs and dance routines.

Everyone was entertained with the joyful singing, dancing and a hilarious staff video set to music, which featured all our Junior School staff, and even the Principal and Deputy Principal.

Thank you parents, carers, families and students for joining us to celebrate this special 'feel-good' event, which easily attracted our biggest campus audience of 2023.

Year 6: End Of Year Celebration Ceremony

On Monday 20 November, we hosted our Year 6 Celebration Ceremony, where we took time to reflect on these students' journeys through Junior School, before their transition into Secondary.

We shared the joy of watching nostalgic videos, with a special highlight on those longer-term students, captured during their time here from Prep onwards.

These videos featured interviews about their favourite things, bringing plenty of smiles and fond memories from the parents, carers and families.

The event also included Principal and Head of Junior School speeches, certificate presentations, the Year 6 Song, and gift giving. An array of hot lamb koftas, nourishing salads, and refreshing beverages added to the festive post-ceremonial outdoors gathering.

2023 Junior School: Years 3 – 6 Speech Day

On Tuesday 21 November, we celebrated Junior School's major annual awards ceremony, acknowledging the academic, sporting and leadership accomplishments of our Years 3-6 students.

Year 3: Outstanding Learning Approach

Amelia Brink, Ekamnoor Aulakh, Oliver Buckley, Evie Bui, Leila Dubiczki, Joshua Flaherty, Hayden Lim, Lewis Musk.

Year 3: Academic Excellence

Nua De Wet, Jaspa Heinemann, Kiana Idewa Gede, Owen Lahrs, Xavier Mumby, Dejan Radovanov, Oliver Thomas, Audrey Zhou.

Year 4: Outstanding Learning Approach

Halle Cantrell, Xanthea Catt, Avnoor Chhatwal, Sophia Gatia Dawud, Isabelle Harrison, Sam Kalokerinos, Kashmir Kimmich, Aaron Lal, Vienna Lee, Hirshita Malik, Kayden O'Brien, Kai Pham.

Year 4: Academic Excellence

Aiden King, Aarya Kondaguli, Ananyaa Parikh, Margaret Savage, Harrison Sell, Adelyn Shields, Aisha Singleton, Lekith Sudhakaran, Ginger Taylor, Sophia Willis, Emily Yang.

Year 5: Outstanding Learning Approach

Lelia Dong, Trinity Francois, Agatha Johnson, Sahibpreet Kaur, Samreen Kaur, Emma Kay, Sienna Neilan, Sarah Noy, Khushi Patil, Zahlia Thomas, Phoebe Wong.

Year 5: Academic Excellence

Sophie Ayres, Haeun Bae, Elly Barnes, Pegella Beh, Somya Bhatt, William Flaxman, Yulia Kovalev, Rayven Penn, Zara Sell, Max Suckling, Archer Thiel-Paul.

Year 6: Outstanding Learning Approach

Leah Choi, Sarah Clarke, Lachlan Cole, Rahela Jawadi, Chanelle Krumins, Hayley Lim, Sidney McMahon, Revin Ngendakuriyo, Angus Whybrow.

Year 6: Academic Excellence and First in Subject

Anagha Menon: Academic Excellence

Arista Ebenezer: Academic Excellence | First in Spanish

Coda Lahrs: Academic Excellence | First in English

Isabella Westphal: Academic Excellence

Kavin Velu: Academic Excellence

Lily Prewett: Academic Excellence | First in Mathematics

Lyvea Boulton: Academic Excellence

Mckynlee Franklin: Academic Excellence | First in Science

Quinn Lockhart: Academic Excellence

Rael Jung: Academic Excellence

Tameika Keerie: First in Health and Physical Education

Tayja Shine: Academic Excellence | First in Humanities and Social Science

Gold Badge Recipients

Lyvea Boulton, Mckynlee Franklin

Junior School Major Awards

Dux Of The Junior School: Coda Lahrs

Junior School Arts Person Of The Year Award: Lyvea Boulton

Junior School Sports Person Of The Year Award: Emma Blackman, Lexie Bakos

Junior School Sportsmanship Award: Kyle Budd

Beenleigh Rotary All-Rounder Award: Coda Lahrs

Fortior Quo Paratior Award: Lily Prewett

Year 3 Caring For Country Award: Laeson Cottle

Year 4 Caring For Country Award: Mason McNamara

Year 5 Spirit Of Canterbury Award: Sienna Neilan, William Flaxman

Year 6 Spirit Of Canterbury Award: Hayley Lim, Arista Ebenezer

Head of Secondary School Report

The late Apple co-founder Steve Jobs famously said, "Innovation is the ability to see change as an opportunity - not a threat."

This sentiment resonates deeply in education, which thrives on continuous improvement.

Over the past four years, education has embraced such opportunities, particularly with the Queensland Certificate of Education and the myriads of new technological discoveries that have enriched classrooms and schools.

The recent review of the Australian Curriculum has brought welcomed changes for schools nationwide.

Canterbury has eagerly embraced this opportunity, not only to integrate these updates, but also to enhance the engagement of our curriculum for students.

Implementation began this year for Years 7 and 9, with Years 8 and 10 scheduled to follow in 2024.

At Canterbury, we believe that all levels of learning should be celebrated, valued and supported.

We celebrate academic excellence through student engagement and results, ensuring that every student is supported on their academic journey to achieve their best.

"This journey is a collaborative effort involving students, teachers and their families, with us all working together to create an environment that fosters growth, excellence and surpassing a student's starting point at the beginning of the year."

Once more, students have wholeheartedly engaged in co-curricular activities, enhancing their readiness for life after graduation.

Their involvement in sports has not only refined their teamwork and discipline, but also instilled in them the vital skills needed to excel in collaborative environments.

Through participation in the arts, students have nurtured their creativity and honed their ability to communicate across diverse cultural contexts.

Engaging in service activities has deepened their empathy and broadened their social awareness.

Additionally, by prioritising their wellbeing, students have developed a strong sense of resilience.

These experiences have supported students' holistic development, moulding them into well-rounded individuals, ready to make a positive impact on the world.

Throughout 2023, Canterbury embraced its theme of 'A Community of Kindness' wholeheartedly, illustrating the innate kindness within our community.

This focus not only highlighted kind interactions with others, but also encouraged individuals to explore and cultivate kindness towards themselves.

Students were offered opportunities to reflect on their interactions, fostering empathy and understanding.

Similarly, our staff were prompted to contemplate what kindness towards oneself entails, recognising the importance of self-care and compassion in today's fast-paced society.

This theme was a gentle reminder to prioritise kindness in all aspects of our lives, enriching our community and strengthening our bonds.

I commend our 2023 Seniors for their contributions to the Canterbury community, whether it was for one year or 14.

This cohort exemplified the value of unity and demonstrated strength through collaboration.

A special acknowledgment goes to our School Captains Jack Henry and Ava-Grace Sellan, and their Prefects team for their exemplary leadership throughout the year.

Their emphasis on belonging was evident in their interactions with students, their event planning, and their efforts to inspire younger students about the avenues available to them that support connectedness.

Our Year 12's academic results were outstanding, paving the way for students to pursue highly sought-after pathways post-graduation, including university, private educational institutes, apprenticeships, and employment.

So congratulations to our Class Of 2023.

We eagerly anticipate your return to Canterbury College in the future to share your successes.

I extend my appreciation to the Secondary School teachers for their exceptional dedication and support of our students.

Their commitment goes above and beyond the classroom, encompassing co-curricular activities, outdoor education, and numerous special events throughout the year.

The invaluable assistance of Canterbury's administration teams, IT professionals, library staff, and service providers in health and catering, enables our teaching staff to deliver high-quality education and care.

To our Secondary School Administration team, your hard work and dedication are truly valued and appreciated.

As we embark on the planning for 2024, I am excited about the innovative opportunities that lie ahead for the Canterbury community.

Mrs Rebecca Adamson
Head of Secondary School

Third Row: Lochlan McDougall, Haydn Li, Isabella Franklin, Thomas Jenkins, Shubham Bhatt, Joe Matsushita
Teachers: Mrs Westphal, Ms Pendreigh

Ramsey 2

Front Row: Penina Pao, Eloise Stanley, Maddison Sonnex, Elena-Ioana Popa, Grace McIntyre, Angelina Som, Angelina Pao
Second Row: Ella Klass, Joshua Williams, Aroha Tipiwai, Ramon Zeng
Third Row: Jungyong Shin, Hanshu Dong, Mafi Aho, Bailey Murphy
Teachers: Mrs Westphal, Mr McDermott
Absent: Sione Ma'afu

Ramsey 3

Front Row: Benjamin Stanley, Samreen Chhina, Sophie Wellington, Isabel Millard, Julianna Pohiva, Annabel Wong, Lukas Williams
Second Row: Noah Wellington, Lorren Ieli, Meletoa Pohiva, Bradley Brown
Third Row: Oliver Finch, Lachlan Trent, Xavier Thow, Ashley Stanley
Teachers: Mrs Westphal, Mr Baber
Absent: Calise Kypr

Ramsey 4

Front Row: Niamh Kerrigan, Maya Lee, Aoibhe Kerrigan, Lara North, Sophie Webb, Milan Wellington, Mya Kisina
Second Row: David Lee, Emily Webb, Xzyrous McGowan, Riley Lynch, Darcy Taylor
Third Row: Alexander Sayers, Sitaleki Tafa, Kristian Bilston, Jack Wellington, Bridie Inder, Deakin Kaing
Teachers: Mrs Westphal, Mrs O'Keefe

Ramsey 5

Front Row: Matthew Flaherty, Sapphire Woods, Gurleen Kang, Larissa White, Jasmine Fidow, Ella Shelley, Isaiah McKenzie
Second Row: Henry Flaxman, William Kelmanson, Maddison Schipplock, Darcy Shelley, Rohan Dawson, Jasnoor Singh
Third Row: Riley Edwards, Tayla Southall, Lachlan McIntyre, Isaac Ramsay, Cooper McIntyre
Teachers: Mrs Westphal, Mr Dowd

Ramsey 7

Front Row: Ava Lynch, Areen Lee, Sophie Coupland-Flaherty, Amelia Neumeister, Emerald Kaing, Susie Kim, Sophia Meier
Second Row: Noah Meier, Makayla Mothobi De Sousa, Harper Way, Melanie Hamilton
Third Row: Makayla Lin, Caleb Garai, Jackson Holland, Keoni Brown, Jane Sayers
Teachers: Mrs Westphal, Mr Beiers
Absent: Harvey Coates, Jaspar Pao

Ramsey 6

Front Row: Sasha Barraclough, Amelia McGilvray, Savannah Paniagua, Chloe Toluta'u Galuvao, Jemma Kim, Terangitaatu William, Amara Caeiro
Second Row: Callum White, Lincoln Crooks, Jaipartap Parmar, Leo Jenkins
Third Row: Roy McGregor, Anajean Ioane, Locklann Lucas, Tymothy Palupe, Emily Hampson, Liam McGregor
Teachers: Mrs Westphal, Mrs Kruttschnitt

Temple 1

Front Row: Jade Uhlmann, Kristine Ruiz, Claire Sanderson, Emily Coombes, Sarah Dunn, Jemima Boothman
Second Row: Ruby-Jayne Aitchison, Porsha Watkins, Lilly Rose, Breeze Tauroa, Zachary Howell
Third Row: Charlotte Murrehy, Brayden Roos, Aiden Abbott, Rylan Mead
Teachers: Mr Blackmore, Mr Van Der Poel (Absent)

Temple 2

Front Row: Lilyana Fawkes, Bridie Fawkes, Sophie Peddell, Lily Lloyd, Mia Chizzoniti, Tylah Marshall, Emily Noy
Second Row: Monson Makakea, Henry Carroll, Ethan Fox, Jayden Large, Gursewak Dharan, Jacob Clay
Third Row: Tia Hardgraves, Sia Wubembe, Lara Mead, Aspen Maher
Teachers: Mr Blackmore, Ms Steel
Absent: Talon Wilke

Temple 3

Front Row: Tiffany Tindall, Giselle Holmes Maingot, Chivani McDonald, Rubie Newman, Jade Lake, Ishnoor Kaur, Mikaela Williams
Second Row: Cooper Roberts, Luca Hutson, Hunter Detmar, Claudia Talty
Third Row: William Grimmer, Alexander Arbutnot, Lachlan Howell, Kyle Adler
Teachers: Mr Blackmore, Mr Denigan
Absent: Hannah Peddell, Jordan Tan, Chantelle Zablocki

Temple 4

Front Row: Lily Cowling, Hasrat Maan, Maddison Mills, Angela Cai, Hayven-Lee Hilton, Georgia Dunstall
Second Row: Willow Cramond, Amy Hardgraves, Charlotte Austin
Third Row: Kevin Jung, Hargun Dhillon, Jack Fallows, Michael Bondarenko, Isaac Ryan
Teachers: Mr Blackmore, Ms McCalman
Absent: Yama Nazari, Jared Rooks, Lauchlan Tuupo

Temple 5

Front Row: Nayeon Kim, Coby Fox, Olivia Carroll, Alecia Simpkins, Abbey Findlay, Soomin Jung

Second Row: Oliver Holden, Inaya Malik, Amy Hill, Aarnav Dhindsa

Third Row: Harmanpreet Dharan, Jamie Otto, Mach Pukallus, Pyper McFarlane

Teachers: Mr Blackmore, Mrs Baiada

Absent: Hayden Francis, Elkee Lang-McMahon, Aiden O'Reilly, Jayda Penitani

Temple 6

Front Row: Maddison Robinson, Sienna Crawford, Ramneek Randhawa, Amelia Barlow, Amelia Periaho, Elize Lee, Kalash Kumar

Second Row: Max Laker, James Clay, Corey Rooks, Prabhnoor Shinjer, Dexter Humphrys, Pahuldeep Pannu

Third Row: Nathan Teinangaro, Nathan King, Zander Hutson

Teachers: Mr Blackmore, Mr Hodgson

Absent: Airlie Bower, Jackson Edser, Erik Laker, Emily Lang-McMahon

Temple 7

Front Row: Isabella Shields, Aotea McGee-Fitisone, Amelia Ryan, Megan Goodwin, Mojdah Amiri, Brooklyn Pukallus, Zoe Tan

Second Row: Max Kauppinen, Joanna Penitani, Abigail Silk, Charlie Carroll

Third Row: Ernest Yuen, Charlie Clapham, Lucas Noy, Samuel Sayer

Teachers: Mr Blackmore, Mrs Carroll

Absent: Jed Bower

Year 12: Seniors Soiree

On Friday 3 February, we hosted our 2023 Seniors Soiree, where Year 12 students with their parents and carers learned about the big year ahead, and socialised with key leadership staff and teachers, plus the Heads and Assistant Heads of House.

It was a wonderful occasion to celebrate the Class of 2023's final year of school under beautiful evening skies, enjoying refreshing beverages, tasty canapes and interesting conversations.

Year 12: Formal

On Wednesday night 29 March, it was all 'glitz and glamour' at the 2023 Canterbury College Year 12 Formal.

And our landmark venue Brisbane City Hall, never looked so good thanks to our elegantly attired Seniors.

Year 12: Valedictory Dinner

Our 2023 Year 12 Valedictory Dinner was held on Wednesday 15 November at the Logan Entertainment Centre.

This annual highlight was a truly memorable evening of speeches, presentations and a multimedia student archival slideshow.

All enjoyed with delicious canapes, dinner courses and drinks, plus take-home Canterbury branded cupcakes.

A special thank you to Ramneek Randhawa, Charlie Rowe, Ella George and Sophie Jensen who reflected upon their years and fond memories at Canterbury.

Our 14-year and 13-year families were given special gifts for being with us since their children's Kindy and Prep days respectively.

Year 12: College Guard Of Honour & Graduation Ceremony

Congratulations and best wishes to our inspirational Year 12s who graduated on the morning of Friday 17 November 2023.

Their milestone day commenced with a final Form class in their Houses, followed by a heartfelt Whole College Farewell Guard Of Honour.

The entire student body lined either side of the main avenue, from Secondary School's Admin Office to the Canterbury Events Centre, paying tribute to our Class of 2023.

Then inside our full CEC, hundreds of proud parents, carers, families and friends welcomed our Year 12 cohort, which they had been watching on the big screens 'snaking' through the campus.

Our newest graduates received their framed certificates by House, following their Final Roll Call, inspiring speeches and blessings during the Graduation Ceremony in front of an emotional crowd.

Year 12: Seniors Jerseys

Year 12: 100 Days Cake

On Tuesday 23 May, our Year 12s marked 100 days left of school life with a Morning Tea fancy branded cake celebration.

School Captains Ava-Grace Sellan and Jack Henry cut the big '100 Days Cake' after an inspirational and congratulatory speech by the Head of Secondary School Mrs Rebecca Adamson.

Year 12: Reflection Day

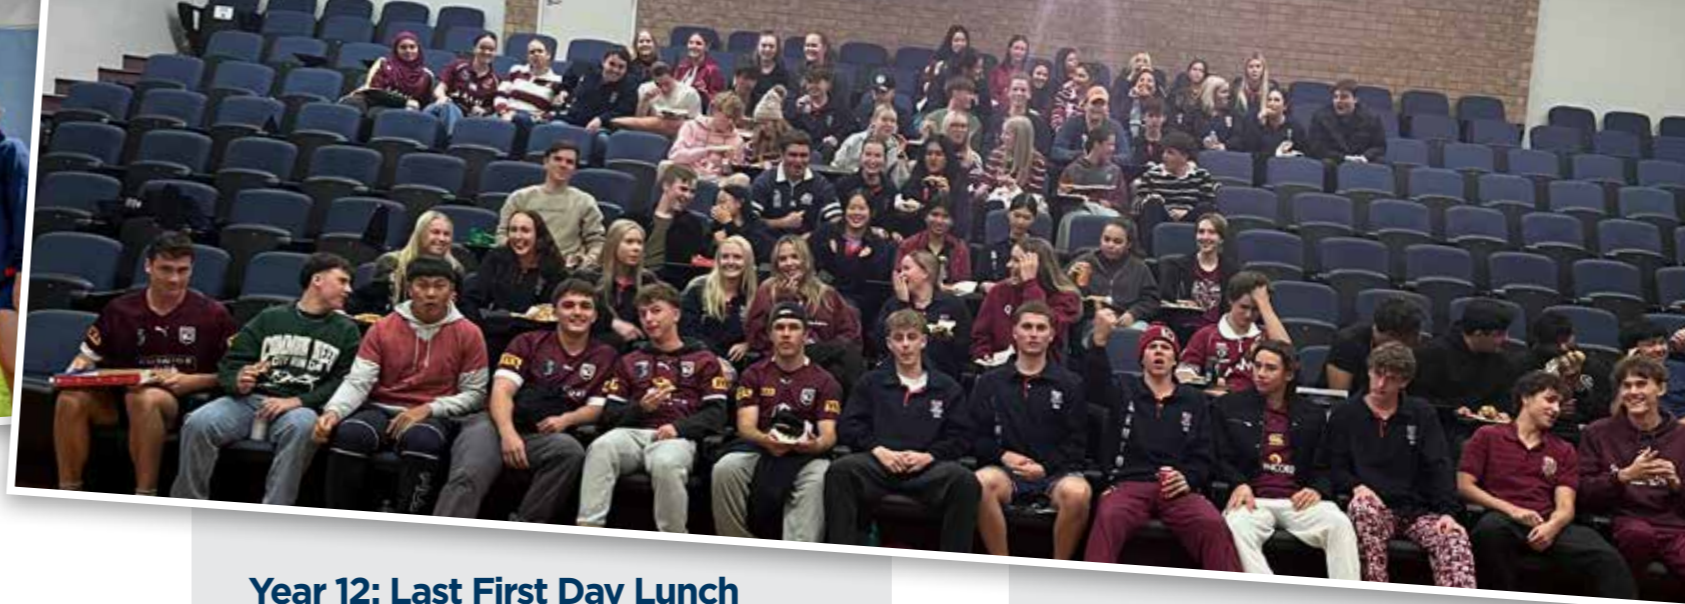

On Friday 6 October, our Year 12s travelled to Marian Valley for their Reflection Day at the Shrine Of Our Lady Help Of Christians.

In beautiful natural surrounds, the students engaged in a brief chapel service, shared personal stories via House banner creations, and wrote letters to themselves, which they will receive in the mail in October 2024.

In this document, they wrote personal anecdotes about their school life, their lessons learned and messages for their future selves.

The day concluded with our Seniors receiving letters of reflection from their families.

This was a lovely way for our students to solidify connections with each other, and centre themselves before their final exams.

Year 12: Last First Day Lunch

Our Year 12 students celebrated their 'last first day' back at school on Monday 23 January with delicious lunchtime BBQ wraps and soft drinks.

Year 12: End Of Year Pool Party

On Thursday 26 October, our Year 12 cohort took a short break from their final exams and studies to gather at our Aquatic Centre for a 'de-stressing' splash around and some free pizza and soft drinks.

Year 12: State Of Origin Pizza Party

On Wednesday 31 May, our Year 12s came on campus to watch Game One of Australia's biggest footy clashes on the Performing Arts Theatre big screen.

With free pizza and soft drinks, our students were ready to 'Mock A Maroon' OR 'Boo A Blue'.

Students relaxed, watched the game and got into the Origin spirit with Mr Nick 'Gimme The Ball' Gillin, Jake 'Cockroach' Compton and others.

Year 12: CAN Graduation Breakfast

Our Class of 2023 enjoyed a tasty breakfast on Wednesday 15 November, at our annual CAN: Canterbury Alumni Network's Year 12 Graduation Breakfast.

Popular past student, alumni committee member, and Canterbury's Head of Science Mr Nick Gillin, served as a memorable guest speaker, reflecting on his own student experiences at the College.

Each graduate received a complimentary native seedling gift from the CAN Committee - a living reminder of their valued time with us.

Year 12: Final Chapel Service

Our Year 12 Final Chapel Service was held on the morning of Wednesday 15 November, after their CAN Graduation Breakfast.

College Chaplain Father Dan Talbot delivered an uplifting sermon, offering prayers for our graduates, as they approach the next big phase of their lives.

Each student received a Canterbury bookmark featuring the College Prayer, and a photo capturing the view from Canterbury's gates, symbolising the road ahead in their post-schooling journey.

Congratulations

Canterbury Class of 2023

- Dux Of Year 11:** Alec Dyer

2023 World Ready Futures Expo

The future is created by what we do today... And that's precisely what our Years 10-12 students were assessing, when they attended our fast-growing Canterbury World Ready Futures Expo on Wednesday 3 May in the CEC with their parents and carers.

Our free on-campus event portal into university, further studies, training, apprenticeships and careers featured booths by: QUT, UQ, Griffith University, University of Southern Queensland, Bond University, James Cook University, TAFE Queensland, OSMAC Apprenticeships, WPC Group - Apprenticeships & Traineeships, Defence Jobs Australia, Queensland Fire & Emergency Services, Queensland School of Film & Television, SAE Creative Media Institute, The Hotel School Australia, Christian Heritage College, Gateway To Industry Schools - Health, NAWIC: National Association of Women in Construction, Study & Play USA - US Sport Scholarships and more.

The expo featured practical info and 'real world' advice on numerous post-secondary pathways, and students and families could speak with specialists from various fields, discover the study options and specific occupations available, and ask what each job was really like.

White Card Construction Safety Course

On Monday 17 July, 19 Years 10-12 Canterbury students undertook their White Card Construction Safety Course.

Having a White Card is a legal requirement for all tradespeople to enter an active construction site. If students want to do any work experience, or an apprenticeship or traineeship in a building industry trade, then they need this card.

The course covered Workplace Health & Safety rules regarding entering and moving around job sites, including wearing the required Personal Protective Equipment.

Thanks to Blue Dog Training for delivering an informative and engaging experience for these Secondary Students to become more 'world ready'.

Secondary School: 2024 Student Leadership Investiture Ceremony

On Tuesday afternoon 3 October, next year's Secondary School Student Leaders were celebrated with our 2024 Senior Leadership Investiture Ceremony in the CEC.

In front of the College Assembly, VIP guests, plus parents, carers and families of the newly inducted leadership teams, our Year 9 Leaders and Year 12 Prefects for 2024 received their certificates, House symbols and well-deserved applause.

This formal event was followed by social refreshments for the College's Executive and Secondary Leadership staff, VIP guests and the new student leaders with their proud families outside.

Scholars Ceremony: Class Of 2023

On Thursday 25 January 2024, we celebrated our newly graduated Class Of 2023's ATAR and final Year 12 exam results, at our annual formal Scholars Ceremony in the CEC.

Special Alumni guest Ebony Williams - Dux of Canterbury College in 2013, shared some inspiring words for our assembled Years 5-12 students, and the Class Of 2023 graduates in the front row.

This formal event was followed by social refreshments for the College's Executive and Secondary Leadership staff, VIP guests and our returning graduates with their proud families outside.

2023 Dux Of Canterbury College: Caleb Garai
2023 Proxime Accessit: Chloe Ahern

Class Of 2023 Jefferson Fern Medal Recipients

Year 10 Social

On Friday evening 20 October, our Year 10 students enjoyed their annual social highlight at the nearby Meadowbrook Golf Club.

It was a special dress-up evening filled with laughter, DJ music and dancing, tasty dishes and drinks, memories and mini-golf.

Beforehand, we also hosted a special 'family and friends' official photo session back here at the College, to properly capture the spirit of the occasion.

Creative Industries Showcase

Canterbury staged its inaugural Creative Industries Showcase at our Performing Arts Centre on Thursday evening 20 July.

It was our chance to properly display this faculty and its highly talented students' works across Visual Art; Design; Film, TV and New Media; Music; Drama; Dance; Digital Solutions and Industrial Technology.

Students, parents, carers, families and staff from the Junior and Secondary Schools enjoyed viewing our Years 7-12 students' impressive creations in the outdoor and indoor galleries, accompanied by fine catering from our Hospitality students, and live music by our Performing Arts students.

Young Business Leaders Program Showcase Breakfast

On Friday 16 June, select Business students participated in the Young Business Leaders Program's Showcase Breakfast at Club Beenleigh.

This event provided an opportunity for our young entrepreneurs to publicly display and pitch their small businesses to Logan locals and companies, parents, carers and other schools.

Emerald and Sapphire with their 'Plan A Education' start-up received the award for Most Viable Business Idea.

Ava Heath from 'Sow A Sentiment' received the award for Most Out Of The Box Business Idea.

Joshua Brass from 'Brass Baker' received the Underdog Award for his patisserie treat boxes.

It was a busy morning celebrating the efforts and achievements of our Young Business Leaders, who worked extremely hard on their business creations throughout Term 2.

Students thoroughly enjoyed this program by BOP Industries in conjunction with the Beenleigh Yatala Junior Chamber of Commerce.

Years 9-10 Business: Start-Ups Program

On Wednesday 22 November, entrepreneurs from our Years 9-10 Business, Economics and Accounting Start-Up classes, showcased their innovative business concepts, products and services via display stalls along our Tech Deck.

These start-ups included Ashan Industries, Hookie Cookies, Fume Fragrances, Tribal Tech, Pillow Paradise, Shine Cases, the Spitfire Dog Co., and other clothing, hair accessories and specialised gift hamper companies.

We also gained professional insights from two accomplished and forward-thinking 'real world' entrepreneurs - Mr Adam Thompson and Ms Belinda Vesey-Brown, who shared their expertise, strategies and past learnings with our staff and students.

Mr Adam Thompson is the Managing Director of Stenhouse Lifting Equipment - the leading supplier, manufacturer and inspector for a wide range of auxiliary, lifting and height safety equipment.

He's also the Growth Director on the Regional Board for Australia's Entrepreneurs Organisation.

Ms Belinda Vesey-Brown started TaggedPDF, a business that made PDFs accessible for people with hearing loss, low vision, or with learning or language challenges.

She also created 'MeetAandi', a cutting-edge online tool that uses AI and machine learning to make it easy to add captions, transcripts and audio descriptions to any video.

Year 8 Business: Mother's Day & Christmas Gifts Pop-Up Stalls

On Friday 12 May, our Year 8 BEE: Business, Economics & Entrepreneurship class sold a wide range of Mother's Day gifts to fellow students and staff on campus from their Canteen marketplace.

On Friday 10 November, the same Year 8 BEE class organised a Christmas-themed pop-up market stall at the Canteen again, to gauge their learning progress since Mother's Day.

The gift ideas, their actual production, and even the stall set-ups, were all collaborated upon, planned and delivered as part of the students' assessment task: Entrepreneurial Design.

They sold a variety of gifts priced from \$2 to \$20, including handmade arts and crafts, gift boxes, mugs, candles, lip scrubs, jewellery, baked goods and more, with the profits raised guiding their academic results.

Years 11-12 Hospitality: Hotel School Camp

During the June school holidays, our Years 11-12 Hospitality students completed their 2-night, 3-day Hotel School Program at the Sea World Resort on the Gold Coast.

Students participated in many actual 'shifts', working in various areas and departments around the complex.

This 'real world' experience exposes students to the many jobs - besides kitchen and restaurant duties, that the bustling hospitality industry covers, like office administration and guest relations.

Secondary School: Outdoor Education

These camps focussed on developing self-sufficiency, resilience, communication, teamwork, mateship and good character amongst our students.

They are engineered to push students outside their 'comfort zone' in the great outdoors, and sits at the heart of our wellbeing focus on growing personal skills for every day and school life.

Year 7

The Year 7 Camp was held over three days at the Emu Gully Adventure Education Group's dedicated site at Helidon in the Lockyer Valley.

Students prepared their own meals, slept in their own tents, and participated in high ropes, hiking and more.

They worked in House groups to navigate physically and mentally demanding scenarios, and outdoor obstacle courses, by cooperating successfully with their teammates.

Year 8

Our Year 8 Camp students moved from dependence on others to greater independence.

Their outdoor education equipped them with critical thinking (and cooking!) skills, enabling them to make better informed decisions.

The emphasis on challenging their limits helped them develop self-awareness and appreciate the value of human relationships across bushwalking, high ropes, obstacle courses and more.

Year 9

Our Year 9 students arrived at the Adventure Alternatives Kenilworth Campus on the Sunshine Coast brimming with enthusiasm, ready to embark on an unforgettable adventure.

Over four days from Tuesday to Friday, they prepared their own campsite and meals, and engaged in hiking, high ropes and various obstacle course challenges.

Year 10

On Monday 4 September, our Year 10 students embarked on their Outdoor Education Camp at Kenilworth, set on 140 acres adjacent to the breathtaking Conondale National Park.

Over several days they explored ancient trees, crystal-clear creeks, and waterfall swimming holes guided by the expert team at Adventure Alternatives.

Students tackled hiking, bushcraft and survival skills, mountain biking, archery, stand-up paddleboarding and team development activities like rope courses.

There was personal reflection and group bonding time, with students participating in sustainability exercises, water challenges and solo treks.

Year 11

On Monday 6 February, our Year 11 students ventured to Emu Gully for their Outdoor Education Camp.

This experience was an excellent opportunity for students to collaborate by House and by cohort, enhancing their teamwork, resilience and risk-taking abilities across various challenging obstacles.

The mud was incredible, the camp food was delicious, and the connections made were strong.

Year 11 Biology Camp

On Thursday 2 November, 43 excited Year 11s and their teachers Mr Nicholson, Ms Moore and Mr Mills, bussed to Hastings Point for the two-day Biology Field Trip Camp.

During the camp, students worked hard to collect scientific data from three key ecosystems: the mangroves, sand dunes and rocky shores.

Our budding biologists studied into the late evening analysing and interpreting their field work.

There was also kayaking and wilderness hiking, enabling our campers to develop a deeper appreciation of key ecological principles.

2023 MLTAQ Speech Competition

On Sunday 6 August, 42 Canterbury students – including eight from our Junior School, competed against dozens of other schools in the 2023 Modern Language Teachers Association of Queensland (MLTAQ) Brisbane Annual Speech Competition, held at Griffith University.

Canterbury won gold in all four of the language divisions we competed for that day, namely Mandarin, Spanish, French and Japanese.

Overall, we won five gold, three silver and three bronze medals, along with numerous placings and highly commended awards.

Thank you to our Global Studies teachers for giving up their valuable time for coaching, and for their support during Sunday's competition – Mrs Helen Tani, Mr Luke Harmer, Mrs Jennifer Wu, Ms Sara Rosello Pedros and Mrs Julia Martinez-Garcia.

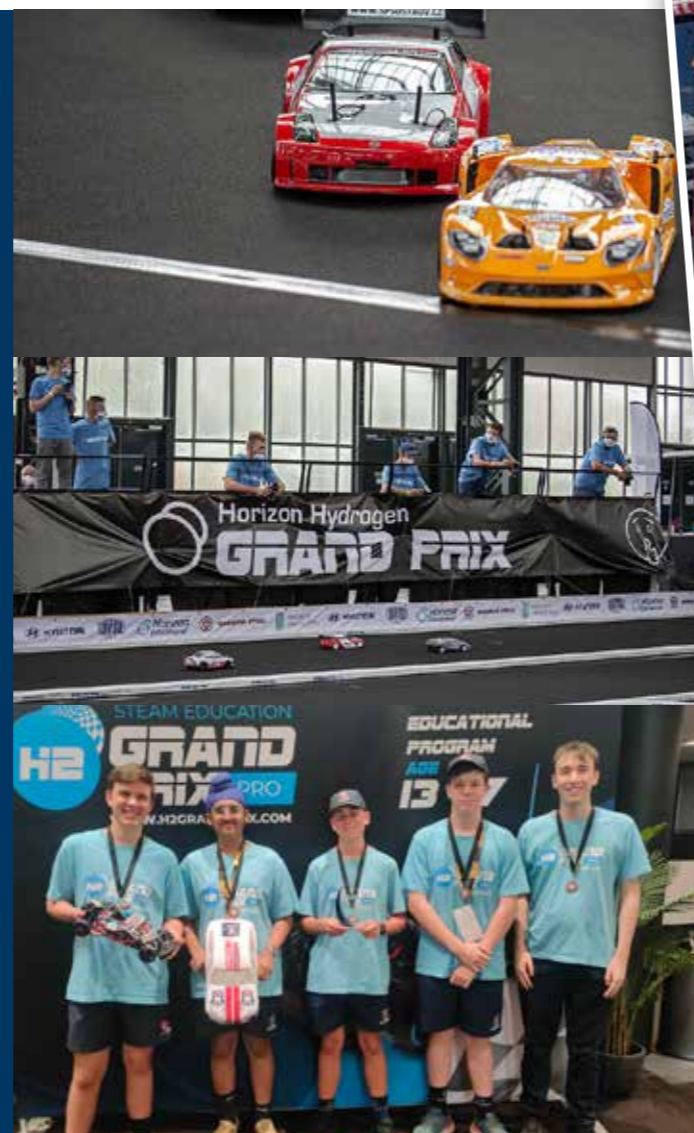

2023 Hydrogen Grand Prix Australian Championships

On Friday 21 April, our Canterbury Horizon Hydrogen Grand Prix (H2GP) Secondary School Team came third out of 20 Australian East Coast crews competing at the Gladstone Entertainment & Convention Centre.

The five students completed 499 laps over the four-hour endurance race, with their very own hydrogen-powered remote-controlled 1:10-scale race car, to grab the bronze trophy.

This event is the culmination of a six-month STEM educational science program, where students worked with teammates and industry mentors to design, engineer and construct the car themselves.

The H2GP program empowers students to be the problem-solvers of tomorrow, connect with the Earth's automotive industry, and gear it up with renewable energy technology, and alternative fuels. Design. Build. Race!

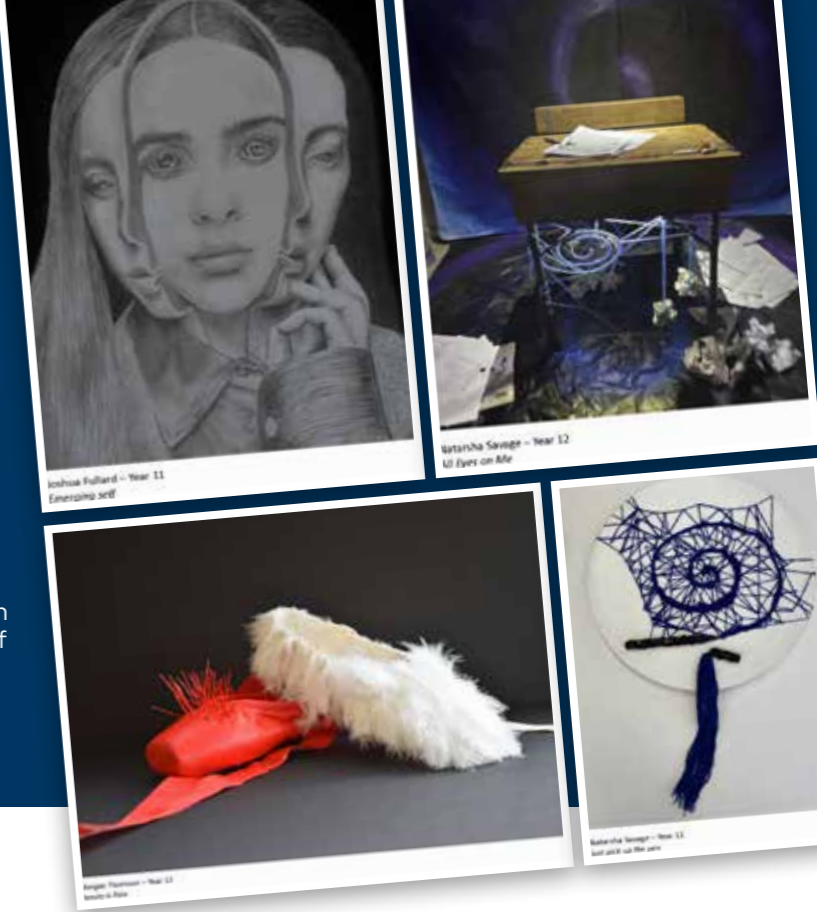

Year 11 Visual Art: Logan Art Gallery Artwaves Exhibition

Congratulations to our three Visual Art students who had their artworks selected in the 2023 Logan Art Gallery Artwaves Exhibition – Morgan Thomson, Natarsha Savage and Joshua Fullard.

Artwaves showcases works from talented Logan high school students, aiming to demonstrate the wealth of imagination and creativity present in our region.

Each displayed art piece was selected by Visual Art teachers in conjunction with gallery staff.

Year 11 French: Monet In Paris Exhibition

On Thursday 24 August, our Year 11 French students visited the 'Monet In Paris' exhibition at Northshore Brisbane.

Students enjoyed the beautiful 19th Century Paris artworks created by various Impressionists – Claude Monet, Camille Pissarro, Pierre-Auguste Renoir, Paul Cézanne, Edgar Degas and more.

Our students learned about the paintings, the history of the Impressionist movement, and its impact on French culture.

Years 11-12 Visual Art: GOMA & QAG Visit

On Thursday 16 March, our Years 11-12 Visual Art students visited the Gallery Of Modern Art (GOMA) and Queensland Art Gallery (QAG) at Southbank.

They viewed GOMA's 'Air' exhibition, as well as the general collection and 'Looking Out, Looking In' exhibitions at the QAG.

It was a valuable experience for our young artists, and connects directly with their explorations as 'artist and audience' for their study units: Art as Lens and Art as Knowledge.

2023 36th Annual Foundation Day

On Monday 13 March, we commemorated Canterbury's 36th Annual Foundation Day with a morning College Chapel Service and the always competitive Cursus Magnus Relay Race, between the six Years 5-12 House student teams, staff team and alumni past students team.

The Service allows us to reflect on how far we've come, while acknowledging the huge community that got us here since 1987, and encourages us to look forward to the 'milestones and magic' coming over the next 36 years.

'The Great Race' is an extremely popular Foundation Day tradition with students, staff, parents and carers, as well as former students and staff.

Our eight teams of eight runners compete for Canterbury Cup House points, as well as athletic glory - cheered on by hundreds of supportive spectators decked out in House colours.

Each runner must complete their two laps (800 metres) before passing the baton onto the next runner, until all eight runners have completed their turn, to find the overall winning team.

So who won the 2023 Cursus Magnus Relay Race? Congratulations (again) to reigning champions Ramsey House. Happy Canterbury Foundation Day!

2023 United Nations Day

On Friday 2 June, more than 1,600 ELC – Year 12 students, 300 staff and 945 VIP guests, family members, friends and alumni from our Logan community, transformed the CEC into a major one-day multicultural festival.

As our biggest annual event, United Nations Day lets us fully celebrate the College's 80 dialects from 60 different countries, represented by an extremely diverse international student body.

Now in its third year, UN Day features 20 traditional cuisines originating from Africa, Polynesia, the Pacific Islands, The Americas, Western and Eastern Europe, Australasia and every Asian region – entrees, mains and desserts proudly prepared and served by school parents, relatives and friends.

Complementing the global food and drink stalls, was a full on-stage 2.5-hour performance schedule covering dances, music and songs from Malaysia, New Zealand, Tahiti, Samoa, India, Tonga, China, South Korea, the Philippines, Cook Islands, Fiji and Africa.

These performances were choreographed and rehearsed by the students, with a little help from friends, siblings and parents.

Other cultural activities included Indigenous dance and weaving, an interactive Digital Map Of Origin where guests plotted their ancestral homes on a world map, Indian henna tattoos, face painting, plus various arts and crafts.

The festival followed the opening formal ceremony which included a First Nations' Welcome To Country and Smoking Ceremony with the didgeridoo, performed by the local Indigenous Mununjali and Logan Elders – from proud clans of the region's Yugambah people.

Next was the official 'Parade Of Nations Flag Ceremony', where students carried the flag of their cultural background through the large crowd and onto the stage for display.

Principal Mr Dan Walker's official address covered how Canterbury College is 'Different Together' – explaining how not being all the same is the school's greatest strength.

That we draw on our different life experiences, stories, backgrounds and values to learn from one another and make our community stronger.

Canterbury Mother's Day Breakfast

Friday 12 May

Canterbury Father's Day BBQ

Friday 1 September

2023 Japan Tour: Global Studies Faculty

Japan marked Canterbury's first overseas College Tour since COVID, and was open to any students studying Japanese (Years 7-12), Geography (Year 12), Business or Economics (Years 11-12).

Our Japanese Language students put all those months of study to the test, by finding their way around busy cities like Tokyo, and speaking Japanese with the locals.

Our Geography students learnt about creative urban planning and environmental sustainability, with 130 million people living in a nation just 1/20th the size of Australia.

And our Business and Economics students discovered why Japan is still the world's third largest economy, while learning about hydrogen-powered bullet trains and cars, as well as regional trade.

Plus the cultural exchange enabled by visits to Japanese schools in class time, major shrines, historic landmarks, museums and science centres, plus shopping districts and natural wonders.

Daily Itinerary

Day 1: Depart Australia Thursday 15 June and Arrive in Tokyo.

Day 2: Meiji Jingu Shrine, Harajuku, Shibuya, Scramble Junction, Parco - Home of the Pokémon Centre, Nintendo Store, Shonen Jump Shop, Akihabara and Yodobashi Shopping Centre.

Day 3: Yurikamome Train over Rainbow Bridge to Odaiba, Miraikan, National Museum of Emerging Science & Innovation, Panasonic Centre 'AkaruE' Workshop, Diver City Shopping Centre and Gundam Laser Light Show.

Day 4: Asakusa's Sensōji Temple, Hiroshima and Fukuya Shopping Centre.

Day 5: Peace Park, Industrial Promotion Hall, Children's Memorial, Eternal Flame Monument, Peace Memorial Museum, Hiroshima Castle and Fukuya Shopping Centre.

Day 6: Miyajima Island and Itsukushima Shrine.

Day 7: Kyoto, 'Stairway To Heaven' Escalator, Fushimi Inari Shrine and Kyoto Station Aeon Shopping Centre.

Day 8: Osaka's Mikunigaoka High School.

Day 9: Universal Studios - Featuring Nintendo's Mario, Harry Potter and Anime favourites Doraemon, One Piece and Spy Family.

Day 10: Kyoto, Kinkakuji Golden Pavilion, Nijo-jo Castle, Arashiyama Bamboo Grove, Kiyomizu-dera Temple, Gion District, Maruyama Park, Yasaka Shrine and Shijo.

Day 11: Nara Deer Park, Todaiji Temple, Shijo, Sanjo and Yodobashi Shopping Centre.

Day 12: Higashi Honganji Temple, Kyoto Station Shopping Precinct, Shinkansen Bullet Train to Tokyo Station and transferring to the Narita Xpress to Tokyo Airport.

Day 13: Arrive in Australia.

STAFF

Mrs Helen Tani: Tour Coordinator, Mr Luke Harmer, Mrs Jennifer Wu, Mr Jason Baber, Mr Shannon Blackmore, Mrs Michelle Rowbotham, Dr Katrina Peddell.

STUDENTS

Oscar Alchin, Shubham Bhatt, Reini Blackmore, Airlie Bower, Nina Burton, Kate Caddy, Angela Cai, John Chang, Jenny Chum, Jennrady Chum, Kevin Dizon, Phoebe Dyer, Zoe Flynn, Jessica Forde, Caleb Garai, Leslie Ho, Kalash Kumar, Makayla Lin, Lily Lloyd, Fatima Malik, Roy McGregor, Liam McGregor, Cassandra McKee, Lara Mead, Jazmyn Merry, Grace Monroe, Lara North, Hayley Pal, Sophie Peddell, Claire Plummer, Kylie Qi, Maddison Robinson, Brayden Roos, Claire Sanderson, Natarsha Savage, Sam Sayer, Angelina Som, Lachlan Trent, Jasmine Tsang, Jasmine Wheatley, Allegra Williams, Samuel Wilson.

Girls In ICT Day

On Thursday 27 April with BOP Industries, we hosted a Girls In Information & Communications Technology (ICT) Day in the CEC, an inspiring interschool event highlighting IT career pathways.

Years 5-8 girls from various Logan schools gathered to collaborate in teams, exercise their creativity, and use problem-solving skills to tackle real-world challenges via technological solutions.

During a full day of activities, students heard from female ICT role models through presentations, career stories and a discussion panel, where students submitted the questions.

Girls In ICT Day is a worldwide initiative promoting STEM to school-age girls, encouraging discussions aimed at overcoming any access or safety barriers they face when aspiring to related studies or jobs.

The female share of our total workforce is 47%, yet female participation in ICT remains at just 29%, significantly lower than other comparable occupations.

Canterbury's Girls In ICT Day was supported by our Queensland Government partners at GISP: Gateway to Industry Schools Program, which connects school students to industry leaders and work experience.

Event Partners: BOP Industries | GISP Queensland | Microsoft Australia | Australian Computer Society | Logan City Council | Commonwealth Bank | Data#3 | Go1.

Future Anything Finals: Ashutosh Vaitha

Year 9 student Ashutosh Vaitha won Runner-Up at 2023's big Future Anything Grand Final on Monday 20 November.

As the CEO of his own start-up company - Ashan Industries, he is developing a Neurodiverse Children's App to help communicate with people like his younger brother Vishan who has autism.

Ashutosh did an amazing job presenting and faced some challenging questions from the panel of expert business judges.

Ashutosh received a place in the YouthX Program, which includes a number of funding and mentoring packages valued at \$10,000.

Future Anything is an agency that provides fully resourced, curriculum-aligned programs, student workshops and professional development which supports educators to deliver 'real life' learning.

Their mission is to push young people's entrepreneurial mindset to much higher levels.

Interschool Maths Teams Challenge

On Tuesday 25 July, we hosted the fast-growing 2023 Interschool Maths Teams Challenge in our CEC, with 57 teams from 23 South-East Queensland schools.

This four-hour academic tournament is a major problem-solving event broken into categories for Years 5-12 students to showcase their mathematical knowledge and skills, logical thinking, teamwork and mental strength under time pressure.

Teams are grouped by year levels into Years 5-6, Years 7-8, Years 9-10 and Years 11-12, with a maximum of three students from the older year level and two students from the younger year level.

We look forward to this 'major mathematical milestone' growing yet again next year, after starting with 47 teams in 2022 - all managed by Mr Jason Baber our Maths Teacher maestro.

A Division - Anthony Li: 17th from 64 players winning 5.5 of 7 games.

B Division - Amir Al Shoomary: 3rd from 51 players with his Chess rating up from 579 to 809.

C Division - C Team: 6th from 27 teams.

D Division - Jordan Ide: Bronze Medal winning 6 of 7 games.

D Division - Darcy Taylor: 5th from 45 players.

D Division - D Team: Silver Medal from 13 teams.

Merit Badges: Ramon Zeng, Liam McGregor, Leslie Ho and Darcy Taylor.

Term 2 Results: On Monday 29 May, we took 17 students to St Stephen's College for the next Gold Coast Secondary Interschool Chess Tournament.

A Division - Amir Al-Shoomary: 4th from 62 players winning 5 of 7 games.

A Division - Anthony Li: Earned higher Chess rating of 1,243.

A Division - Ashutosh Vaitha: 11th from 62 players.

A Division - Blue Team: Bronze Medal from 17 teams.

B Division - Red Team: Bronze Medal from 11 teams.

C Division - C Team: 4th from 25 teams winning 16.5 of 20 games.

D Division - Ramon Zeng: Gold Medal winning 6.5 of 7 games.

D Division - Matt Barnes: 5th from 77 players.

D Division - D Team: Gold Medal from 22 teams winning 20.5 games.

Term 3 Results: On Monday 21 August, our high-performing chess players competed at The Southport School for the last Gold Coast Secondary Interschool Chess Tournament.

Our top Blue Team players had the chance to compete in the Premier Division - a first for our College, which provided our students with a valuable learning experience amongst the best.

Jordan Tan placed 2nd in his division, winning 6 of 7 games.

Matt Barnes and Jordan Bolger received merit badges, while our D Team won the Bronze Medal.

Interschool Chess Tournaments

All students must play seven games at each tournament, and receive merit badges if they win 4.5 or more matches, while 1st, 2nd and 3rd placed students receive medals (NB: Stalemate = 0.5).

Term 1 Results: On Tuesday 14 March, we took 16 students to Somerset College for the first Gold Coast Secondary Interschool Chess Tournament.

Annual Canterbury Cup House Competition

House Choir Competition

This popular challenge is for all Years 5-12 students, with their parents, carers and families welcome to attend the CEC, for the afternoon on-stage choir battle.

House Leaders have a fun Lucky Draw with Performing Arts Director Dr Katrina Peddell to decide their song, then Houses have several lessons and lunch breaks to rehearse it with a dance routine.

Points are awarded for the best House performances, and to the House with the most students attending, with all points going towards the Canterbury Cup.

Held on Thursday 23 February, our students sang boldly with 2023's theme 'Decade Hits'.

Becket House: 1950s | Great Balls Of Fire – Jerry Lee Lewis

Cranmer House: 1970s | Don't Stop Me Now – Queen

Goldsworthy House: 2000s | What Makes You Beautiful – One Direction

Kime House: 1980s | Livin' On A Prayer – Bon Jovi

Ramsey House: 1960s | I'm A Believer – The Monkees

Temple House: 1990s | Everybody (Backstreet's Back) – Backstreet Boys

And... congratulations to Goldsworthy House on their choir victory.

General House Activities

These multi-year-level House activities build a tribal sense of belonging, positive mental health, teamwork, engagement, communication, leadership and recognition, while forming the basis of our pastoral care system.

Points from these activities lead to the prestigious Canterbury Cup being awarded in November to the House with the highest points: House Choir; Cursus Magnus Relay Race; Clash Of Chants; House Athletics, Cross Country and Swimming Carnivals; House Maths Challenge; GPA Big Improvers; Academic Excellence Awardees and various lunchtime events – Touch Football, Football (Soccer), Dodgeball and Futsal.

Canterbury Cup House Winners

- 2018 Ramsey House
- 2019 Joint Winners: Becket & Ramsey House
- 2020 Ramsey House
- 2021 Ramsey House
- 2022 Ramsey House
- **2023 Ramsey House**

2023 Logan Business Distinction Award Winners

On Friday night 11 August, Canterbury College was honoured to win the 2023 Logan Business Distinction Award in the Education, Employment & Training Category.

A panel of distinguished business, community and government leaders voted for our submission after we were publicly nominated for this award, sponsored by Mr Cameron Dick MP – State Member for Woodridge.

It was one of 17 Logan Industry Awards presented during the gala evening, hosted at the Logan Entertainment Centre by the Logan Chamber of Commerce.

Director of Communications Mr Stephen Buckley accepted this award on the College's behalf.

2023 Australian Education Awards: Excellence Awardees

Canterbury College received Excellence Awards in two categories for this year's Australian Education Awards, amidst entries from nearly 10,000 schools from right around the country.

Both finalists were acknowledged at the official gala awards ceremony on Friday night 11 August at The Fullerton Hotel in Sydney, with our own hearty congratulations.

Education Rising Star Of The Year | Excellence Awardee & Finalist – Mr Andrew Paltridge.

Andrew is an extremely effective Assistant Head of Ramsey House, Secondary Teacher and successful Football (Soccer) team coach here at Canterbury.

As a natural leader, he supports and drives pastoral care programs, to ensure holistic wellbeing for our students and staff here on campus.

In his teaching role, Andrew plans and develops resources across different faculties – Maths and Commerce, English, Wellbeing, Religion and Values – to support his students and colleagues.

Andrew also champions Canterbury's Professional Growth Programs, proving himself a supportive colleague – especially to Early Career Teachers.

Best Professional Learning Program | Early Career Teacher Program: Excellence Awardee & Finalist – Mrs Emma Crooks.

Our Early Career Teacher (ECT) Program is designed to foster the professional growth and development of ECTs here at the College.

As part of our Professional Growth Framework (PGF), the PGF Coordinator is the mentor assigned to ECTs, to support their transition into the College and/or Teaching Profession.

They organise and facilitate regular one-on-one meetings and collaborative and reflection sessions, with all P-12 ECTs as required.

They also offer advice on professional growth opportunities in line with their career stage and Canterbury's overall strategic direction.

2023 Joint Alumni Reunion Major Event: 1, 5, 10, 20 & 30 Years

On Saturday afternoon 28 October, we held our 2023 Joint Alumni Reunion Major Event for our Classes of 1993, 2003, 2013, 2018 and 2022.

Thanks to everyone who attended the beautiful riverside Bar Pacino venue, for this free fully catered event, where we invited last year's graduates for the first time.

Join Canterbury's Private Alumni Facebook Group

This private group is a place for our past students and staff to share their College memories, reconnect with each other, and keep up-to-date with major events happening at Canterbury.

2,153 members and counting!

Alumni Men's vs First VI Boys Volleyball Showdown BBQ

On Wednesday evening 1 March, we held our second (and equally intense) Canterbury Alumni Men's vs First VI Boys Volleyball Showdown in the Sports Hall.

All three sets were close, but the (younger and fitter!) Canterbury Boys secured the trophy for the second year running.

1st Set: Firsts 29 - 27 Alumni | **2nd Set:** Firsts 25 - 19 Alumni | **3rd Set:** Firsts 25 - 21 Alumni.

Thanks to our 100-plus spectators who came along to support this fun and free after hours BBQ and sporting clash.

First VI Boys Volleyball Team: Jake Stewart, Jack Henry, Jack Addley, Charlie Newton, Mehran Shaheed-Zadah, Jeremy Kriletich and Jackson King.

Alumni Men's Volleyball Team (Graduation Year): Brad Elms (1999), Andrew Porter (2010), Lincoln Forbes (2011), Cameron Andrews (2017), Wade Neill (2019), Baxter Hood (2019), Casey Milne (2021), Anderson Som (2021), Connor Addley (2021), Dylan Lo (2021), Elijah Walters (2022) and Jalen Harrison (2022).

Fr Dan Talbot Commissioning Service

On Friday 4 August we officially commissioned Father Dan Talbot as our new College Chaplain in our Chapel of the Good Shepherd.

Father Talbot started with us on-campus at the beginning of Term 3, but has been a regular (and most welcome) visitor for years, attending various chapel services from his Jimboomba Parish.

He has already played a significant role in our Religious and Values Education (RaVE) Program, and been a strong voice for inclusion – connecting students from all faiths into one community founded on shared values.

Father Dan received his official Commissioning Licence from Brisbane's Anglican Archbishop Jeremy Greaves to serve and mentor here at Canterbury College.

The ceremony was hosted by Bishop John Roundhill and attended by the local Logan Anglican Deanery with their special guests, and Father Dan's close friends from the Jimboomba Parish.

Father Talbot was also presented with symbolic gifts from our Junior School and Secondary School student leaders who delivered readings and the intercessions.

Mrs Alisha Richardson and Ruby Fay gave a special Acknowledgement of Country, Principal Mr Dan Walker read the Gospel, and special thanks to Dr Katrina Peddell, Mr Tim Li and their student String Quartet of Areen Lee, Haydn Li, George Li and Kate Stone for their beautiful music.

St John's Anglican Cathedral City Service

On Wednesday 19 July, our Years 5-12 staff and students attended the annual Canterbury St John's Anglican Cathedral City Service on a sunny winter's morning.

The service was led by the Right Reverend John Roundhill – Bishop for the Southern Region of the Anglican Church of Southern Queensland.

He was assisted at the altar by Canterbury's new College Chaplain Father Dan Talbot.

St John's Anglican Cathedral is an awe-inspiring worship space, and is regarded as the 'mother church' for all Anglicans in Queensland.

ANZAC Day College Services: ANZAC Square, Beenleigh, Bethania & Campus

On Monday afternoon 24 April, we held our Prep – Year 12 ANZAC Day Commemoration Ceremony, where we paid respects to those who volunteered to serve their nation during wartime.

The CEC service included tributes, The Ode, the Last Post, Rouse, poems, one minute's silence, stories, prayers and the laying of wreaths. Their sacrifices will never be forgotten.

Also that morning, a select group of Student Leaders proudly represented Canterbury at the All Schools ANZAC Ceremony in Brisbane City's ANZAC Square and toured the war memorial.

Our Student Leaders, Firsts Sporting Teams, College Staff and proud Junior and Secondary School students also participated in the Beenleigh ANZAC Day March on Tuesday 25 April, with friends and families watching on.

Beenleigh's large ANZAC Day Service followed, paying tribute to those who served, with our School Leaders placing wreaths in respect.

Remembrance Day College Service

On Friday 10 November, our Junior and Secondary School united in a moving Remembrance Day ceremony, surrounded by the poignant fragrance of rosemary.

We were honoured to host Sergeant Ben Lawson from the 20th Regiment, Royal Australian Artillery – Gallipoli Barracks, Enoggera as our special guest.

In a solemn ceremony, students laid wreaths beneath the flags, and the Year 3 cohort recited the renowned wartime poem 'In Flanders Fields', which honours the fallen heroes during WWI.

Our students recited The Ode, and a touching rendition of The Last Post echoed, followed by a minute's silence and The Rouse.

Ahead of the significant 11/11 Remembrance Day, we commemorate the bravery and sacrifice of those who served in all wars and conflicts. Lest We Forget.

CES Support Staff Morning Tea

On Wednesday 14 June, Canterbury warmly hosted its CES: Corporate Education Services Support Staff Morning Tea.

This delightful gathering allows our many dedicated and hard-working non-teaching staff to come together for some laughter, delicious refreshments, words of thanks, and a staff appreciation gift.

World Teachers Day Breakfast

We marked Queensland's World Teachers Day on Friday 27 October with a special breakfast and appreciation gift, plus some of our students spoke about their admiration for our teaching staff.

Mr Dan Walker | College Principal Speech:

This is an annual tradition at Canterbury, and I know how much it means to our staff, that our students share their stories of the special teachers who have made an impact on them.

There are many who believe that teaching has become such a complex and under-appreciated profession, that it's becoming harder to persuade people to join our ranks.

I don't believe this is true...

In fact, my observations about our school, is that we have a much higher percentage of graduates going onto become teachers, than at any other school I've ever worked in.

And this cannot be an accident...

I know it's because of the empathetic, charismatic and smart teaching staff we have here.

It has inspired generations of Canterbury students to go on and become teachers themselves.

I give my thanks to the team of 120-plus teachers who go above and beyond for our students every day.

Wellbeing Program

Canterbury's Wellbeing Program recognises that our students are evolving into educated young citizens, and their growth is shaped by various factors other than their academic focus.

It also encompasses their physical, social, spiritual and emotional development.

Our Wellbeing Program is dedicated to nurturing these aspects of our students' lives, aligned with our College Values.

The Resilience Project's focus on gratitude, empathy and mindfulness continues to resonate, alongside purposeful lessons in our academic package **The Learner's Toolkit**.

We maintained a strong partnership with Senior Constable Mitch Collins from the Edens Landing precinct of the Queensland Police, as he addresses our cohorts on issues around online safety, consent, safe partying and respectful relationships.

And our program still mirrors the progression of character development goals set for each year's Outdoor Education Camp.

Various year levels also participated in wider community campaigns like **Reconciliation Week**, **RU OK? Day**, **Bullying No Way Week**, **Harmony Day** and **NAIDOC Week** as part of our wellbeing.

The Year 7s once again worked with the **Unleashing Personal Potential (UPP)** organisation, where they were empowered to forge stronger connections with peers through wellbeing and leadership.

Our girls continued with **The Sacred Sister Project**, which supports them with their transition into Senior School, providing strategies to deal with relationships and mixed emotions.

Year 8 students delved deeper into the concept of respectful relationships, focusing on conflict resolution and leadership skills.

Our Year 9s investigated the scientific basis of mindfulness and the diverse ways they might engage in these, and held discussions about the influence of media on body image.

They expanded on their Year 8 work around respectful relationships, to explore the significance of establishing and enforcing personal boundaries.

Year 10 students spent some time building their study skills, and looked towards future career pathways, based on their interests and strengths via the Careers Department online platform.

They also prepared for their Social with dance lessons and discussed healthy lifestyle habits.

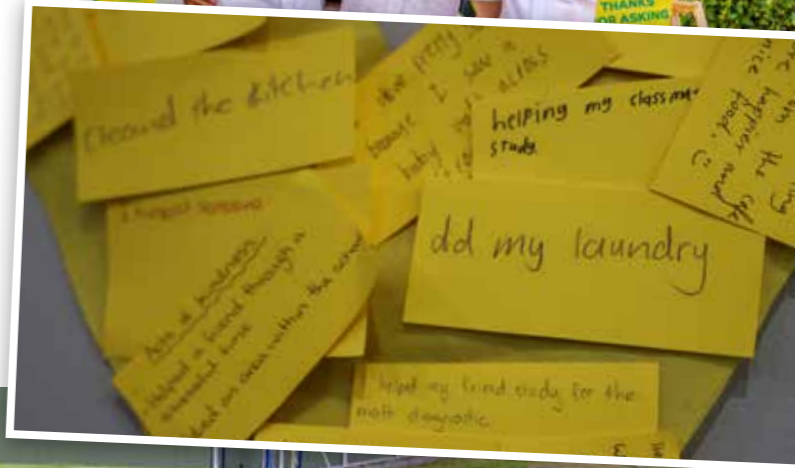

The **RACQ Distracted Driver Program** taught our Year 11s how to keep safe as young drivers.

And they were given an opportunity through our **Campus Connections Program** to collect anecdotes for their Year 12 leadership applications, with May's Leadership Day a big highlight.

In our **World Ready Futures Expo**, careers explorations and ATAR or Apprenticeship sessions, the Year 12s prepared for study and/or work after school.

This year, we also introduced Year 12 life skills lessons such as car maintenance, cooking, etiquette, budgeting, taxation and investing, as well as professional communication skills.

On **Reflection Day** hosted by the Marian Valley Shrine Of Our Lady, they deepened connections to themselves, each other and to their families, while thinking back on their schooling journey.

Community Service: Orange Sky Australia - The Sudsy Challenge Fundraiser

There's nothing like some healthy inter-house or inter-campus competition when it's all for a great cause.

That cause was Orange Sky Australia's annual The Sudsy Challenge - raising much-needed funds and awareness for their free mobile laundry and shower services, partnered with friendly conversation for the homeless.

Orange Sky has provided Australians doing it tough with 1.9 million kilograms of free laundry, 20,000 showers and 330,000 hours of genuine non-judgmental conversation across 36 locations - all boosted by their The Sudsy Challenge campaign.

So at the end of Term 3, our staff and students traded their uniforms for bright orange Sudsy shirts purchased online, and got sponsored to wear these shirts for three days straight, to spark conversations, raise awareness and fundraise for those facing homeless hardships.

Named after the first laundry van 'Sudsy' - built by Orange Sky co-founders Nic and Lucas here in Brisbane, this three-day challenge mirrors the three days and three sets of washing machines and dryers it took to get Sudsy running.

On Friday 28 July, we hosted a Sausage Sizzle BBQ morning tea with four queues of hungry Prep - Year 2 students, waiting at what they described as the 'length of 1,000 sausages' per line.

Then it was our Years 3-6 students' turn at lunchtime for their own Sudsy Challenge Sausage Sizzle BBQ with our Years 5-6 Student Leaders serving their hungry classmates.

Finally, it was Kime House's turn in the Secondary School with their lunchtime BBQ to complete the fundraising trifecta in the Performing Arts Amphitheatre.

Some of our Junior and Secondary students were even featured in a segment on Channel 9's *Today Show*, where they explained the huge effort Canterbury has achieved with Orange Sky Australia over the past three years.

Our College managed to raise a whopping \$34,210 - the highest total of any school or organisation as ranked on The Sudsy Challenge website leaderboard.

Community Service: Annual House Charities

Rosie's Christmas Movie & Karaoke Carols BBQ Fundraiser

On Monday 27 November, our incoming 2024 Student Leadership Team hosted our annual Christmas Movie & Karaoke Carols BBQ Fundraiser Night in the CEC.

Despite the late afternoon storm, our amazing families still came together in the true spirit of giving, ensuring our 'feel-good' event remained a success.

'Home Alone' was the chosen movie and guests enjoyed BBQ dinner, popcorn, lolly bags and soft drinks.

The onstage Christmas Karaoke Carols were fun, but nobody is quitting their day job just yet to pursue a singing career.

More importantly, the night was about supporting two charities that we've worked with closely over the last few years...

Orange Sky Australia provides mobile van laundry and shower services for homeless people at 36 locations around the country, along with some genuine, non-judgmental conversation.

We raised funds on their behalf at this event via gold coin entry donations, plus food and drink sales.

Rosies: Friends On The Street is an organisation that offers friendship and unconditional acceptance to those who are homeless, at risk of homelessness, or experiencing social isolation.

So each College House family brought different household items to donate to the Rosies Appeal.

These were placed under the relevant House Christmas Tree inside the CEC and included things like torches, hats, non-perishable treats, backpacks, toiletries, drink bottles, blankets and more.

Thank you to everyone who participated, donated, and shared in the festive joy.

Rosie's Beenleigh Student Outreach

Throughout 2023, Secondary School students Sienna, Emerson, Ava and Bridie teamed up in Beenleigh, where they joined the Rosies: Friends On The Street night crew.

Our supervised students helped prepare and serve food, distributed blankets and sanitary items, and conversed with the community's homeless, at-risk and socially isolated locals.

INTERNATIONAL WOMEN'S DAY
MARCH 8

Breakfast Fundraiser

A warm thank you to the 82 paying guests who attended our 2023 International Women's Day Breakfast Fundraiser on Wednesday morning 8 March in the Canterbury Functions Centre.

Our attendees enjoyed gourmet food, coffee, tea and juices while hearing from two engaging guest speakers - Ms Jen Buchanan from Future Anything and Ms Stacey Ross - CEO of The Centre For Women & Co.

Event ticket and raffle proceeds supported The Centre For Women & Co. - a not-for-profit agency that educates, supports and empowers women and their families across the Redlands and Logan region around health, holistic wellbeing, financial education and intimate partner relationships.

Future Anything programs encourage young people to embark on their own journey of self-discovery; using entrepreneurship as a vehicle to empower them with the knowledge, skills, support and partnerships required to develop innovative ideas that solve problems.

Student Pizza Lunch

IWD celebrations and fundraising continued with our Years 5-12 students enjoying fresh oven-baked mediterranean chicken, ham & cheese, or margherita pizzas with spider sodas for lunch.

Thanks for supporting The Centre For Women & Co. during this global campaign day through your delicious food and drink Canteen purchases.

'Women Supporting Women' Student Workshop

Our Years 11-12 female Prefects and Captains attended the 'Women Supporting Women' student workshop run by Ms Jen Buchanan from Future Anything after the IWD Breakfast.

They discussed good leadership traits, how to avoid being a bad leader, and identified the qualities and values around what it means to be a Canterbury leader and more.

Here are the outcome 'pledges' that arose from this engaging session:

Year 11 Leaders: We will try our best and strive towards inclusivity, while still remaining humble.

As leaders, we will honestly communicate with our peers to enable perspectives to be heard and equitable change to happen.

Year 12 Prefects: We aim to be passionate leaders that strive to achieve inclusivity through humility and honest communication.

Annual Pink Ribbon Breast Cancer High Tea Fundraiser

This annual fundraiser was a lovely way to raise awareness and money for the Australian Cancer Council's popular Pink Ribbon campaign, and was held on Wednesday 8 November in the Canterbury Functions Centre.

Donations were made, raffles were drawn, and a powerful and touching story was delivered by our own Ms Jen Hudson from the Business & Finance team, about her fight with breast cancer.

Special thanks to our 72 paying guests, and the Years 10-11 Hospitality students who handled all the cooking and catering for this event, under the expert guidance of Mrs Holly Westphal and Mrs Michelle Rowbotham.

Joint House Spirit Breakfasts

These early year breakfasts are an ideal opportunity for our students, and their parents, carers and staff, to bond with one another, while showing our Year 6 students the Secondary School House Form System.

Student Leaders from each House welcomed families onto campus and spoke about the many House activities (and the House spirit involved) coming across 2023.

- Becket & Goldsworthy** | Thursday 16 February
- Cranmer & Kime** | Friday 17 February
- Ramsey & Temple** | Thursday 23 February

Cancer Council Biggest Morning Tea Bake Sale Fundraiser

Canterbury's Functions Centre was bustling with staff and students getting their hands on some tasty student-baked treats at our Australia's Biggest Morning Tea Bake Sale on Thursday 25 May.

This yearly nationwide fundraiser is an excellent initiative aimed at raising much-needed donations for Cancer Council Australia. Our Years 10-12 Hospitality students and staff - including Mrs Holly Westphal and Mrs Michelle Rowbotham, ensured the big sale operated seamlessly (and tastefully).

Harmony Day

To honour international Harmony Day on Tuesday 21 March, our Secondary House Form classes marked their family's physical and cultural origins on a world map.

It formed part of Harmony Week (Monday 20 – Sunday 26 March) to acknowledge our College's diversity, bring students together from different backgrounds, and unify behind the 2023 theme: Everyone Belongs.

Inclusive actions, mutual respect, camaraderie, and wearing a splash of orange was how we showed support and participated throughout this harmonious week.

R U OK? Day

During the lunch break and House Assembly time on Thursday 14 September, our joint Sudsy Challenge Fundraiser and R U OK? Day Mental Health Awareness Kime House Festival was held, becoming a huge hit amongst our Secondary students at the P Block pergola.

Those Kime Tigers hosted a BBQ with ice cream, soft drinks, music and raffles; sold \$5 book bundles; organised oval sports like cricket, dodgeball, touch footy and bocce; plus fun laundry-themed games (Shirt Folding Race, Fastest Clothesline Hanger, Quickest Clothes Dresser) to keep guests entertained.

Community Of Kindness

Canterbury's own 2023 theme: 'Community Of Kindness', aimed to strengthen our College's sense of togetherness and helpfulness, while enhancing our environment to make it happier for everyone.

Students posted sticky notes on the rear CEC wall describing all the numerous kind acts they performed throughout the year, to form the letters of our giant public banner of pure goodwill.

The Gratitude Project

This collaboration between our Junior and Secondary students was designed to enhance emotional wellbeing through positive bonding and mentoring activities.

Mixed year level groups were given campus Scavenger Hunt lists to find, compelling them to stop and think about the many different things, people and places to be grateful for around our school.

Year 7 UPP: Unleashing Personal Potential Incursion

On Friday 28 April, our Year 7s experienced a jam-packed Wellbeing Day in our CEC.

The event was run by the Unleashing Personal Potential agency, and entailed activities designed to help students communicate with each other and show initiative in challenging circumstances.

Our young attendees were forced out of their 'comfort zone' and required to use problem-solving skills to learn, mature and connect better.

One activity saw students verbally guide blindfolded partners to guess shapes and letters.

They then tried to draw these shapes or letters in the air with their fingers, like 'reverse charades'.

Junior School Clean Up Australia Day

Sunday 5 March was Clean Up Australia Day, so our Year 6 Eco Warriors organised a supervised cohort-wide Friday clean sweep of the Junior School Campus, collecting rubbish from the gardens.

Beenleigh Big Box Sleepout Homelessness Awareness

On Saturday 27 May, community-minded Secondary students: Lilly Rider, Rhylee Jackson, Tayla Budd, Morgan Watt, Ben Stanley, Connor Smith-Miller, Ashutosh Vaitha, Amelia Periaho and Maddy Mills attended the Junior Quota Beenleigh annual 'The Big Box Sleepout' to raise money for local homeless youth.

Held on the Beenleigh Tennis Centre courts, this eye-opening night of 'rough sleeping', was a 'real world' chance for our students to see what life was like for teens doing it tough on the streets.

Junior Quota youth are mentored by senior Quotarians who call this their Training For Life project.

All funds raised went towards youth programs centred around the Beenleigh and Logan areas.

Performing Arts

Canterbury's Performing Arts continued to offer an extensive studio and performance program.

Kindy - Year 12 students were actively involved in developing their talents and interests in a wide variety of ensembles and studio lessons across music, dance and drama.

These activities and performances included:

- QCCC Brookfield Annual Music Rehearsal Camp: For Cantabile, Sinfonia and Symphonic Band
- Winter Music Festival: Semester 1 and Spring Music Festival: Semester 2
- Studio Recitals: Featuring individual, paired and group music, dance and drama students
- Soloists Evening Recital: Starring musicians selected from adjudicated auditions
- Music @ Customs House Concert: With talented soloists, Chamber Music School, Ritornello and Cantabile
- Canterbury Dance Spectacular: Showcasing all 12 dance ensembles
- Drama Production *The Scene Project*: Featuring Canterbury Theatre Company
- Eisteddfods and Competitions: Gold Coast, Logan, Beenleigh, Redlands and Brisbane
- Loud Lunches and Brekkie Busker campus performances for the College community.
- **College Events:**
 - Foundation Day and Easter Chapel Services
 - ANZAC Day and Remembrance Day College Services
 - St John's Anglican Cathedral City Service
 - Term Opening and Closing Chapel Services
 - Fr Dan Talbot College Chaplain Commissioning Service
 - Secondary School and Junior School Assemblies

- Student Leaders Investiture Ceremonies
- Grandparents Day and Mother's Day Breakfast
- Year 12 Graduation Ceremony
- Junior School Speech Day and Secondary School Speech Night
- Pink Ribbon Breast Cancer High Tea and International Women's Day Breakfast.

Music Festivals

Winter & Spring Music Festivals

In Semesters 1 and 2, our music ensembles united to perform in five concerts for each of our Winter and Spring Music Festivals.

Celebrating all their rehearsal practise, our Years 2-12 musicians gave a variety of entertaining performances to appreciative audiences in the Performing Arts Theatre and CEC.

2023's Performing Arts Ensemble Shields were also awarded at the Spring Music Festival.

Each festival included these concerts:

- **Symphonic Splendour:** Featuring Ritornello, Sinfonia, Big Band, Wind Ensemble, Symphonic Band and the Chamber Music School.
- **Heavenly Voices:** Featuring Trio Bellissimo, Bella Voce, Taipan Tenors, Cantabile and the Chamber Music School.
- **Friday Night Rocks:** Featuring our Rock School's Junior School Guitar Ensemble, Secondary School Guitar Ensemble, Guitar Trio, Acoustic Girls Band and the Rock Bands - Simon Says, Breaking News, Inseption and Second Wave.
- **Kaleidoscope:** Featuring the Year 3 Strings Immersion Program, All Star Strings, Allegro Strings and Junior Singers.
- **Panorama:** Featuring the Year 5 Band Immersion Program, Beginner Band, Bravura Strings and Junior School Choir.

Music Fest

Music Fest is a yearly event that offers Primary and Secondary students across South-East Queensland the opportunity to showcase their ensembles in a concert environment while being professionally adjudicated.

They are rated across criterion ranging from musicianship to presentation, plus Concert Bands and Strings Orchestras perform a graded set work.

Canterbury's ensembles performed exceptionally well and were awarded as follows:

Ritornello

Secondary A Grade Strings | Platinum Award

Sinfonia

Secondary A Grade Strings | Platinum Award

Symphonic Band

Secondary B Grade Concert Band | Silver Award

Junior Singers

Primary School Choir | Gold Award

Junior Choir

Primary School Choir | Gold Award

Bravura Strings

Primary A Grade Strings | Gold Award

State and National Honours Ensemble Program

The State Honours Ensemble Program is an educational course for students that helps extend and encourage their pursuit of musical excellence.

It caters for Primary and Secondary students in choirs, bands and orchestras over five events.

Canterbury nominated students and was well represented at the Brisbane and State programs, that culminated in performances at the Conservatorium Theatre.

The Australian Honours Ensemble Program runs concurrently and student selection is via audition.

Congratulations to the students who were accepted to this program and represented Canterbury.

Percussion Company

Front Row: Finley Sykes, Jasmine Wheatley, Maya Lee, Jahzara Robertson, Mikael Sandanayake
Second Row: Berto Pham, Connor Smith-Miller, Benjamin Stanley
Absent: Ms Grace King

Chamber Music School

Canterbury's Chamber Music School has gone from strength to strength, with our young musicians consistently being recognised on regional, state, national and international stages.

With my appointment as an Honorary Lecturer at UQ, Canterbury now has a new collaborative music partner, and I thank them for recognising my work in the field of youth chamber music.

Our Chamber Music School ensembles enjoyed on-campus performances at Canterbury's five-concert Winter Music Festival in Semester One and Spring Music Festival in Semester Two.

Trio Bellissimo attended a chamber music workshop at Coomera's St Stephen's College, led by Mr Tim Li, Mr David Dalseno and Mr Sam Konise over a busy mid-year school holidays.

Then directly after the Australian Chamber Orchestra Academy in Sydney, Trio Bellissimo travelled to Melbourne where they attended a four-day Monash University Residency, working with the Music Faculty's Mr Blair Harris (cello) and Dr Tomoe Kawabata (piano), and performed in the masterclass of Ms Louise Hopkins - Head of Strings at the Guildhall School of Music and Drama.

They were also invited by Musica Viva Australia to present the Audience Prize at the Grand Finals of the Melbourne International Chamber Music Competition at the Melbourne Recital Centre.

Within two weeks of returning to Brisbane, Trio Bellissimo were invited by the Queensland Youth Orchestras to perform at their Open Day at the Old Museum.

Year 9 student Isabella Oxenbridge had the opportunity to perform in the masterclass of Australia's pre-eminent concert pianist, Mr Piers Lane (AO), back in May at the ABC Studios in South Bank.

Upon hearing her play, Piers invited Bella to perform at the 2023 Sydney International Piano Competition Australian Showcase, featuring rising stars from around Australia.

At the end of August, Canterbury students Rylan Baird (double bass), Luka Roberts (trumpet), Haydn Li (first violin) and George Li (cello), performed over at QPAC as part of the Queensland Youth Symphony's (QYS) 3rd concert of the 2023 season.

QYS is widely recognised as a world-class youth orchestra and is the flagship ensemble of the Queensland Youth Orchestras (QYO).

So we are extremely proud to have four Canterbury students currently playing in the QYS, and at 12 years old, George Li is now the youngest player in the QYS.

Canterbury's chamber music ensembles, and external ensembles with our students, were again successful at the Gold Coast Eisteddfod and inaugural Redlands Youth Chamber Music Festival.

These were held in August alongside the Music Showcase at Customs House in Brisbane, which featured the Senior String Quartet, Volante Trio and Trio Bellissimo.

Our chamber musicians performed for many College events too, including the ANZAC Day and Remembrance Day College Services and major Year 12 Graduation Ceremony.

Mr Tim Li
 Coordinator of Piano and Chamber Music

Trio/Quartet/Quintet: Instrumental – Open (Any Age)

2nd Prize: The IncrediBows – Haydn Li, George Li with external students

Li Brothers Excel

Year 10 student Haydn Li made his concerto debut in the Redlands Sinfonia's 2023 season finale at the Redlands Performing Arts Centre, conducted by Dr Graeme Denniss.

Haydn performed as a violin and viola soloist, and is the first ever viola soloist to be invited to perform with the orchestra in its 37-year history.

Haydn also led the Redlands Sinfonia as their youngest ever Concertmaster at 15 years old.

One week after winning 2nd Prize at the Australian Strings Association Queensland Concerto Competition in July, Haydn Li was named Recitalist in the 48th John Curro National Youth Concerto Competition (JCNYCC) for the second year running.

The JCNYCC is the most prestigious competition in Australia for string soloists aged up to 18.

Haydn was given a series of five solo viola recitals around Brisbane during the first week of October, as part of the JCNYCC Finals Week, and then joined the QYS on the violin for the String Sensations Concert on the stages of the Old Museum on Sunday 8 October.

Back in the mid-year holidays, Year 7 student George Li and his older brother Haydn Li travelled to Sydney to attend the Australian Chamber Orchestra Academy.

Led by ACO violinist Aiko Goto, the ACO Academy is an inspirational week of intensive workshops with ACO mentors, for top-level secondary school string students from across Australia.

It culminates in a chamber music concert and a public chamber orchestra performance.

Our two students were the only Queenslanders offered a place via the rigorous audition process.

Dance Ensembles

Canterbury's vibrant dance culture continued to grow and thrive in 2023 covering all age brackets.

From the spirited routines of our ELC - Prep Little Groovers, to the dynamic performances of our Years 10-12 Canterbury Dance Company, each ensemble created a special on-stage presence.

The dancers' passion and skills were on public display at BPAC, DanceLife Unite, Dance X and the Gold Coast Eisteddfods.

The expansion of BoyZone injected power and excitement to the program, as well as the addition of another Hip Hop dance crew and Canterbury Dance Troupe for Years 7-12.

As the big year culminated in the annual Canterbury Dance Spectacular, the collective energy from all 12 ensembles came together for an unforgettable night of performances.

This year, I especially enjoyed taking our Year 8 Dance students for a 'dance creation analysis' excursion to the QPAC Playhouse at Southbank, for the captivatingly choreographed 'Yuldea' performance by the Bangarra Dance Theatre in early September.

Another great project was our Year 11 Dancers, who created their own original hip hop routine for their performance assessment, in response to 'Bullying No Way' Day.

The purpose of their completed dance was to empower all students to stand strong together and speak up against bullying.

Term 4 is always exciting with the Southern Federation of Dance Exams in the Dance Studio for our Junior and Secondary future dance stars.

We offered additional Dance Technique Classes in Terms 2-4 for students wanting to participate, so they could learn the syllabus - consisting of a series of technique exercises and a dance.

It was wonderful to finish 2023 with the Years 1-12 Canterbury Dance End-Of-Year Party in the Arts Centre Amphitheatre and Dance Studio with awards, delicious food and drinks, plus some terrific dance moves.

And finally, as always, special thanks to all the parents, carers, staff and their family and friends who supported our dancers all the way.

Mrs Cathy Brown
Coordinator of Dance

Second Row: Mrs Cathy Brown, Ashley Dyer, Emerson Manning, Lara Mead, Morgan Thomson, Phoebe Dyer

Canterbury Dance Spectacular

On Friday 1 September, we held our annual Canterbury Dance Spectacular at the CEC, combined with our popular Father's Day BBQ, under perfect spring evening skies.

And it was all 'glitz and glamour' as our 12 student dance groups performed, filling the stage with movement, colour and talent, across a wide variety of jazz, lyrical and contemporary styles.

Well done to everyone who made this large combined family event such a happy success.

Dance Groups: Little Groovers | Rise Dance Class | BoyZone | Shine Dance Company | Flame Dance Class | Ignite Dance Company | Blaze Crew | Canterbury Show Team | Canterbury Dance Troupe | Hip Hop Varsity | Hip Hop Squad | Canterbury Dance Company.

Rock School

2023 was a busy but successful year for the Canterbury Rock School.

The various ensembles saw record numbers of musicians and the groups performed at more events across the College than ever before.

The year started with our Music Camp which featured a rock school group for the first time.

Guitar Trio spent their time learning various aspects of music production, home recording and jumpstarting their song repertoire, which led to them performing at the first Assembly of the year.

This was an impressive achievement as this group had an all-new line-up for 2023.

Back on campus, our rock bands began the year with the 'Decades Project'.

They took on pieces from each decade starting with the 1950s moving through to the present day.

Students gained a real perspective of how contemporary music has evolved, as well as discovering new artists and genres.

It also provided a great foundation of material to start their song setlist for the big year ahead.

This song library was put to good use with the extremely popular Loud Lunch campus events.

This included performances from two completely new rock bands that have developed in on-stage confidence and musical skill over the course of the year.

Rock School completed their regular induction sessions as well as hosting masterclasses with guest artist Marty Hailey, an internationally renowned composer, producer and musician.

There were also instrument-specific masterclasses focusing on improving live sound production and getting the most out of your instrument when performing.

2023 saw the continuation of the Open Workshop Series, which offers all Canterbury Secondary School students, the chance to come and experience Rock School for themselves.

They attended in record numbers, with many looking to join Rock School bands on a permanent basis.

The Brekkie Buskers have been ever present around the College, continuing their Tuesday morning performance series at the Yalburru Community Café, but also performing at many College-wide events.

This includes Junior School morning tea breaks, the Mother's Day Breakfast, Pink Ribbon Cancer Council High Tea Fundraiser, Year 12 Graduation Breakfast and the Creative Industries Showcase.

The Canterbury Winter and Spring Music Festivals' Friday Night Rocks concerts are the two showcase events for our Rock School, and this year they certainly didn't disappoint.

These 2.5-hour live free concerts consist of performances from all Rock School ensembles, with students ranging from 7-18 years-old.

The Arts Centre Amphitheatre is converted into a rock venue for the night with full-scale lighting and sound for a large and engaged audience of families, friends, students and staff.

Both events are professionally recorded so that footage can be submitted to the national RockFest Schools Competition.

This year, two of our rock bands reached the final four bands in the country, with 'Breaking News' being nominated for Best Junior Band and 'Second Wave' for Best Senior Band.

Rory Walker also won the RockFest national award for Music Futures.

Rock School also participated in major external events with 'Second Wave' competing in the 2023 Battle Of The Rock Bands interschool competition.

They won Most Outstanding Band Of The Night, as well as two individual awards for Best Vocalist - Rory Walker, and Best Musician - Ashlyn Dinsdale.

Part of their prize included the opportunity for the band to play live at The Triffid venue in December in the showcase encore event.

2023 also saw the completion of the Canterbury Recording Studio's construction.

This project has been planned for some time, and now gives students access to a professional recording facility, that can be used for recording ensembles and soloists.

This will be used by musicians across Canterbury, allowing students to develop original music as well as recording professional audition material, and getting involved in learning the music production process.

Rock on!

Drama Report

In 2023, a group of talented Canterbury Theatre students took to the stage as part of the annual Queensland Theatre's *The Scene Project*.

This program aims to supply students with brand new contemporary scripts that are open to interpretation, giving students a broad canvas on which to create an original performance.

This year's script was 'A Thousand Points From Zero' - an intriguing piece by Brisbane author Steve Pirie, which explores a dystopian world where social media is the driving factor in how affluent and successful you were allowed to be in life.

Our Drama students connected with the key themes of the play, then worked for six months to bring their vision to life, re-working scenes and finding serious and humorous moments in their work.

The end result was a well-received 15-minute performance at the Bille Brown Theatre in South Brisbane in Term 2, and then an expanded 45-minute performance back home at Canterbury.

It was amazing to watch these young creatives push themselves and devise something so interesting and novel.

And in late October it was exciting to announce that in Term 2, 2024 **Mary Poppins Jr** would be flying into Canterbury as the Secondary School Musical.

So we spent Term 4 taking student registrations and organising speaking role auditions and non-speaking role casting for this large-scale 'supercalifragilisticexpialidocious' award-winning Broadway musical and Disney film.

Mr Matthew Kopelke
Coordinator of Drama

2023 Drama Queensland Committee Co-Opted Member: Mr Matthew Kopelke

Congratulations to our Creative Industries Teacher, Mr Matthew Kopelke, for his appointment to the 2023 Drama Queensland Committee as a co-opted member, specifically assisting in the professional development space.

Matthew assists Drama Queensland with streaming events, as well as organising and presenting key professional development opportunities.

Drama Queensland is the peak body for drama educators in this State, which works hard to provide meaningful professional development to early, middle and senior year teachers.

Matt will be a great asset as a member of this proud association.

Years 9 & 11 Drama Assessments: ELC Performances

On Monday 16 October, our Year 9 Drama students visited our Early Learning Centre, as part of their annual Children's Theatre Study Unit.

The students engaged in lively discussions with the ELC children, to prepare an upcoming live performance for them, as the 'inhouse audience' at the end of Term 4.

They talked about their entertainment preferences such as favourite movies, TV shows and books.

This insightful interaction enhanced their understanding of their young audience and strengthened the bonds within our Junior and Secondary School community.

Canterbury Theatre Company

Front Row: Solene Dyer, Constance Lao, Tiffany Tindall, Charli List, Arabella Carr, Jahnavi Thekkumal, Erin Dizon

Junior School: Sport & Activities Report

Canterbury Wins 2023 Junior TAS Track & Field Championships

In Term 3, our large Junior School Athletics squad competed in the annual Junior TAS Track & Field Championships at the Queensland Sport & Athletics Centre (QSAC) in Nathan, where we have come agonizingly close to Overall School Winner for the last few years.

The students trained hard and regularly to improve their fitness, strength and skills across the track and field events, and it all came together on the day.

Our young College team achieved remarkable success, triumphing in five age groups: 9 Years Boys, 10 Years Boys, 10 Years Girls, 12 Years Boys and 12 Years Girls.

We also secured 1st Place for Boys Overall and 2nd Place for Girls Overall - a superb result.

And when all age group and event placing points were finally tallied, Canterbury was rightfully crowned 2023 Aggregate School Champions.

Congratulations to all our students who competed on the day with special mentions to:

Jesse Pickvance-Hall: 9 Years Boys Age Champion + 2 JTAS Records - 800m & Discus

Mason Suckling: 10 Years Boys Age Champion

Trinity Francois: 10 Years Girls Age Champion + 1 JTAS Record - 100m

Nate Puhakainen: 3rd, 11 Years Boys Age Champion

Kadel Kypr: 12 Years Boys Age Champion

Lexie Bakos: 12 Years Girls Age Champion

Zarayah Williams: 2nd, 12 Years Girls Age Champion

Peter Flaherty: 12 Years Boys Multi-Class Age Champion

A big thanks to the amazing coaching team of Mrs Brooke King, Coach Lachlan, Coach Jade, Coach Racheal, Coach Hayden, Coach Camryn and Coach Connor for the awesome work training the team and getting them ready for competition.

Junior Sportsperson of the Year and Junior Sportsmanship Awards

The Junior Sportsperson of the Year and Junior Sportsmanship Awards are the two most prestigious of the Junior School Sports Program.

2023 Junior Sportsperson of the Year Award: Lexie Bakos, Emma Blackman (Joint Winners)

2023 Junior Sportsmanship Award: Kyle Budd

Junior TAS Sports Team Captains

Leadership in most Junior TAS Sports is a shared responsibility.

But for the JTAS Swimming, Cross Country and Athletics Championships, team captains are selected.

Our 2023 Junior TAS Captains demonstrated excellent leadership, motivational and supportive skills with their teams, and are commended for the way they carried out their roles as fine Canterbury ambassadors.

2023 Junior TAS Sports Captains

Swimming: Ruby Fay (Year 6) and Callum Jenkins (Year 6)

Cross Country: Emma Blackman (Year 6) and Kyle Budd (Year 6)

Athletics: Lexie Bakos (Year 6) and Kadel Kypr (Year 6)

Junior TAS Championships

Term 1: Junior TAS Swimming

Canterbury's Junior TAS Swimming Squad enjoyed an excellent season with high student training attendance, and the electric Taipans group spirit, as we prepared for the annual interschool competition at Chandler's Brisbane Aquatic Centre on Tuesday 14 March.

Our College's Junior and Secondary swimming teams all joined forces and gave their best, with our students and their parents and carers seeming to cheer the loudest.

Our 12 Years Girls Team dominated, securing their Age Championship, while Canterbury's full Girls Team placed 3rd and the full Boys Team placed 5th.

So overall, Canterbury College finished in 5th place.

Congratulations to all who swam and a special mention to Coach Yufen 'Crystal' Cao for all her preparation work in the lead-up to this major event.

We are excited about the 2024 season ahead – especially with our younger students, who are showing great promise, developing their swimming stroke skills, and becoming race ready.

JTAS Swimming Team

Front Row: Lewis Musk, Daniel Jenkins, Duke Mottlee, Keenan Ries, Lily Prewett, Pegella Beh, Brody Huckin, Heidi Lintott, Vienna Lee

Second Row: Mrs Yufen Cao, Hayley Lim, Nate Puhakainen, Scarlotte Garnham, Lelia Dong, Sophia Burton, Patrick Marr, Amity Keerie

Third Row: Austin Musk, Rael Jung, Cooper Lane, Caden Taylor, Kadel Kypr, Arthur Swan, Kyle Budd

Fourth Row: Callum Jenkins, Lexie Bakos, Ruby Fay, Isabella Westphal, Georgia Westphal, Hannah Kelmanson, Zara Sell

Absent: Leo Christie, Alayna Thomas

Selected Junior School students represented the College with pride and distinction, producing excellent team and individual results across Swimming, Cross Country and Track & Field.

Individual Junior TAS Age Champions

Ruby Fay: 12 Years Girls Age Champion

Vienna Lee: 9 Years Girls Age Champion

Junior Team Of The Year: Year 6 Girls

Ruby Fay, Isabella Westphal, Hannah Kelmanson, Lexie Bakos

Junior Swimmer Of The Year

Girls: Ruby Fay (Year 6)

Boys: Callum Jenkins (Year 6)

Taipans Junior Swimming Spirit Awards

Girls: Vienna Lee (Year 4)

Boys: Kyle Budd (Year 6)

Junior TAS Swimming School Ranking: 5th Overall

Term 2: Junior TAS Cross Country

Canterbury's highly motivated 80-strong Junior TAS Cross Country Squad proudly represented the College, receiving the biggest cheers from Mr Ben Maxfield, Mr Josh Afu, and our army of parents.

The students worked hard at training on their fitness, as we built upon their cross country tactical race knowledge with our band of coaches, superbly led by Mrs Brooke King.

They were there to help tie shoes, give last words of encouragement, and remind our runners to have fun covering John Paul College's Daisy Hill campus course on Wednesday 17 May.

Canterbury has been consistent over the past four years in the Junior School, placing 2nd Overall, and 2023 was no different.

Thank you for another fantastic year at shaping and developing our Junior superstars, who all competed to their best abilities and are improving with every race.

Junior TAS Age Category Top 3 Placings

9 Years Boys: 2nd Place

10 Years Girls: 2nd Place

11 Years Boys: 3rd Place

11 Years Girls: 3rd Place

Junior Open Girls: 2nd Place

Junior Cross Country Runner Of The Year

Girls: Emma Blackman (Year 6)

Boys: Patrick Marr (Year 5)

Taipans Junior Cross Country Spirit Awards

Girls: Amelia Webb (Year 4)

Boys: Tate Huth (Year 3)

Junior TAS Cross Country School Ranking: 2nd Overall

Canterbury College Girls Cross Country Squad: 2nd Overall

JTAS Cross Country Team

Front Row: Maddison Kelly, Vienna Lee, Georgia Warmus, Hugh Choi, Ezra Bosen, Luca Besnard, Hirshita Malik, Morgan Sonnex, William Harding, Keenan Ries, Amelia Webb, Natasha Jones, Halle Cantrell, Helena Sell, Leo Marr

Second Row: Mrs Brooke King, Owen Lahrs, Amelia Brink, Mason McNamara, Isabella Hropic, Dallas Taubman, Evie Tupila, Margaret Savage, Ivy Costello, Hayley Lim, Tate Huth, Cooper Pokoj, Oliver Buckley, Ryder Smith

Third Row: Lekith Sudhakaran, Patrick Marr, Nate Puhakainen, Peter Flaherty, Lelia Dong, Majik Epapara, Jaisimar Gill, Cash Evans, Jack Perry, Lily Prewett, Amelia-Rose White, Leila Dubiczki, Izabel Norcott, Sophia Burton

Absent: Elizabeth Barnes, Ayden Blinco, Lachlan Cole, Brayden Crooks, Eloise Douglas, Yulia Kovalev, Mihali Pavlou, Ava Tuhoro, Zane Zeneldin

Junior TAS Term 1 Sport

Term 3: Junior TAS Athletics

Our Junior School Athletics Squad were very excited to compete at the Junior TAS Track & Field Championships, where we have come agonisingly close to winning the top Overall School for the last few years.

The students worked extremely hard to improve their physical fitness and sporting skills across the various track and field events like sprinting, middle and long-distance running, high jump, long jump, triple jump, discus, shotput and javelin.

And it all came together on competition day on Friday 8 September at Nathan's Queensland Sport and Athletics Centre (QSAC).

Team Canterbury achieved remarkable success by triumphing in five age groups: 9 Years Boys, 10 Years Boys, 10 Years Girls, 12 Years Boys and 12 Years Girls.

We also secured 1st position for the Boys Overall Team and a commendable 2nd for the Girls Overall Team.

And when all the event points were tallied, Canterbury was rightfully crowned the Aggregate Champion School for 2023!

Big thanks to the amazing coaching team - Coach Brooke, Coach Lachlan, Coach Jade, Coach Racheal, Coach Hayden, Coach Camryn and Coach Connor, for the awesome work you have done with our team, and getting them ready for competition. Bring on 2024!

JTAS Athletics Team

Front Row: Ginger Taylor, Georgia Warmus, Amelia Webb, Ezra Bosen, Isabella Hropic, Summer Smith, Chilli Roberts, Peter Flaherty, Dallas Taubman, Hugh Choi, Natasha Jones, Amelia Brink, Vienna Lee

Second Row: Mrs Brooke King, Mason McNamara, Hayley Lim, Izabel Norcott, Nate Puhakainen, Maxime Masson, Salam Abiola, Amelia-Rose White, Sophia Burton, Patrick Marr, Leila Dubiczki, Tate Huth

Girls: Lexie Bakos (Year 6)

Boys: Kadel Kypr (Year 6)

Junior TAS Track & Field Athletics School Ranking: 1st Overall

Hockey

Canterbury celebrated numerous triumphs on the hockey fields in 2023.

Fielding two teams in the Junior TAS Competition, our athletic students showcased remarkable progress in offensive and defensive play, emphasising strong teamwork throughout the season.

Heartfelt appreciation goes to our dedicated hockey coaches and managers Mrs Melissa Coutts, Miss Jordan Grant and Mr Benedict Spearritt, for their commitment and contributions.

Team Spirit Awards

Year 3/4	Freyah Holland
Year 5/6 Division 1	Lexie Bakos

Most Valuable Player Awards

Somya Bhatt, Mckynlee Franklin, Kavin Velu, Lexie Bakos, Riley Berryman, Tameika Keerie, Hudson Holland

Absent: Miss Jordan Grant, Elizabeth Barnes, Michael Kotykhov

Cricket

Junior TAS Cricket saw strong representation from our students with four teams playing in 2023.

Our players demonstrated notable improvements in their batting, bowling, fielding and teamwork, engaging in competitive matches during Term 1.

Special acknowledgment goes to the parents, carers and spectators, whose consistent support - including Saturday morning scoring duties - enhanced the experience for all young cricketers.

The success of this program would not have been possible without the dedicated coaching provided by Mr Ben Woolacott, Mr Dhyan Patel, Mr Warren Musk and Mr Rob Ashford.

Team Spirit Awards

Year 3/4 Navy	Mason McNamara
Year 3/4 Red	Keenan Ries
Year 5/6 Division 2	Emma Blackman
Year 5/6 Division 1	Kyle Budd

Junior TAS Term 2 Sport

Netball

We proudly fielded six Junior TAS Netball teams in 2023, with each team demonstrating noticeable growth in their fitness, skill levels and game understanding, evident in their match performances.

We extend our appreciation to all parents, carers and spectators who attended games and assisted with scoring duties.

This year's Junior netball coaching staff also deserve recognition for their commitment, advice and support of their young players: Mrs Holly Westphal, Mrs Suellen Fawkes, Mrs Kelsey Carton, Miss Lori Barron, Mr Benedict Spearritt and Mr Aidan Smyth.

Team Spirit Awards

Year 3/4 Navy	Imogen Kitchiner

Absent: Miss Kelsey Carton

Sport Development Programs

The popularity of our Prep to Year 3 Sport Development Programs continues to soar.

These programs are designed to nurture a passion for sports, while fostering essential physical coordination and fitness, within a safe and supportive setting.

It also facilitates a seamless transition for students into Junior TAS Sport in their coming years.

Our youngest students engaged in extracurricular activities such as Woolworths Cricket Blast, 1st Fives Rugby, Mini Kickers (Football / Soccer), AFL Auskick and Chess.

Each program enhanced students' related sporting skills and the social values of participation and team-based enjoyment.

Sport Development Program	Participants
Woolworths Cricket Blast	83
1st Fives Rugby	22
Mini Kickers Football / Soccer (Prep - Year 3)	36
AFL Auskick	104
Chess (Prep - Year 1)	19
Chess (Year 2 - Year 6)	40
Total Participants	304

Junior TAS Touch Football Carnival

Our 11 teams of Years 3-6 students enjoyed the opportunity to participate in the Junior TAS Touch Football Carnival, held on Saturday 21 October and Saturday 28 October, over at Ormiston College.

The event featured exciting matches and allowed students to display their fitness, skills and teamwork in a fun yet competitive environment.

The carnival emphasised the importance of physical activity and sportsmanship, making it a memorable experience for all involved.

The coaching staff comprising Mr Daniel Ayres, Mr Lachlan Walker, Mr John Stanley, Mr Jimmy Neilan, Mr Elijah Walters, Mr Michael Brown, Miss Georgia Grimsey, Miss Miah Ward, Mrs Melissa Coutts, Mr Paul Brown and Miss Alys Miller, played a pivotal role in guiding and mentoring the teams.

Rugby

This year's Junior TAS Rugby season ignited enthusiasm and anticipation as Canterbury entered three teams into the competition.

Demonstrating strong sportsmanship, all students were dedicated to giving their best performance for their respective teams, including commitment to training and spirited on-field match displays.

We extend our sincere gratitude to the coaching staff and managers, including Mr Michael Brown, Mr Keegan Donoghue, Mr Kaden Arnold, Mr Paul Tuitahi and Mr Lachlan Walker, for their invaluable time and efforts dedicated to Canterbury's Junior Rugby Program.

Team Spirit Awards

Year 3/4	Ava Tuhoro

Front Row: D'Arcy Shaw, Jack Perry, Kyle Budd, Kavin Velu, Majik Epapara, Cash Evans

Second Row: Tameika Keerie, Riley Berryman, Kadel Kypr, Revin Ngendakuriyo, Angus Whybrow

Third Row: Mr Michael Brown, Sienna Morgan, Lexie Bakos, Callum Jenkins, Hannah Kelmanson

Absent: Hunter Pukallus

Junior TAS Term 3 Sport

Basketball

Canterbury was represented by six basketball teams in the Junior TAS Basketball competition.

Witnessing notable growth throughout the season, all teams honed their basketball skills and deepened their understanding of gameplay, setting a strong foundation for future seasons.

We extend our gratitude to parents, carers and spectators for supporting the players and assisting with scoring duties.

Year 5/6 Div 1 Boys Basketball

Football (Soccer)

In 2023, Canterbury proudly participated with nine Junior TAS Football teams.

And our teams were admirably led by a dedicated coaching team consisting of Mr Ben Woolacott, Mr Warren Musk, Mr John Stanley, Mr Andrew Powell, Mr Dhyhan Patel, Mr Aidan Smyth, Miss Grace Gaudin and Mrs Melissa Coutts.

Players engaged in training drills aimed at enhancing individual skills and game understanding.

Their collective efforts during rigorous weekly training sessions translated into improved match performances as the season progressed.

Junior TAS Term 4 Sport

AFL

Our AFL participation remained strong, boasting four teams in the Junior TAS AFL competition, which actually marked the inaugural official fixture being hosted at Canterbury.

Guided by coaches Mr Michael Bowden, Mrs Therese Higgins, Mr James Buckley, Mr Michael Holland and Miss Ella Furlong, students worked on growing skills, teamwork and positional play.

Throughout matches, our players showcased commendable sportsmanship, reflecting positively on the Canterbury community.

Girls AFL

Front Row: Natasha Jones, Isla Rickard, Ottelia Faggotter, Ashley Anderson, Chilli Roberts, Isabella Hropic

Tennis

Canterbury proudly assembled four Junior TAS Tennis teams in the 2023 competition.

Under the expert coaching of Mr Drew Parker, students grabbed the opportunity to showcase their skills and learnings during singles and doubles matches, over five weekends in Term 4.

This season saw remarkable improvement across all teams – a testament to their dedication and positive attitude towards training, and the impact of our professional campus tennis facility.

Special thanks to Mr Drew Parker, Mr Warren Musk, Ms Liudmyla Kovalev and Mrs Emma Barnes for their coaching commitment and support throughout the tennis season.

Junior School: Interhouse Sport

Years 3-6 Swimming Carnival

Congratulations to the Cranmer House Wolves on being crowned the 2023 Junior School Interhouse Swimming Carnival Champions on Friday 6 October up at our Aquatic Centre.

The warm weather suited the day which was a resounding success, featuring the regular swimming stroke races and relays, plus some novelty pool events.

Age Group	Boys Age Champion	Girls Age Champion
8 Years	Keenan Ries	Mariana Marouk
9 Years	Noah Nanai Williams	Vienna Lee
10 Years	Brody Huckin	Lelia Dong
11 Years	Callum Jenkins	Lily Prewett
12 Years	Kyle Budd	Ruby Fay

House Positions: 1st - Cranmer, 2nd - Becket, 3rd - Ramsey, 4th - Goldsworthy, 5th - Temple, 6th - Kime

Junior School Cross Country Carnival

Our ELC to Year 6 students all united to compete in the 2023 Junior School Interhouse Cross Country Carnival, racing along our campus track on Thursday morning 20 April.

Runners gave their best efforts to earn crucial points for their Houses, while also showing true House spirit, by cheering on their teammates from the sidelines when not racing.

Cranmer House emerged victorious, claiming the title of Interhouse Cross Country Champions.

Age Group	Boys Age Champion	Girls Age Champion
7 Years	Leo Marr	Helena Sell
8 Years	Ryder Smith	Georgia Warmus
9 Years	Tate Huth	Leila Dubiczki
10 Years	Patrick Marr	Amelia Webb
11 Years	Benjamin Crane	Lily Prewett
12 Years	Kadel Kypr	Emma Blackman

House Positions: 1st - Cranmer, 2nd - Ramsey, 3rd - Goldsworthy, 4th - Kime, 5th - Temple, 6th - Becket

ELC-Year 2 & Years 3-6 Athletics Carnivals

We hosted two Track & Field Carnivals - one for students in the ELC to Year 2 on Wednesday 16 August, and another for those in Years 3-6 on Friday 26 May - both at our Athletics Track Oval.

And both proved successful, with Cranmer House emerging as the Years 3-6 Carnival Champions.

Each day featured spirited competition and a wide variety of field events, with students exhibiting exemplary behaviour, while giving their all.

Our young ELC - Year 2 students eagerly rotated through the activity stations which included: Sprint Races, High Jump, Sack Races, Three-Legged Races, Shot Put, Discus, Obstacle Course, Vortex Throw, Parachute Runs, Tunnel Ball, Egg & Spoon Races, Bean Bag Toss, Animal Relays, Hurdles & Ladder Races and the popular Dodge Ball.

The older Junior School students competed across: Sprint, Middle-Distance and Long-Distance Races; Relay Races; High Jump, Long Jump and Triple Jump; Discus; Javelin and Shot Put.

It was great to see so many happy parents and carers attending the school to watch their children participate - so thank you for coming along.

Congratulations to our individual Age Champions at the Years 3-6 Athletics Carnival.

Age Group	Boys Age Champion	Girls Age Champion
8 Years	Ezrah Bosen	Emily Beer
9 Years	Dallas Taubman	Vienna Lee
10 Years	Mason Suckling	Trinity Francois
11 Years	Nate Puhakainen	Chilli Roberts
12 Years	Kadel Kypr	Lexie Bakos

House Positions: 1st - Cranmer, 2nd - Goldsworthy, 3rd - Becket, 4th - Ramsey, 5th - Temple, 6th - Kime

Second Row: Trinity Francois, Kadel Kypr, Lexie Bakos, Mason Suckling, Jaisimar Gill

Junior School: Thought Sports & Activities

Canterbury offers a wide range of 'Thought Sports' – various activity clubs where students can get involved in Debating, Public Speaking, Chess, eSports, Gaming, Arts & Crafts, Gardening, Entrepreneurship, and even building motorised Lego robots for Sumo Robot League battles.

And so our Junior Roboneers achieved significant growth in their scientific and engineering knowledge, technical skills, teamwork and interschool competition success detailed here.

Term 1: Taipans Sumo Roboneers

On Monday 6 March, the Junior School Taipans Sumo Roboneers headed to Hillcrest Christian College, for the first Sumo Robotics Scrimmage of the year.

The day was filled with enthusiasm, as our students showcased their commitment to learning and collaboration, working alongside peers from other schools, sharing knowledge and strategies.

The competition was fierce, with each team striving to knock their opponents' team-built and programmed motorised Lego robots out of the battle ring.

One of our Canterbury teams secured first place, as testament to their skills and perseverance.

Term 2: Taipans Sumo Roboneers

Our Junior Taipans Sumo Roboneers next competed in the Term 2 APS Sumo Robotics Competition on Wednesday 24 May, at St Stephen's College in Coomera on the Gold Coast.

This South-East League is growing fast with 34 teams and over 100 students competing, creating anticipation and nerves, as each school crew battled for a place in the Quarter Finals.

At the end of the regular rounds, the teams left standing in each of the four arenas played off for a place on the podium.

Five of our six Canterbury Roboneers teams made it into the Quarter Finals, with one team securing an admirable fourth place finish.

Term 3: Taipans Sumo Roboneers

Our Taipan Roboneers participated in another thrilling Sumo Robot Scrimmage on Wednesday 30 August at AB Paterson College in Arundel – a display of engineering prowess and sportsmanship.

Our students built their own battle-ready Lego Sumo Robots and showcased our school values, as they collaborated with other schools to learn and challenge each other.

Again, at the end of the preliminary rounds, the surviving participants from the four arenas competed for a spot on the podium, with our Canterbury team winning second place.

Term 4: Taipans Sumo Roboneers

Our Taipan Roboneers represented Canterbury on Saturday 4 November at the Waterford West Regional First Lego League Competition, held at Marsden State High School.

Our students competed in motorised Lego robot wrestling, and presented their innovation project and robot to a panel of judges – the culmination of many hours spent robot building, coding, adjusting, researching and developing.

This event was their chance to finally put their project and robot up against 26 other teams.

Our Taipan Roboneers' hard work and academic nous saw them being awarded the Engineering Excellence Trophy for having an efficiently designed robot, and an innovative project solution.

Those plucky Roboneers finished in third place overall, qualifying for a place in the Northern National Competition.

Congratulations to the Junior Taipan Roboneers and their Teacher/Coordinator Mrs Jess Traurig.

Taipans Roboneers: Years 1-9

- Front Row:** Hayman Lim, Freya Bertilsson, William Sinclair, Hayden Lim, Hugh Choi, Spencer Brown, Tian Tarafdar, John Ge, Alfred Savage, Helena Lo, Lincoln Ferris

- Fourth Row:** Riley Berryman, Michael Kotykhov, Lillian Pollock, Lochlan McDougall, Haoran Zhang, Shubham Bhatt, Junjie Chen, Flynn McConkey, Kavin Velu

Secondary School: Sport & Activities Report

2023 saw Canterbury achieve many successes in the sporting arena due to the dedication, fitness, skills and talents of our players, guided by our coaches, support staff and parents and carers.

There were many sporting calendar highlights which saw Canterbury rise to new heights:

- 8 x TAS Sport Premiership Teams
- Vicki Wilson Netball Cup Champions
- Vicki Wilson Netball Shield Runners-Up
- QISSN School Netball Champions
- Logan Rugby 7s U18 Boys Champions

In addition, many students enjoyed success at the District, Regional, State and National Levels, showing the depth and calibre of our students in the School Representative Sport Pathway.

And congratulations to Jack Henry on his selection in the Australian Schools Rugby Union Team.

Canterbury finished fourth overall in the 2023 TAS Champion School rankings.

It is important to recognise that sports and activities play an instrumental role in ensuring our students are equipped with the various life skills they will need to be 'world ready'.

Although we have many successes on the various courts and playing fields, perhaps the real winner is the desire for which our students want to be involved and represent Canterbury.

This is evident in the participation rates and the inclusion of supplementary teams in our sports.

We recognise the contributions of our Year 12 students, many of whom have participated in six years of TAS Sports, and in some cases even longer, with their involvement in Junior TAS Sports.

A special thank you is extended to our coaches and managers for their dedication to the various programs, as well as to our parents and carers for the support they offer in enabling our students to be involved in games and training and to share their talents.

Mr Arnie Marraiya

Acting Director of Sports and Activities

Athletics

The 2023 TAS Track & Field Athletics Carnival was another thrilling and fiercely competitive event held on Tuesday 12 September over at Nathan's QSAC - the Queensland State Athletics Centre.

Final results often hinge on the 4 x 100m relays, which offer double points as the day's last events, after the 100m, 200m, 400m and 800m races, high jump, long jump, discus, shot put and javelin.

There were many positional changes throughout the day amongst the competing schools, and after all the points were tallied in the Overall Aggregate Champions race, Canterbury's large contingent finished second, just narrowly missing out on the top spot.

The strong culture within our athletes' community fosters mateship and team commitment, making the coaches' jobs much easier.

And despite numerous team changes, our ability to move students into different events and remain competitive was outstanding, with the following carnival highlights:

Girls Team: 1st Overall

Year 7 Girls: School Champions

Year 8 Girls: School Champions

Year 9 Girls: School Champions

The Year 8 Girls Team not only won the Year 8 Girls Champions title, but also Team of the Year:

Calise Kypr, Mia Chizzoniti, Julianna Pohiva, Isabella Franklin, Chanelle Chong-Nee, Amelia Neumeister, Taylah Smith-Miller, Louise Stewart, Paige Simpson.

Finn Watt: 2nd Place, Year 7 Boys Age Champion

Calise Kypr: Year 8 Girls Age Champion

Mia Chizzoniti: 3rd Place, Year 8 Girls Age Champion

Tekainga Enkera-Raveora: 2nd Place, Year 10 Girls Age Champion

Rubie Newman: 3rd Place, Year 10 Girls Age Champion

Kaylee Tamala: 2nd Place, Year 11 Girls Age Champion

Jack Addley: 2nd Place, Year 12 Boys Age Champion

Award Winners

We want to express our heartfelt gratitude to Super Coach Mrs Brooke King, Coach Hayden Walker, Coach Jade Arbuthnot, Coach Lachlan Walker, Coach Rachael, Coach Jack, Coach Connor and our entire dedicated coaching team and event staff supervisors.

Your hard work and dedication have been instrumental in our success.

We are excited about the 2024 season, when we will transition into age groups instead of year levels, making for an interesting season as we aim to reclaim our TAS Secondary Championship Title.

Basketball - Boys

Canterbury Boys Basketball teams showcased a year of growth and dedication in 2023.

The First V team demonstrated exceptional teamwork and skill, securing numerous impressive victories, and setting a high standard for competitive spirit and excellence on the court.

Our Second V team displayed resilience and energy throughout the season, overcoming challenges to achieve solid performances and notable improvement under their coaches' guidance.

The Year 10 team made significant strides in their skill development and strategic play, reflecting their dedication to advancement and teamwork, which led to commendable match results.

Our Year 9 team navigated challenges with resilience and competitive spirit, focusing on teamwork and determination, and their in-season progress was testament to their sporting commitment.

The Year 8 team's strong effort and competitive drive were evident in their performances, contributing to their success and highlighting their potential for future seasons.

Our Year 8 Navy team showed promising growth in skill and cohesion, supporting each other well.

The Year 7 team laid a strong foundation for their basketball journey at Canterbury, displaying talent and dedication in skill development and game strategy.

The Year 7 Navy team exemplified unity and progress, demonstrating strong teamwork and sportsmanship both on and off the court.

Special achievements this year included the representation of selected team members in the CBSQ Open Boys Basketball Championships, showcasing their dedication and basketball skills.

Students also enjoyed the privilege of training with professional US High School Basketball Coach Mr Andre Chevalier, focusing on the fundamental skills crucial for their basketball development.

I have been very impressed with the work our students and coaches have put in, enabling most of our teams to compete for Top 3 positions, which is an improvement on last year.

Thanks to you all, along with your parents and carers, for the travel time, early starts, late finishes, plus match-days and training days assistance.

And thank you to our coaches for their care, compassion and guidance, and to our supportive parents for scoring, running water, or refuelling us with food.

Work hard in the off-season, remember the lessons learned, and look forward to a strong 2024.

Mr Michael Bowden

Coordinator of Boys Basketball

Joyce Law Shield - Boys Basketballer of the Year:
Jack Henry

First V Boys Basketball

Iraia O'Riley, Gursewak Dharan, Mujtaba Shah, Daniel Wilkinson, Levi McCammon

Absent: Jordan Bolger, Oliver Holden, Ian Mohammad, Shoaib Mohammad, Merrick Percy, Isaac Ryan

Basketball - Girls

Another year of basketball has seen huge improvement across the age groups, with good results in the Firsts and 10s getting 2nd Overall, and the 7s, 8s, 9s and Seconds achieving midfield Finals positions.

The chief program highlight was another TAS Premiership from our Year 8 Navy team.

Our Firsts played well across the season with many difficult circumstances week-in and week-out.

They eventually finished 2nd after an intense Finals match that ended in a draw, which meant the result fell back onto ladder positions, putting us in 2nd place.

Across our younger age groups, a lot of budding talent can be seen throughout, with some of our 10s maturing and beginning to lead and control games quite well.

The team improved quickly in-season and developed several effective new scoring strategies.

The 8s girls demonstrated amazing defensive abilities with great hustle on the court, and they proved themselves in the Finals when they beat WestMAC, who had defeated them during the regular season.

And the 7s, 9s and Navy teams gave strong performances under the tutelage of our enthusiastic student coaches.

Overall, it is clear we have great basketball potential across the younger age groups, with lots of strengths in our ability to work hard on-court, while showing great adaptability in skills and talent.

It has been good to enjoy a full season with little to no interruptions for the first time in three years.

Congratulations to our basketball girls for their achievements on and off the court, and a huge thanks to all the coaches and managers who assisted in 2023.

To the wider Canterbury Basketball Community, I extend my personal thanks for your support.

Our Basketball Program remains successful, and I have enjoyed watching the growth of the sport and the development of our players over the last nine years.

This has only been possible with the superb support from our parents and carers, players and coaches, teachers and Canterbury Alumni.

Mr Gabriel Chan
Coordinator of Girls Basketball

Joyce Law Shield - Girls Basketballer of the Year:
Ainslie-Alyssa Iva

First V Girls Basketball

Front Row: Daisy Wacker, Jamieson Brugeaud, Kevina Nishimwe, Kaitlyn-Jean Iva, Mercy Lilomaiava (aka Pitau), Ainslie-Alyssa Iva

Second Row: Mrs Amy Dillon (Coach), Sarah Dunn, Holly Dodd, Ayesha To'o Tufuga (Assistant Coach)

Absent: Ella Hay, Hasrat Maan, Sophia Meier, Brook Nonu, Labella Wolland

Cricket – Boys

The 2023 cricket season differed significantly from the previous season, as it experienced minimal rain disruption, with only one weekend affected.

Pre-season commenced with a remarkable turnout at our afternoon BBQ sign-on event – a good omen for the year to come.

Subsequently, the players exhibited a strong eagerness to engage in the weekly training sessions to adequately prepare for the upcoming season.

They also relished the great opportunity to receive guidance from a professional baseball coach, who offered valuable expertise in the areas of fielding and throwing.

Numerous noteworthy achievements were observed at both individual and team levels in 2023, with the final round of the season a memorable stand-out.

Our cricket community demonstrated a remarkable sense of support and camaraderie, which was prominently displayed during this fixture.

The First XI team members fervently rallied behind our Intermediate First XI team, providing unwavering encouragement during a thrilling conclusion, that ultimately secured the premiership.

Although our Intermediate Second XI team may not have achieved their desired outcome, they valiantly competed in all their matches against formidable opponents.

It is worth mentioning the Intermediate Third XI team, who exhibited unwavering motivation during the season, despite facing a few challenges due to opposing teams forfeiting two games.

Finally, I would like to extend my gratitude to all the students, parents, carers, staff and coaches who provided assistance throughout the season – your contributions were greatly appreciated.

Mr Alister McDermott
Coordinator of Boys Cricket

First XI Cricketer of the Year: Jazz Webb

First XI Boys Cricket

Front Row: Benjamin Stanley, Joshua Williams, Joshua Greer, Cooper McIntyre, Nathan King, Henry Walker, Harrison Cato
Second Row: Mr Alister McDermott (Coach), Deacon Hunt, Jackson Holland, Lachlan McIntyre, Jazz Webb, Rhylee Jackson

Second Row: Mr Shannon Blackmore (Coach), James Clay, Jackson Bostock, Noah Meier

Absent: Jacob Clay, Lincoln Crooks, Aarnav Dhindsa, James Duffin, Ashmeet Gujral, William Guy

Intermediate 3rd Boys Cricket Team

Mikael Sandanayake, Manrajveer Sidhu, Pahuldeep Pannu, Armaan Khattrra, William Laredo, Isaiah McKenzie, David Lee

Absent: Mr Lachlan Walker (Coach), Jaipartap Parmar, Merrick Percy

Cross Country

Our cross country season began with a rain-cancelled carnival when the course was temporarily washed out.

With a rescheduled carnival and 6:00am start for our runners, competitive spirits were still high - with our team cheer squad led by Mr Arnie Marraiya, enjoying the biggest cheers of the day.

Due to illness and injuries, many students had to compete in higher age groups, but were happy to fill in, and it contributed to our final team scores and overall results.

We have many talented and dedicated cross country runners who train up to 5-6 sessions a week.

And our Junior School depth is slowly moving into Secondary School, improving our yearly results.

I want to express my heartfelt gratitude to our coaching staff for the countless hours of hard work they dedicated to preparing our cross country team for competitions.

Coaches Hayden Walker, Lachlan Walker and Jade Arbuthnot, I cannot thank you enough for the unwavering support and professional guidance you show to our students - you are an amazing group of people.

Mrs Brooke King
Coordinator of Athletics and Cross Country

Football (Soccer) – Boys

The 2023 season was a year of consolidation and transition for Canterbury Boys Football, with a new coaching team, open trials for the First XI and the number of players continuing to grow.

The selection of many Year 11 players in the First XI, plus the opportunities given to players in Years 9 and 10 to be involved with the First XI, will stand us in good stead for 2024 and beyond.

Younger players' selection in the First XI is an aspect of our renewed approach to developing players' talents with the ultimate goal of winning the First XI TAS competition.

Thank you to all the players, coaches, parents and carers who were involved in the 2023 Boys Football season.

It made me proud to see the great results on the pitch, but most of all, the enjoyment and teamwork of all the players.

Let's look forward to an even better 2024.

Mr Luke Harmer
Coordinator of Boys Football

Third Row: Yama Nazari, Matthew Barnes, Callum Clarke, Lennox Corlett

Football (Soccer) – Girls

The 2023 Girls Football season was our most successful yet, with improved match results on the pitch, more wins and more players registering than ever before.

Ongoing competition for spots in the weekend match-day squads meant that all the girls were pushing each other to improve week after week.

Competition for places brought immediate results after a slow start and some tough early games.

The Year 9/10 and First XI Teams finished the season strongly with some big results and some close defeats against the top sides.

I'm incredibly proud of all our players, that even though we may not have won every game, through your hard work and commitment, the gap between ourselves and the top teams has narrowed.

Thank you to all the players, coaches, parents and carers who have contributed so much to the success of our teams this season.

Finally, my heartfelt thank you to the Year 12 players who have been with us from the inception of TAS Girls Football.

Your inspirational dedication and active participation across the past three seasons have laid the foundations for the ongoing growth and future football premierships at Canterbury.

Mr Luke Harmer
Coordinator of Girls Football

Bousen-Gaudin Trophy – Girls Footballer of the Year: Jade Uhlmann

Football (Soccer) – Girls: Captain's Report

What a season it has been for Canterbury Girls Football!

But it's time to wrap up these action-packed few months of hard work, dedication and pure passion for the game.

We've seen some amazing performances from our young athletes, who have given it their all on the field, making every game an absolute thrill to watch.

From nail-biting finishes to stunning goals, this season has featured all kinds of wins and losses.

However, we have all thrived on honing our skills and chemistry as a team.

As we look back, it's hard not to feel a sense of pride in the progress and growth that these girls have made.

Each player has worked hard to improve their skills, technique, and overall performance, and the results have ensued.

Congratulations to all the players, coaches, parents and carers who have made this season an absolute success.

I see TAS Football premierships in our future girls' teams.

Kevina Nishimwe
Girls Football Captain

First XI Girls Football

Front Row: Ellerah McPhail, Fatema Akbari, Jorja Lockhart, Hannah Harlen, Paresa Yari, Satsuki Mohr, Isabella Vasquez

Hockey – Girls

Canterbury’s 2023 Hockey season saw dedication and deftness, fitness and friendship, and has been a testament to the commitment and passion of our players.

Our Year 7 Hockey team, despite being undefeated all season, narrowly missed the TAS premiership, but displayed unparalleled sportsmanship and determination.

They secured a well-deserved second place and have a bright future in the sport.

Our Year 8 and Year 9 Hockey teams demonstrated remarkable progress this year, continually improving their skills and teamwork, promising an exciting future for our Hockey Program.

Our Year 8s played straight after their Outdoor Education Camp, powering through any fatigue.

Our Year 9s kept fielding a team and tried their hardest, even if they only had seven players.

One season highlight would be the celebration of the whole team after scoring their first goal!

Our Seconds showcased great talent, enthusiasm and spirit, pushing their limits with each game.

And our Firsts team, led by our exceptional Hockey Captain Chloe Ahern, exhibited outstanding teamwork and skill, making their coaches, parents and carers, and sideline supporters proud.

I want to extend my thanks to our secondary students for their dedication, willingness to train and improve, and their sportsmanship. Your contributions have left an indelible mark on our program.

Our hockey teams grow stronger each year, so I am confident the upcoming seasons will bring more achievements and joy, carried by our superb coaches, parents, carers and supporters.

Ms Kelsey Adcock
Coordinator of Girls Hockey

Second Row: Miss Kathy Simpson (Coach), Améya Evans, Lyla Ries, Sarah Dunn, Lily Mendis-Galpin, Lillian Pollock

Netball - Girls

The 2023 season was one of our busiest yet, as our Netball Program broadened to include Boys and Tiny Taipans Netballers (5-9 years).

With Netball Captain Tia Crombie leading the way, we enjoyed a great pre-season and hit the courts focused on our mantra 'Strength and Respect'.

2023 Highlights

- **TAS Premierships:** 7A, 9A, 10A and Firsts
- **Champion School:** Queensland Independent Secondary Schools Netball (QISSN)
- **Champion School:** Vicki Wilson Cup
- **Runners-Up School:** Vicki Wilson Shield
- **Regional Champions:** Vicki Wilson Northern South Coast - Opens, Opens Development and Juniors
- **Finalist:** Netball Queensland - Teacher of the Year: Deanne Hamilton
- **Finalist:** Netball Queensland - School of the Year
- **Finalist:** Logan City Sports Awards - Team of the Year
- **Finalist:** Logan City Sports Awards - Coach of the Year: Deanne Hamilton

Our TAS Netball season generated great energy as player numbers increased and a record-breaking 132 Canterbury students took to the courts.

Another podium finish in the TAS Overall Champion School leaderboard was testament to the playing group, coaches and umpires.

At District, Regional and State schoolgirl level, we were well represented with several players contributing to yet another clean sweep for South Coast at the State Netball Championships.

From the 12 Years to 19 Years, eight athletes and two officials represented our school and region.

Special mentions to Tia Crombie, Holly Comyns, Kaylee Tamala and Aaliyah Frescon-Sheppard who were named in the Queensland team, taking part in a High-Performance Camp in September.

Our 2022 results in external State Competitions were always going to be difficult to beat this year.

For years we had hunted the big wins and in 2023 - we became the hunted!

The Queensland Independent Secondary Schools (QISSN) Championships were held in Brisbane, and in a dominant display, our team won back-to-back Division One Championships in front of a vocal crowd.

All eyes then turned to the Vicki Wilson Championships with our Shield team maintaining their streak of podium finishes with silver, while our Cup team again went back-to-back winning gold!

We hosted the Manukura School from New Zealand's Palmerston North in the second half of the year, providing our athletes with the opportunity to play against the 'Kiwi style' of Netball.

They employ a fast and short-ball dominated game but our girls lifted to the international challenge.

With big plans for our 2024 NZ Tour, this was a great experience to make new friends and connections in the wider world of netball.

I cannot neglect to mention the amazing achievements of our players and student officials, alumni and coaches, in both community and performance pathways.

From the State Age Association Rep players, to Challenge Of The Nations athletes, to Queensland teams, Future Firebirds, the Hart Sapphire Series, State Titles and beyond.

It makes us proud to see the energy and commitment on display week in and week out.

Mrs Deanne Hamilton
Director of Netball

Netball Player/s of the Year: Holly Comyns and Tia Crombie

First VII Girls Netball

Front Row: Aaliyah Frescon-Sheppard, Zoe Battaglione-Sharpe, Siana Matavalea, Emerson Manning, Ainslie-Alyssa Iva

Second Row: Megan Lynch (Coach), Ella Hay, Charlotte Ayres, Jaimee Clarke, Ava Heath, Grace Flower, Ava Lynch
Absent: Labella Wolland

Rugby - Boys

This Rugby season has truly met the expectations we planned to achieve at the start of the year.

Our teams fully embraced the brand of Canterbury Rugby we set out to accomplish, and it has been rewarding to watch the mental and fitness growth of all the boys, both on and off the field.

This culminated in a third place TAS Champion School finish overall, and the Year 7/8 B Team led the Taipans charge, showing tremendous promise for future success by making the Grand Final and pushing a strong Ormiston College team all the way.

In 2023, the goal was to set a high standard for ourselves as individuals and as teams. It was also to create a culture amongst the playing group that will continue to grow the program in the future.

The most pleasing growth area was in the numbers that were attending weekly training, allowing coaches to teach team drills, push players further, and extract better performances on game-days.

The First XV pre-season started in Week 3, and working towards the Easter Trial Game against Cannon Hill Anglican College was the pre-season target.

The remaining students commencing in Week 6 turned in some great numbers from the Years 7/8 cohorts, and with them, was great enthusiasm and energy - a good sign of things to come.

Wet weather training was the order of the day with most pre-season training leading into Easter on wet fields or alternative settings.

The Easter Trial Game against CHAC was fittingly played under wet conditions, with all teams recording wins, and getting much needed game time as combinations.

The TAS season started with Round 1 against West Moreton Anglican College with the Seconds having a Bye, and our 7/8As and 7/8Bs, 9/10As and the Firsts all recording opening victories.

The 9/10Bs fought valiantly but were unable to match West Moreton on their home soil.

The local TAS Rivalry Round Derby in Round 2 against John Paul College was a memorable one, which conveyed the true grit of our Rugby Program.

The First XV and Year 9/10As defeated JPC away from home, while the Year 7/8As showed great skill and cohesion to score 14 tries to nil!

The remaining rounds saw the Taipans overall TAS Rugby teams finish the regular season with a 17 to 13 win/loss ratio.

There were top performances from players in every team who were named as MVPs: Jack Henry, Bailey Murphy, William Long, Harvey Coates, Benjamin Stanley, Khalis Southon and Iraia O'Riley.

Some Canterbury students also represented the school at the Regional level - Jack Henry, Illanois Southon and Sitaleki Tafa, who represented the South Coast Team at the State Championships.

From the U18 State Championship Carnival, two sides were selected to represent Queensland at the National Championships held in Sydney, with our First XV Rugby Captain Jack Henry chosen to represent Queensland 1 and named as team Captain.

Jack was later presented the Sugerman McLean Award as Queensland 1's best player and earned selection as Canterbury's first Australian Schoolboys Rugby representative to take on Tonga.

Congratulations Jack Henry on a memorable season which included Saturdays refereeing JTAS Rugby games and modelling the behaviour expected of our mighty Taipans.

After a season punctuated with challenges, many positives still emerged, with several Year 7s starting their rugby experience with aplomb, and many Years 9/10 players developing into prospective First XV players.

Special thanks to Mr Afu, Mr Boon and Mr Lama for their assistance through the season while I was away on Wallaroos coaching duties, and thanks to all our coaches and managers, as well as the proud parents and carers for their ongoing support.

And thank you to every boy that pulled on a Canterbury jersey and contributed to the program.

Mr Sione Fukofuka
Director of Rugby

Jack Henry
First XV Rugby Captain

Haydn Tobin Prize - Boys Rugby Player of the Year: Jack Henry

Absent: Miss Marioulla Belessis (Coach)

Swimming

Canterbury's TAS Swimming Squad enjoyed a fantastic 2023 season, with many students attending their Taipans training sessions to prepare for the annual Brisbane Aquatic Centre championship carnival.

Team luminary Taylah Smith-Miller placed third overall in the 13 Years category, while Skye Dennis-Wesche, another shining star, placed third overall in the 14 Years category.

Their remarkable and inspirational individual achievements are well deserved after all their hard work, dedication and training hours in the pool.

Our Secondary Swimming Squad gave their all, with students stepping in for injured or unwell others, and keeping team spirits high.

The Girls Team placed third overall, and our Boys Team placed fifth overall, resulting in our school's overall fifth place ranking.

Congratulations to all who competed and a special mention to Swimming Coach Mrs Crystal Cao for all the hard work leading up to this event in preparing our swimmers.

We look forward to the 2024 season with our younger students, who are developing their stroke skills and becoming more race-ready with every competition and Taipans Club weekend meet.

TAS Swimmers of the Year:

Years 7-9 Girls: Taylah Smith-Miller

Years 7-9 Boys: Darcy Franklin, Rylan Mead

Years 10-12 Girls: Savannah Paniagua

Years 10-12 Boys: Riley Burton

Jodie Steele Trophy – Most Outstanding Female Swimmer: Taylah Smith-Miller

Stuart Family Trophy – Most Outstanding Male Swimmer: Riley Burton

Third Row: Aoihe Kerrigan, Taylah Smith-Miller, Mia Chizzoniti, Isabella Franklin, Pippa Nelson, Benjamin Stanley, Jackson Bostock, Sarah Dunn

Fourth Row: Tanerau O'Riley, Joe Matsushita, Joel Jung, Lara Mead, Skye Dennis-Wesche, Sebastian Keerie, Banjo Newton, Riley Franklin

Fifth Row: Austin Dyer, Jacob Thompson, Cooper Sandon, Charlie Newton, Harrison Franklin, Riley Burton, Rylan Mead

Tennis - Boys

In 2023 we improved our tennis skills, engendered team spirit and forged character when defeated.

We were delighted with our wins and improved our overall school ladder positions from last year.

It was good seeing our students' love of tennis and their friendships forming during the season, and as usual, our boys displayed excellent sportsmanship.

We specially thank Coach Drew, our Tennis Captain Alec who supported our team each week and helped on court with our younger players, and thanks to Mr van der Poel for his help this season.

Our Seniors did not have a Thirds team this year, but we did have an outstanding group of young men in our Senior 1 team.

Rhylee, Alec, Oscar, Mitchell and Ryan won some tough matches against very good opponents, and they continued to lead the way for ongoing improvement in our younger teams.

Our Senior 2 team enjoyed a fun season and always played games with skill and an upbeat spirit.

The Intermediate teams enjoyed a successful season where members won some thrilling matches, and continued to improve throughout the competition, with a big focus on their doubles skills.

Our Third Intermediate team toiled hard to learn foundational skills and develop their court games.

Mrs Therese Higgins

Coordinator of Boys Tennis

Daniel Humphreys Shield - Boys Tennis

Player of the Year: Rhylee Jackson

Matthew Barnes

Intermediate 3 Boys Tennis

Lachlan Hegedus, Gursewak Singh,
Joshua Brass

Tennis - Girls

Our girls enjoyed a solid season of TAS Tennis, displaying some great ability across the teams, as the players continued to develop and refine their skills and fitness at weekly training and fixtures.

They represented themselves, their families, our school and community to a high standard, despite some challenging hot on-court weather on most days.

Thank you to all the staff and the amazingly supportive parents and carers involved in this tennis season for your efforts making the sport an enjoyable and rewarding experience for our students.

Our Senior teams were challenged with player numbers on some weeks, but we did have an outstanding group of young women in our Senior 1 team.

Makayla, Meeka, Amelia and Emma won some tough games against very good opposition, leading the way for continued improvement in our younger players.

We will certainly miss Makayla and Meeka in 2024 as they have been part of our Tennis program for years, so we thank them for their contributions.

Our Second and Third Senior teams gained confidence as the season progressed, while our Intermediate teams focussed on steady improvement, including players from Years 7-9.

We also welcomed some new players for the long haul as we look forward to improving our doubles playing, in terms of strategy and skills on the court.

Mrs Therese Higgins
Coordinator of Girls Tennis

Touch Football - Girls

The 2023 Touch Football season was one of highs and lows, exciting performances and moments that demonstrated Canterbury's spirit in overcoming challenges.

The pre-season was full of excitement and enthusiasm from the teams and coaches, as the girls pushed through and at times trained in the rain.

Our new Year 7 cohort followed the lead of the 2022 squad and embraced all that Canterbury Touch Football is about with plenty of camaraderie and energy.

The Years 7, 8 and 9 teams boasted healthy player numbers resulting in the Year 7 and Year 9 teams winning TAS premierships.

Our Year 8 team finished the season 7th, while the 1sts, 2nds, Year 10 and 7/8 Navy teams finished the season 5th, 6th, 5th and 6th respectively.

Special mention must go to the Year 7/8 Navy team that got better with each game, and ended 2023 with an internal hit-out that was a see-sawing affair, with neither team giving an inch.

Despite mixed results, the Senior teams continually worked hard throughout on their skills, speed and fitness, recording strong victories over St John's Anglican College and John Paul College.

The TAS season launched against St Paul's School, with the Year 10s, Year 9s and Year 7s all recording wins, while our Senior teams, Year 8s and Supplementary team were defeated.

2021 Seniors Erin Sharkey and Mia Ward returned to coach the Year 7/8 Navy team with several inexperienced students playing their first season of Touch Football for the College.

A huge highlight was the Year 7/8 team's wins against Cannon Hill Anglican College and John Paul College with commanding 12-2 and 5-1 victories.

It was testament to Erin's perseverance and the commitment of her players to keep working hard.

Key performers from each team across the season were named as MVPs: Jorja Lockhart (1sts), Eloise Stanley (2nds), Larissa White (Year 10), Aimee Henry (Year 9), Abigail Viriki (Year 8), Julianna Pohiva (Year 7) and Ava Lynch (Year 7/8 Navy).

Congratulations to these players and their teammates who supported their efforts across 2023.

Thanks to all the staff, coaches, parents and students for your hard work and support this season.

And special mention to Mr Afu who stood in and ran the program in my absence.

Mr Sione Fukofuka

Director of Touch Football

Volleyball – Boys

This season saw a 20% growth in the number of participants in the TAS Boys Volleyball season, growing from 10 to 12 teams from season 2022.

Our program enjoyed great success with five of six teams finishing in the Top 4 and Canterbury placing second overall.

In their first year of Secondary Volleyball, the Year 7A and Year 7 Navy teams competed hard to finish the season in sixth place with many learnings, while our Year 7 Red team earned their first TAS premiership with a hard fought two sets to one victory over West Moreton Anglican College.

With three Year 8 teams taking to the court, their weekly dedication was shown in the results.

Congratulations to the Year 8A and Year 8 Red teams for finishing third and fifth respectively, and to the Year 8 Navy team on winning the TAS premiership after an undefeated season.

The finals saw the Year 9/10 Navy, Year 10A, Year 9A and First VI teams playing for premierships with the Year 9As and First VI enjoying unbeaten regular seasons.

But after eight tough rounds, all four teams fell agonisingly short at the last hurdle.

Our Second and Third VI teams finished fourth and eighth respectively, however, all teams and players must be congratulated on their superb efforts and commitment to training.

Applying the Canterbury spirit to this sport has justified the amazing results with five undefeated regular season teams and two TAS premiership winners.

Thank you to all the coaches who helped these students, and a special thanks to the parents and carers who participated in transporting their kids to training and supporting us courtside.

Finally, thank you to Mr Casey Milne for overseeing this season, as I know a lot (if not all) students love this game, and it would not have been possible without you.

Mr Josh Afu
Sport, Events and Development Officer

Brent Thomas Shield – Boys Volleyballer of the Year:

Absent: Eric Gao, Jaipartap Parmar, Divjot Singh

Volleyball – Girls

The 2023 Girls Volleyball season was fantastic with all our teams competing to a high standard and giving it their all every round.

It was great seeing so many girls getting involved in volleyball and watching new and returning faces taking the court for another TAS competition this year.

After a successful 2022, all teams were eager to back up their strong performances and continue to improve and refine their skills and fitness levels.

After facing some tough opponents early on, the girls showed great determination both on and off the court, to support each other and continue to build their skills and gameplay.

Seven of our nine teams finished in the Top 4 with special mentions going to our Seconds team who

won the TAS premiership and our Firsts team who have completed their amazing three-peat.

With these inspiring results, we finished third overall in the TAS Girls Volleyball School rankings.

This is a great achievement and everyone involved should be extremely proud of their efforts.

None of this would have been possible without our amazing coaches guiding us this season.

We were fortunate to have some very experienced coaches who helped develop our players' skills, so we are very grateful for your time and input to help each student reach their sporting potential.

Special mention must go to Mr Casey Milne for his tremendous efforts coordinating such a large program and ensuring an enjoyable learning environment for students, staff, parents and carers.

Mr Josh Afu

Sport, Events and Development Officer

Secondary School: Interhouse Sports Carnivals

Cross Country

On Thursday afternoon 20 April, we hosted our annual (and very colourful) Secondary School Interhouse Cross Country Carnival on Canterbury's very own campus course.

House spirit was in full force, and a barrage of footsteps dashed around the tracks and trails leading to the oval finish line, to gain those much-needed House points.

Congratulations to Ramsey House on their eventual carnival victory.

Athletics

The yearly Secondary Interhouse Athletics Carnival on Friday 16 June at our Athletics Track Oval was an excellent opportunity for students to get involved, test their skills and fitness levels, have fun with their friends, enjoy outdoor activities, and accumulate points for their House.

And of course we enjoyed our favourite event highlights like the Clash of Chants House challenge and ultra-competitive King and Queen of the Track races.

After all the sprints and middle to long distance race heats and finals; high jump, long jump and triple jump events; and the javelin, discus and shot put fixtures, it was congratulations to the Ramsey House Raptors - winners of both the Athletics Carnival and the Clash of Chants.

Well done also to all our Athletics Age Champions.

Swimming

Our 2023 Secondary Interhouse Swimming Carnival on Thursday 5 October up at the College Aquatic Centre, saw our Years 7-12 students actively participating in a memorable team-building event, where they could showcase their swimming prowess, fitness levels and House spirit.

With an incredible 119-point lead, Becket House won the day, earning them the coveted Interhouse Swimming Shield.

The Ramsey House Canterbury Mental Health Week Festival also commenced at lunchtime with 'The Great Aussie BBQ' Sausage Sizzle and Lolly Bags Fundraiser at the venue.

This was a tasty way for students to fuel up their energy stores for more afternoon swimming.

Athletics Interhouse Age Champions

Front Row: Erin O'Neill, Eloise Stanley, Calise Kypr, Melanie Hamilton, Finn Watt

Second Row: Kaylee Tamala, Haydn Li, Alex Hamilton

Cross Country Interhouse Age Champions

Front Row: Sienna Burnham, Eloise Stanley, Finn Watt, Sophie Webb, Erin O'Neill

Second Row: Connor Toney, Attila Bencsik, Christian Meyboom-Pijl, Riley Burton

Swimming Interhouse Age Champions

Front Row: Charli List, Keira Hannett, Savannah Paniagua, Lara Mead, Taylah Smith-Miller, Elize Lee

Second Row: Christiaan Howes, Haidyn Caudle, Riley Burton, Charlie Newton, Rylan Mead, Joel Jung

Secondary School: Thought Sports

Chess

The advantages of engaging in chess are vast, supported by a wealth of studies demonstrating links to enhanced concentration, memory, problem-solving abilities, and decision-making prowess.

Furthermore, Canterbury's involvement in regular interschool chess tournaments, offers students at every skill level the chance to compete, grow and forge new friendships.

2023's Canterbury Secondary Chess Club was comprised of a group of committed players who demonstrated an enthusiastic and inquisitive attitude towards chess.

Teams A, B, C and D attended the Gardiner Gold Coast Secondary Chess Tournament hosted by Somerset College in Term 1, St Stephen's College in Term 2, and The Southport School in Term 3.

This was actually the first year that we entered the Premier Division in Term 3 as reward for our club's strength.

We boasted 14 Secondary School students holding chess rankings higher than 500 in the Brisbane and Gold Coast region, which is a testament to Canterbury College and our skilful players.

We are proud to announce that our chess players performed admirably, with several members achieving top placements in their respective age categories.

Our Chess Club has enjoyed a fulfilling and productive year, marked by achievements, challenges, and opportunities for mental, academic and social growth.

We are grateful for the support of our members, parents, carers and the wider school community, without whom none of our accomplishments would have been possible.

Mr Harley Macbeth
Chess Coordinator

Chess Player of the Year: Bhavya-Ashutosh Vaitha

eSports

With thrilling competitions and unforgettable moments, 2023 has undoubtedly left a mark on our collective gaming memories.

Firstly, a resounding applause for our very own Year 9 student Alex Sayers, whose exceptional skills catapulted him to the summit of the Global Mario Kart Championship.

His victory not only brought eSports honour to our school, but also served as an inspiration to aspiring young Mario Kart players everywhere.

In the Rocket League realm, our dynamic duo of Bentley Horne and Lucas Noy, showcased their talent on the national stage by earning the Runners-Up title.

Their commitment and tenacity exemplify the sportsmanship that defines our eSports community.

Our triumph in the TAS Championships for both Chess and Rocket League stand as a testament to the dedication and skills of our students.

Anthony Li's strategic brilliance led us to victory in Chess, while the formidable team of Brayden Roos, Lucas Noy and Breeze Tauroa, conquered the Rocket League arena with their talents.

From the fast-paced action of Super Smash Bros, to the infectious energy of Just Dance, our students have displayed their ability and passion across a multitude of eSports disciplines.

Whether it was dominating the battles in League of Legends, or mastering the racetracks in Mario Kart, every competition proved their enthusiasm and skills.

To all our champions, competitors and supporters, thank you for making 2023 a year to remember.

As we look ahead, let's keep striving for greatness, united by our love for eSports and teamwork.

Mr James Jenkins
eSports Coordinator

eSports Player of the Year: Alexander Sayers

Debating

Our Queensland Debating Union (QDU) Year 8, Year 10 and Year 12 Debating Teams enjoyed great success throughout the 2023 season.

The talented debaters showcased their exceptional persuasive logic and quick thinking, and team dedication and passion, consistently raising the bar for school debating excellence.

This commitment was rewarded with all three teams qualifying for the QDU Debating Finals, demonstrating their impressive growth over the year and resilience under pressure.

The Year 8 and Year 10 teams performed admirably, and we eagerly anticipate their further advancement next season, with hopes pinned on reaching the Grand Final.

For our Year 12 team, 2023 obviously marked the conclusion of their school debating journey.

But they carry with them the skills and values honed through years of dedicated participation.

These achievements would not have been possible without the guidance of our passionate and inspiring Debating coaches.

So a big thank you to Miss Kelsey Adcock, Ms Panter, Mr Alex Paterson, Mr Hayden Turner and Mr Andrew Paltridge.

And congratulations to all members of the Year 8, Year 10, Year 11 and Year 12 teams for their exceptional performances this season.

Mr Jake Compton
Debating Coordinator

Debater of the Year: Marwa Kamali

Senior Chess

Canterbury Taipans Clubs: Swimming | Tennis | Athletics

Our Taipans Clubs enjoyed membership growth and increased offerings throughout 2023, with a broad range of Swimming, Tennis and Athletics activities, plus the launch of their very own App!

End-Of-Year Christmas Party

On Thursday 7 December, our Taipans Club members and families splashed into the holiday spirit at the Canterbury Sports Centre, with 'The Grinch' movie playing on the big screen, a refreshing swim in the pool, open tennis court usage, and complimentary BBQ and drinks.

Free Club 'Meet & Greet' Info Night BBQs

The Canterbury Taipans management and staff held free information evening BBQs for current, new and prospective club members and their families at the Sports Centre on Wednesday 16 August for Taipans Tennis and Thursday 17 August for Taipans Swimming.

A great chance to run through the new Taipans App, booking systems, upcoming events and competitions, plus a great chance to socialise and meet fellow parents, carers and children.

School Holidays Sporting Camps

During the Easter, Mid-Year, September and Summer School Holidays, our Sports Centre offered paid morning, half-day and/or full-day Learn To Swim, Tennis and Athletics camps across a few days per week for students and youth to stay fit and active while acquiring new friends and skills.

Swimming Club Race Nights & Competitive Meets

Our Taipans Swimming Squads hosted competitive weekend meets here on campus with other South-East Queensland Clubs, as well as travelling to other pools for their competitions. This included official Swimming Queensland Long Course and Short Course events with gold, silver and bronze medals alongside professional swimmer rankings.

Swim Squad early training mornings and afternoons were complimented by fun intra Club Race Nights which included BBQs and novelty swimming events.

Tiny Taipans Learn To Swim School

Canterbury's Tiny Taipans Learn To Swim School commenced offering free Aqua Babies 6-Week Programs of one 30-minute lesson per week, to get infants used to the water and paddling around with their parents and carers, in our heated and fully shaded hydrotherapy Learn To Swim Pool.

The school also formalised the stages of its three Learn To Swim Programs with clear progression levels and the requirements and goals of each level.

- 1. Tiny Treasures 5 Swimming Levels:** Access & Inclusion 1:1 Program for disabled swimmers.
- 2. Aqua Babies & Upwards 5 Swimming Levels:** Water Familiarisation & Water Safety Program for young children - Starfish (Ages 4-6 Months), Seahorse (Ages 6-12 Months), Jellyfish (Ages 1-2 Years), Turtle (Ages 2-3 Years) and Octopus (Ages 4 Years Plus).
- 3. Learn To Swim 9 Swimming Levels:** Water Confidence, Stroke Development & Water Safety Program for all ages - Clownfish (Ages 3 Years Plus), Lobster (Ages 3 Years Plus), Platypus, Penguin, Seal: Half Pool, Stingray: 15m, Swordfish: 15m, Dolphin: 25m, Shark: 50m

Taipans Tennis Levels Formalised

Launchpad Fundamental Entry Level

For Ages 3.5 - 5 Years | Coach-Class Ratio 1:6 | Mini Court | 30 Minute Lessons

Red Fundamental THEN Red Performance Pro

For Ages 5 - 8 Years | Coach-Class Ratio 1:6 | Mini Court | 45 Minute Lessons

Orange Fundamental THEN Orange Performance Pro

For Ages 7 - 10 Years | Coach-Class Ratio 1:6 | ¾ Court | 60 Minute Lessons

Green Fundamental THEN Green Performance Pro

For Ages 9 - 12 Years | Coach-Class Ratio 1:6 or 1:8 | Full Court | 60 Minute Lessons

Yellow Fundamental THEN Yellow Performance Pro

For Ages 12 - 17 Years | Coach-Class Ratio 1:6 or 1:8 | Full Court | 90 Minute Lessons

High Performance Squads | Competitive Squad/s

For Ages 10 - 18 Years | Coach-Class Ratio 1:8 | Full Court | 120 Minute Lessons

Social Tennis

Get on court in a social environment where you can experience playing singles and/or doubles against people of a similar playing standard, in a fun, friendly and welcoming atmosphere.

Match-Play Tennis

This is your chance to gain experience playing doubles and singles, against players of a similar skill level, while being coached on the finer points of match-play tennis in a friendly environment.

Cardio Tennis

Tennis Australia's official group tennis fitness class, where the focus is on getting a great cardio workout rather than tennis technique, and is ideal for any adults of any skill level seeking fun.

THE CANTERBURY COLLEGE
TAIPANS APP IS HERE!

Our easy-to-use App enables all our Swimming and Tennis Program members, customers and families to manage their enrolments, bookings and payments.

Features

- Full student level progression and reporting.
- Lesson check-ins: your coach plus pool lane or tennis court.
- Lesson absence notifications and make-up session bookings.
- Lesson changes to different days and/or times.
- Online point-of-sale portal.
- Easy fortnightly direct debits.
- Intensive holiday program bookings.
- Multiple lesson and multiple enrolment discounts.
- Club news, bad weather alerts, and much more!
