# From The Principal

The theme of my Principal's Address this year is **Being Underestimated**. Hopefully, it allows me to share my thoughts on our direction as a school and 2024 highlights.

There are many well-known stories of individuals, companies, and movements being underestimated.

In Chapter 13 of Matthew, Jesus returns to Nazareth and teaches in the synagogue. The people are astonished by his wisdom and miracles but question his authority, saying,

> *"Isn't this the carpenter's son? Isn't his mother Mary? Aren't his brothers James, Joseph, Simon, and Judas? Where then did this man get all these things?"*

Even Jesus was underestimated by his own community.

Then there's the little computer hardware startup in Steve Jobs' garage in 1976. Laughed out of trade fairs, Apple is now so dominant it has no true competitor.

What about the Melbourne Storm? Not always an NRL powerhouse. They started in 1997 as an expansion team with no fans, stadium, or juniors in a saturated AFL market. Since then, they've won four premierships, contested multiple grand finals, and are now envied.

Spotify, Netflix, Airbnb—once dismissed as irrelevant—are now industry leaders, having overtaken the giants they challenged.

Many of us have experienced being underestimated, patronised, or dismissed - perhaps on the field, court, or workplace.

Did this little school ever dream it would become what it is today?

I'm sure people watched with curiosity as this Anglican school took shape. I believe we've been consistently underestimated.

We are Queensland's fourth-largest Anglican school, behind Churchie, TSS, and All Saints, and probably the fastest growing. By 2027, I expect we'll be the second largest. On Brisbane's southside, we are the only Anglican school heading due south from the CBD. Our diverse community is united by a desire to be part of something more - a modern, coeducational school with high standards, striving to be better and different.

Canterbury doesn't aim to be "pretty good" or "near enough." I have bigger dreams. Look around at our students, teachers, and families. Every day, I'm reminded how fortunate we are to nurture young people who are teachable, grateful, and fundamentally decent. Parents, I want you to know this.

## A Canterbury Education **Four Dimensions**

By Canterbury's 50th anniversary in 2037, Logan will have half a million residents. Before then, we aim to be a top five coeducational school in Queensland academically, lead in independent school sport and music, be the top employer for teachers, and serve as a spiritual home for major world faiths. Our facilities won't be about bragging rights but about timeless design fostering productivity.

Since arriving in 2019, I've compared Canterbury's journey to other great Anglican coeducational schools – Radford College, Barker College, Geelong Grammar, All Saints College – once underestimated but now leading their markets. Canterbury is on a similar trajectory, and I dream big for us.

I want our community to know we are good enough. To lead in a market of half a million requires excellence in academics, music, sport, entrepreneurship, and leadership. We are on that path.

## And here's how 2024 has propelled us forward:

### Academic Achievement

We launched the flex pathway for Years 11-12, keeping university and vocational options open. Year 10 students took our Academic Skills Course, covering Science of Learning, AI best practice, academic integrity, study skills, and workload management.

We were recognised nationally for technology use in classrooms.

**In NAPLAN:**

- We outperformed the state by 6% (29 points). Boys averaged 32 points higher, girls 26. In Numeracy.
- We led by 47 points (9%).
- Year 9 girls' writing was among the top in Brisbane's elite girls' schools.
- 80% of Years 7-9 results were in the top two bands.

**In Year 12 QCE internal assessment:**

- 20% of results were 90% or higher; 10% were 95% or higher.
- 18 subject scores were perfect heading into external exams.

This follows our two best Year 12 cohorts ever. We are closing the gap between Canterbury and Queensland's top schools.

## Service, Leadership & Entrepreneurship

Our Entrepreneurship program expanded, with 40 students in the Young Business Leaders program, six students in the Future Anything national finals, and three scaling businesses with national awards.

The Year 10 Micro-Credentials program launched, offering over a dozen industry-led courses.

The new student parliament (Years 5-12) influenced school policies, social justice projects, fundraising, and campus improvements.

Student-led assemblies prioritised social justice and community service reach, whilst energising school spirit and strengthening House connections and learning.

## Sport

- We were JTAS and TAS Athletics Champions - an achievement unmatched in over eight years.
- Canterbury finished third in the TAS Championship School standings with 85 points - 12 more than 2023 and our best since 2019. We are closing in on the top two, with a three-year plan to overtake them.
- 10% growth in participation in sport.
- We dominated state Netball, winning the Vicky Wilson Cup, QISSN, and the TAS First VII and 10A competitions.
- Our eSports teams won national championships, establishing Canterbury as a leading eSports school.
- Our Outdoor Education Program has nearly 100% participation in Years 7-9, proving its value.
- In representative sport: 130+ District reps, 38 South Coast reps, 8 State reps, and 1 Australian rep.

## Performing Arts

- Our SS Musical, *Mary Poppins JR*, showcased drama, dance, and music across Years 7-12 with a large ensemble.
- We had outstanding representation in the State Honours Ensemble Programs at Griffith Conservatorium.
- Canterbury excelled at eisteddfods, winning numerous first, second, and third places, and platinum, gold, and silver awards across multiple competitions.
- Our Winter and Spring Music Festival concerts, Friday Night Rocks, and Dance Spectacular Concert were outstanding.
- Every rock band recorded song tracks in our studio. Friday Night Rocks has become quite astonishing. I am sure this is the home of the best rock music tuition and ensemble program in any school in Australia.

When summarised like this, 2024 was remarkable. But it wasn't unusual - our achievements grow each year, and so do our expectations.

To our parents and families: thank you. You are spectators, audience members, lunch makers, taxi drivers, shoulders to cry on, and dinner-table counsellors.

At the end of another magnificent year, I pay tribute to you. Thank you for your loyalty and commitment to Canterbury.

# From The Deputy Principal

## Finding the Joy

*A Year in Review at Canterbury College*

At Canterbury College, education extends beyond the classroom. Our vibrant, inclusive community fosters an environment where every student and staff member can thrive.

This year, I proudly supported the staff theme, "Find the Joy." Reflecting on my second year at Canterbury, I can confidently say it is a privilege to work at such an incredible school, where joy is easy to find in our bustling community.

## A Year of Growth and Achievement

Canterbury's commitment to nurturing potential is evident in our dynamic co-curricular program, one of the strongest in South-East Queensland. 2024 has been a celebration of joy, growth, and achievement across our school. I thank our dedicated staff for ensuring so many outstanding sports and activities are available.

Find The JOY

## Performing Arts

*A Celebration of Talent and Passion*

One of my greatest joys this year has been watching our performing arts groups flourish. From the Taipan Tenors to Cantabile and our exceptional ensembles like Trio Bellissimo, the energy and passion have been remarkable. The Taipan Tenors' performances showcased not only vocal talent but also dedication and teamwork. A highlight was Trio Bellissimo's performance at Speech Night, a testament to their exceptional talent. Our performing arts staff's expertise and commitment have been invaluable.

Our dance recitals were equally inspiring, from Kindergarten to Year 12. The performances were not just about choreography but also camaraderie, teamwork, and shared accomplishment. I am especially excited to see the Boys Zone troupe moving into Senior School next year - another triumph for our program.

## Rock Band Program

*Friday Night Rocks*

As a live music enthusiast, I've loved watching our Rock Band program grow. Friday Night Rocks has become a highlight of the year, showcasing our students' incredible talent and creativity. Moving the event to the CEC elevated the experience, with palpable energy as students performed for family, friends, and the wider community. The program exemplifies Canterbury's collaborative spirit, and witnessing students perform with confidence, skill, and passion is truly special.

## Sport

*Spirit, Teamwork, and Celebration*

Our diverse co-curricular offerings include a strong sporting program. From volleyball and cricket to tennis, football, swimming, athletics, netball, basketball, and rugby, there's a sport for everyone. Watching our students compete in JTAS and TAS seasons is always a highlight, whether experiencing the thrill of a close match or the joy of playing with spirit and teamwork.

Our teams push beyond personal limits, finding joy not only in victories but also in the lessons learned from challenges. I look forward to 2025, where we'll chase premierships that narrowly eluded us and defend those we proudly won. Congratulations to our sport coordinators, coaches, and managers for their dedication to providing incredible opportunities.

## Student Leadership

*Courage, Commitment, and Joy*

A major highlight this year has been the growth of student leadership. At Canterbury, being a Prefect is more than a title - it's an opportunity to make a lasting impact. Lily and Lara, our 2024 School Captains, have led with integrity and passion, supported by a dedicated Prefect Team ensuring every student feels heard and valued.

The introduction of our Student Parliament has been a significant milestone, empowering students to shape Canterbury's future. This initiative fosters leadership skills and drives positive change. I look forward to its continued growth and more student voices influencing our school.

## Innovation and Growth

*Micro-Credentials and the Future of Education*

2024 has been a year of innovation, with the introduction of the Micro-Credential Program for Year 10 students. This initiative allows students to explore new skills and gain qualifications for future success. Our entrepreneurship programs have also flourished, with students launching businesses, securing investors, and receiving mentorship.

Hosting the Future of Education Summit for the second year was another exciting moment. With over 200 educators in attendance, the summit provided an opportunity to engage with the latest educational trends, benefiting both staff and students as we evolve with the changing landscape of education.

## UN Day

*A Celebration of Global Citizenship*

One of the most joyful events this year was UN Day, filled with cultural activities and performances celebrating our diverse community. More than just a cultural showcase, it fostered awareness of our global connections. Seeing staff, students, and parents collaborate made it even more special. If you haven't attended before, I encourage you to join us next year - the flag parade of nations continues to grow, making it a truly unforgettable experience.

## Looking Forward

*A Year of Joy and Growth*

As we approach 2025, we celebrate the joy experienced through our performing arts, sports, leadership, and innovation. Canterbury remains committed to creating an environment where students flourish academically and beyond. Our Co-curricular program fosters personal growth, leadership, resilience, and joy.

Let's continue to find joy in every moment - whether learning, leading, playing, performing, or connecting with one another.

## Vale Mr Greg Hall

It is with great sadness that we share the passing of former staff member, Greg Hall, who passed away while on holiday in Coffs Harbour.

Greg was a beloved and highly respected teacher of Mathematics, Science, and Latin, inspiring generations of Canterbury students with his knowledge and dedication. He was also a valued colleague and friend to many within the Canterbury community.

One of only nine staff members to have served at Canterbury for more than 20 years, Greg joined the school in 1990 and retired in 2017. He will be fondly remembered for the strong friendships he built with his colleagues and his unwavering commitment to excellence in teaching. His no-nonsense, high-standards approach was always grounded in deep care and connection with his students.

He will be greatly missed.

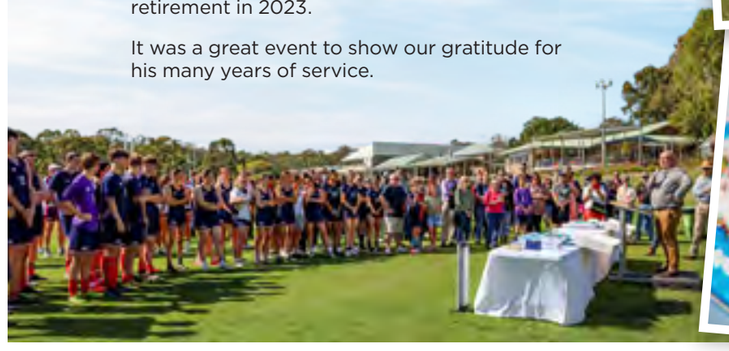
# Laurie Maetam Sign Unveiling & Oval Dedication Ceremony

Take a look back at the unforgettable moments from the Laurie Maetam Sign Unveiling and Oval Dedication Ceremony on Saturday 24 August, where we officially renamed our Main Oval in honour of Mr Laurie Maetam.

Mr Laurie Maetam dedicated his career to our school as a Cricket Coach, Science Teacher, and Head of Science from 1991 until his retirement in 2023.

It was a great event to show our gratitude for his many years of service.



# World Teachers’ Day

Friday 25 October was World Teachers’ Day, a time to celebrate the educators who shape not just minds, but futures.

A huge thank you to our dedicated Canterbury teachers for the passion and care they bring to our students every day.

To show our appreciation, we hosted a special breakfast feast, complete with gourmet coffee, a thoughtful gift, live student performances with ambient tunes, and great conversations among colleagues.

# Canterbury's 37th Foundation Day

## College Service

On Friday 15 March, Canterbury celebrated its 37th Anniversary by reflecting on how far we've come, and looking forward to all the 'milestones and magic' still to come over the next 37 years...

Our official 'whole College' morning Chapel Service, delivered by College Chaplain Fr Dan Talbot, gave thanks and inspiration to our fast-growing school community on a beautiful autumn day – wishing us all a Happy Birthday and joyful reflections.

This was followed by a special presentation from Principal Mr Dan Walker – who saluted our amazing founding staff's incredible vision, efforts and enthusiasm back in 1985-87 to get this actual school up and running.

Then our very popular special guest speaker Mr Gordon Royall – Canterbury's Dean of School (Secondary), Director of Activities and Secondary Teacher (1986 – 2000) – addressed staff and students about his 14 years here, the College motto, and his favourite memories from decades ago.

As per our annual Foundation Day tradition, we finished the ceremony by proudly announcing the recipient of the prestigious 'Alumnus of the Year' Award for 2024.

So hearty congratulations to Mrs Jane Dionysius (nee Hampson) – our 2003 School Captain and current Brisbane Airport Corporation Executive General Manager of Human Resources.

We extend our heartfelt thanks to all who joined with us on campus – both past and present staff and students – to celebrate Canterbury's 37th birthday together.

And special acknowledgement to those student leaders who spoke on stage and those who performed beautifully in the choir.

## Cursus Magnus Relay Race

Canterbury's Cursus Magnus Relay Race – featuring Years 5-12 boys and girls student teams from each of our six Houses, an alumni past students team, and current staff team, was held in front of the entire College community around Oval 2.

'The Great Race' is an extremely popular annual Foundation Day tradition with students, staff, parents and carers, as well as former students and staff alike.

Our eight teams of eight runners compete for Canterbury Cup house points, as well as athletic glory – cheered on by hundreds of supportive spectators decked out in House colours.

Each runner must complete their required distance before passing the baton onto the next runner, until all eight runners have completed their turn, to find the overall winning team.

And this year, for the first time in recent history, our winning squad was the alumni team!

So, congratulations to: Jayden Schipplock (Class of 2021), Meg Radburn (Class of 2017), Baxter Hood (Class of 2019), Lachlan Walker (Class of 2021), Hayden Walker (Class of 2020), Kloe Lockhart (Class of 2021), Hmily Shantala – nee Frost (Class of 1995), and Mark Burley (Class of 2013).

As for the winning House racking up points towards securing the yearly Canterbury Cup?

Well... it was Ramsey House for the third year straight!

Congratulations to the Ramsey Raptors (yet again) with their new Cursus Magnus mini dynasty.

# 2024 Annual Canterbury College St John's Cathedral City Service

On Tuesday 30 January, our Years 5-12 students were all bussed into Brisbane's CBD for our Annual Canterbury College St John's Cathedral City Service.

It was a special time for school unity, personal reflection and gratitude, as we celebrated our shared values, while deepening our College's connection to Brisbane's 'mother church' for all Anglicans in our region.

This major event was held much earlier this year to incorporate our inaugural Senior Ties and Year 7 House Badges Presentation Ceremonies as part of this important service.

The Right Reverend John Roundhill joined our wonderful College Chaplain Father Dan Talbot to bless our Year 7 students' House Badges and Year 12 students' Senior Ties - marking a key milestone in their educational journey.

As part of this acknowledgment, our Year 7s and Year 12s also enjoyed a Cathedral Tour led by Father Dan, exploring its rich history and admiring its intricate stained-glass windows.

A big 'Thank You' to all who joined us for this memorable occasion - especially the 40 parents, carers and non-Canterbury siblings - our biggest family attendance for quite some time.

# ANZAC Day Commemorations

Canterbury College proudly honoured ANZAC Day across multiple occasions from 23–25 April, paying tribute to the sacrifices made by Australian and New Zealand Armed Services personnel and their families.

**Interschool Commemoration Ceremony –** Tuesday 23 April

Year 12 Prefects attended the ANZAC Square Shrine of Remembrance in Brisbane, laying a wreath alongside students from across Queensland. Despite the rain, attendance was strong, and students explored the ANZAC Memorial Crypt's interactive journey through Queensland's wartime history. The event was covered by local TV news, featuring Canterbury students and senior staff.

**Canterbury College Commemoration Ceremony –** Wednesday 24 April

Years 3–12 students, staff, and special guests gathered at the Canterbury Events Centre to honour past and present service members. The ceremony featured the Canterbury ANZAC Honour Roll, video tributes, The Ode, The Last Post, One Minute's Silence, The Rouse, national anthems, poetry, blessings, prayers, and wreath-laying. Special thanks to guest speaker Warrant Officer Class Two Todd Ryan.

**Beenleigh Dawn Service –** Thursday 25 April

Junior and Senior School student leaders, alongside staff, represented Canterbury at the Beenleigh War Memorial Dawn Service.

**Beenleigh March & Commemorative Service –** Thursday 25 April

Students and staff participated in the march, wearing rosemary or poppy pins and family war medals, showing deep respect and gratitude for service members.

**Palm Lake Resort Retirement Home Service –** Thursday 25 April

Students attended a local service, sharing reflections and poetry on ANZAC Day from a young Australian perspective.

**LEST WE FORGET.**

# United Nations Day: Canterbury College Multicultural Celebration

Canterbury College's campus came alive as more than 1,650 students from ELC to Year 12, 300 staff, and 945 parents, carers, siblings, relatives, family friends, and alumni transformed the Canterbury Events Centre into a vibrant multicultural festival.

The private coeducational Anglican school's final day of Term 2 marked the newly annual United Nations Day, a celebration reflecting the estimated 80 dialects spoken across 60 different countries by its diverse student body.

"United Nations Day is not your typical school event," said Principal Mr Dan Walker. "With nearly 2,900 participants, it is enormous and incredibly welcoming."

"Our school is located in Logan City, Queensland's most diverse region and one of the most multicultural in Australia. UN Day embodies the idea that while many have chosen Australia as their home, they continue to cherish their culture, language, kinship, traditions, and beliefs."

Now in its fourth year, after a modest start in 2020 under strict COVID restrictions, Canterbury's UN Day now features 20 traditional cuisines from Africa, Polynesia, the Pacific Islands, the Americas, Western and Eastern Europe, Australasia, and every region of Asia. Parents and friends proudly prepare and serve these entrees, mains, and desserts, making food a central element of the celebration.

Complementing the global food and drink stalls was a dynamic 2.5-hour stage program featuring dances, music, and songs from Malaysia, New Zealand, Tahiti, Samoa, India, Tonga, China, South Korea, the Philippines, Cook Islands, Fiji, and Africa. The performances were choreographed and rehearsed by students with assistance from friends, siblings, and parents.

The festival commenced with a formal opening ceremony that included a First Nations Welcome to Country and Smoking Ceremony, accompanied by the didgeridoo, performed by Mununjali and Logan Elders - proud members of the Yugambeh people.

Senior School Global Studies Teacher Mrs Jennifer Wu, who was born in Taiwan and has a Korean husband she met while working in Japan, served as the guest speaker. She shared insights from her 30 years of adapting to Australia's culture and language.

Principal Mr Walker's address focused on the theme 'Different Together,' emphasising that diversity is Canterbury's greatest strength. He reinforced that regardless of religion, gender, sexuality, or cultural background, every student and family has a place at the school. "We learn from one another's experiences, stories, and values to make our community stronger."

The event received blessings from College Chaplain Father Dan Talbot and VIP guest Anglican Bishop Right Reverend John Roundhill. A ceremonial highlight was the 'Parade of Nations Flag Ceremony,' where students proudly carried the flags of their cultural heritage through the crowd onto the stage.

Other cultural activities included an Indigenous dance performance, Indigenous weaving, an interactive Digital Map of Origin where guests plotted their traditional home cities, Indian henna tattoos, face painting, and various arts and crafts.

UN Day has become Canterbury College's largest community event and continues to grow each year.

"When we first celebrated in 2020, we had four dance numbers and about 40 plastic chairs in front of the canteen," recalled Mr Walker. "Most people didn't even know it was happening. At the end of the day, Mr Chris Nield and I thought we 'might' be onto something, but we weren't sure it would happen again."

"But it has grown - boy, has it grown. I can see a future where this becomes one of Logan's premier cultural and food festivals. That would be an incredible achievement for our school and community."

Proceeds from the event support the Multicultural Australia Work & Welcome Program, reinforcing the day's spirit of unity and inclusion.

# Canterbury Mother's Day Events

Canterbury College was filled with love and gratitude as we celebrated Mother's Day in 2024.

From delightful breakfasts and friendly mingles to vibrant Mother's Day stalls, our community came together to honour the incredible mothers and mother figures who make a difference every day. It was a wonderful occasion to share laughter, appreciation, and special moments with those we cherish most.

# Canterbury Father's Day Events

Canterbury College was filled with joy and appreciation as we celebrated Father's Day in 2024.

Our community came together for a fantastic afternoon BBQ before the Dance Spectacular, fun-filled activities with our ELC families, and a lively Father's Day stall. It was a wonderful opportunity to honour and celebrate the amazing fathers and father figures who play such an important role in our lives.

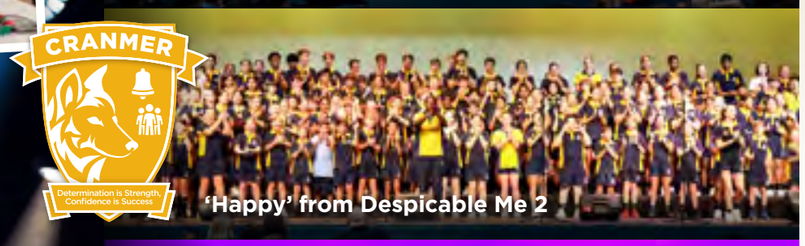
# 2024 House Choir Competition

On Friday 16 February, we held our 2024 House Choir competition, which was a fun experience for our Years 5-12 students.

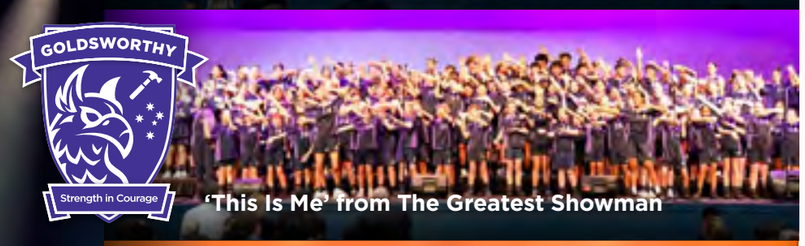
Each House chose to perform a beloved childhood song from cherished movies.

**A huge congratulations to Cranmer House for taking home the win.**

‘Hakuna Matata’ from The Lion King



‘Happy’ from Despicable Me 2



‘This Is Me’ from The Greatest Showman

‘Let It Go’ from Frozen

‘You’re Welcome’ from Moana

‘I’m Still Standing’ from SING

# House Spirit Breakfasts

The 2024 House Spirit Breakfasts were a fantastic way to unite our House communities, bringing students from Years 5–12 together for three mornings filled with delicious treats and vibrant camaraderie.

Becket and Ramsey Houses kicked things off on Thursday 8 February at the Yalburru Community Café, fuelling up for the Canterbury Cup with a spread that ignited friendships and school spirit.

Cranmer and Goldsworthy kept the momentum going on Tuesday 13 February, indulging in iced chocolate and pastries while setting the bar high for the final round.

Not to be outdone, Kime and Temple Houses wrapped up the series in style on Wednesday 14 February, taking inspiration from previous mornings with their own ‘one-stop-choc’ milk stations.

With full bellies and soaring spirits, all eyes now turn to securing those crucial Canterbury Cup points. Let the friendly rivalry continue!

# Annual Pink Ribbon Breast Cancer High Tea Annual Fundraiser

Our 2024 Canterbury College Pink Ribbon Breast Cancer High Tea Fundraiser was a beautiful morning of awareness, support and community.

This annual fundraiser for the **National Breast Cancer Foundation** initiative brought our community together with donations, raffle prizes and a heartfelt story from our own Director of Sport and Activities - Mrs Catherine Krzensk, sharing her personal journey with breast cancer.

Special thanks to our talented Performing Arts students for their beautiful music, and to our incredible Year 10 Food & Hospitality and Year 11 Certificate III in Hospitality students, guided by Mrs Holly Westphal and Ms Kim Cooper, for their delicious cooking and catering!

With 1 in 7 women facing a breast cancer diagnosis, let's continue to support this vital cause and make a difference together.

## 2024 Canterbury Alumni Joint Reunion

Our 2024 Canterbury Alumni Joint Reunion Major Event for our Classes of 1994, 2004, 2014, 2019 and 2023 was held on Saturday 2 November at the beautiful Bar Pacino riverside venue.

## Join Canterbury's Private Alumni Facebook Group

This private group is a place for our past students and staff to share their College memories, reconnect with each other, and keep up-to-date with major events happening at Canterbury.

# Scholars Ceremony: Class Of 2024

On Friday 31 January 2025, we proudly celebrated the achievements of our Class of 2024 graduates, marking their ATAR and final Year 12 results, at our annual Scholars Ceremony inside the CEC.

We were honoured to have many VIP guests join us for this special event, including:

**Mr Jacob Olsson** – 2014 Dux of Canterbury College

**The Honourable Ms Shannon Fentiman MP** – State Member for Waterford, Shadow Treasurer and Shadow Minister for Women

**Mr Jon Raven** – Mayor of Logan City

**Mr Nathan St Ledger** – Division 4, Logan City Councillor

**Mrs Natalie Williams** – Chair of the Canterbury Parent Consultative Committee.

Special thanks to our alumni graduate Mr Jacob Olsson and The Hon. Ms Shannon Fentiman MP, who shared inspiring speeches with our assembled Years 5-12 students, alongside our Class of 2024 academic award winners.

Guests also heard from Principal Mr Dan Walker and our new Head of Teaching and Learning Mrs Rebecca Adamson, who was the Head of Senior School last year with our 2024 Year 12s.

Our 2025 Academic Captain Chloe Booth finished the event by interviewing our 2024 Dux Alec Dyer and Proxime Accessit Zachary Vasquez on stage about their studies, career path, dream job, role models and advice for the other students.

**2024 Dux of Canterbury College: Alec Dyer**

**2024 Proxime Accessit: Zachary Vasquez**

# Head of Junior School Report

2024 has been an amazing year for Junior School. We have grown in every area, with opportunities for students remaining a highlight.

As it was my first year at Canterbury College, I had much to learn. Reflecting on the Junior School, a few key takeaways stand out. The community - parents, grandparents, and special friends - have been overwhelmingly supportive. Their enthusiasm and commitment to providing the best opportunities for their children are evident. Our teachers' professionalism and dedication ensure every child thrives. Most importantly, the students - the heart of Canterbury College. I have loved getting to know them, especially seeing our Early Learning Centre children integrate with the Junior School, a connection set to grow in 2025.

This year has been filled with wonderful events. In sport, we had the Cross Country, Athletics, and Swimming Carnivals. The Easter Hat and Book Week parades were spectacular. Music, Choir, and Dance featured performances, concerts, assemblies, and eisteddfods. Our students have excelled in the arts. Academically, they have shone in competitions and challenges against other schools. We celebrated Spark expos, Spanish language days, 100 days of Prep, Under 8's Day, JTAS sports, and Year 6 milestones. These experiences help our children thrive.

A major highlight was the opening of the new Year 1 and 2 precinct and undercover area. These state-of-the-art classrooms include a specialised library, dance facilities, and a STEAM room. The surrounding grounds are beautiful, and the children love them. I eagerly await the new playground - another space for creativity and fun!

Our Junior School has been led ably by students and staff. To our student and house captains, thank you for your work with our school community this year. To the Junior School leadership team – Alisha Richardson, Andrew Powell, and Brittany Sinclair – I commend your dedication to maintaining Canterbury College's standards and values and your unwavering support of me, the students, and families you work with.

Thank you to Natalie Birt for leading Learning Support, Christina Jasem for supporting literacy growth, and Ben Maxfield for leading sport. To Leigh Mayes and her team in the ELC and OSHC, we appreciate your guidance of our youngest Canterbury members.

Each child's learning journey is unique and invaluable. It takes a village to raise a child, and Canterbury Junior School is an incredible village. I eagerly anticipate the year ahead as we continue striving for excellence and care in all we do.

Canterbury Early Learning Centre

# Early Learning Centre: Family Picnic

On Friday 22 March, our Early Learning Centre welcomed all its families for their BYO Family Afternoon Picnic.

Laughter, smiles and friendly conversations filled the air as parents and carers mingled with teachers, educators and fellow families, while our ELC children enjoyed some extra playtime together on campus.

Thank you to everyone who joined us on the day.

# ELC - Prep: Easter Hat Parade

The annual ELC – Prep Easter Hat Parade took place in the CEC on the final day of Term 1.

A big ‘thank you’ to our amazing Canterbury families for being part of this special event.

Your hard work and creativity truly shone through in the wonderful hat designs, making the parade a memorable celebration.

# ELC – Year 2: Under Eights Day

On Friday 7 June, we hosted our 2024 Under Eights Day in the CEC Precinct, filled with fun activities celebrating this year's theme: Connecting to Culture Through Play.

We had our local Fire and Police Services sharing some valuable information with our students.

There were also dress-ups, face painting, storytime, constructing recyclables, crafts and much more to keep everyone entertained.

Our students were thrilled by a magic performance in our CEC featuring bubble tricks.

A few lucky students even got to step inside giant bubbles!

Wrapping up their exciting day was a good ol' fashioned disco, where our ELC to Year 2 students danced the school day away with the Macarena, rock-style air guitar and a long line of limbo.

# ELC - Year 2: End of Year Christmas Concert

On Friday 22 November, our youngest performers lit up the stage for the 2024 ELC – Year 2 End-Of-Year Christmas Concert held inside the CEC.

The evening was filled with yuletide joy as our ELC, Prep, Year 1 and Year 2 students charmed the large and eager audience with their delightful singing and dancing.

Congratulations to all the students for their hard work in rehearsals, and for their wonderful performances on the night, and thanks to their dedicated teachers for guiding them over the past few weeks.

We also wish to thank our parents, carers and families for coming together to celebrate this much-loved event, which consistently draws one of our larger crowds of the year.

# ELC - Year 6: Grandparents and Special Friends Day

On Friday 18 October, our Junior School welcomed ELC – Year 6 students' grandparents and special friends to celebrate this event in the CEC and classrooms.

The day began with dance and choir performances, followed by classroom visits where guests and students enjoyed activities and toured the campus together.

This occasion allows students and the Canterbury community to express gratitude for the love and support of grandparents and special friends, beyond Mother's Day and Father's Day events.

A heartfelt thank you to all who attended – your presence strengthened intergenerational bonds and made the day truly memorable.

# ELC - Year 6: Book Week Parade

This year's theme: 'Reading Is Magic' sparked a huge outpouring of creativity as our ELC to Year 6 students transformed into their favourite book characters.

From well-known superheroes, to Harry Potters, Frozen Elsa princesses, and Alices in Wonderland, the Canterbury Events Centre was filled with joy and literary enthusiasm.

We extend our heartfelt thanks to all the parents and carers who helped make this major event a vibrant success, with their hard work and patience behind the scenes making these costumes with their children.

Our inhouse favourite Book Week student costume was the young boy who actually dressed up as our very own Mr Paul Penny, and proudly carried around the literary masterpiece 'Mr Penny's Potato Patch' written by Canterbury's own Head of Libraries & Information Services Mrs Anita Pendreigh.

# 100 Days Of Prep Celebration

On Thursday 18 July, our Prep students celebrated 100 days of learning at Canterbury College.

Our little ‘Preppies’ dressed as ‘100-year-olds’ or imagined their future selves while enjoying a day of fun activities.

They led the Junior School Assembly, showcasing their counting up to 100 for parents and carers with some very cute performances.

Congratulations to our wonderful Prep students on this milestone!

A heartfelt thank you to all the parents and carers for supporting this event and creating the fantastic ‘oldies’ costumes.

# Prep: Indigenous Culture Incursion

On Tuesday 3 September, our Prep classes enjoyed an Aboriginal culture, art, and storytelling incursion.

Throughout Term 3, students explored key aspects of Aboriginal and Torres Strait Islander cultures, reflecting on similarities and differences with their own.

The incursion deepened their understanding of First Nations stories, both historical and contemporary, which are expressed through art, digital media, drama, and dance.

Presenter Mr Rick Roser engaged students in activities such as boomerang throwing, fire-making, natural body and face painting, and creating emu feather hair decorations, highlighting the richness of Indigenous culture.

# Prep: Professor Jellybean Science Incursion

On Wednesday 9 October, our Prep students enjoyed an exciting Science incursion with visiting educator Professor Jellybean.

They explored the scientific topic of ‘Colour Your World,’ and Professor Jellybean led a hands-on investigation into the colourful world around us.

Students learned how light energy flows and how sunlight powers life on Earth.

A highlight was mixing a seaweed solution with calcium water to create colourful ‘worms,’ demonstrating a fascinating chemical reaction.

They also prepared seed bombs to plant later, which will bloom into vibrant, insect-attracting flowers, connecting them to nature.

Through these activities, Professor Jellybean made science fun and interactive while integrating key elements of the Australian Curriculum.

# Prep - Year 6: Canterbury Kitchen Garden Activities

Canterbury Kitchen Garden

plant • gather • create • learn

## TERM 1

Prep – Year 4 students kicked off the year by weeding and preparing the Campus Kitchen Garden for new crops. They also created Easter Garden Pots, learning about the Easter story through symbolic elements like the Hill of Golgotha, the empty tomb, and new plant growth. Year 3 planted grass seeds, while others used 'Sedum Blob.'

To wrap up the term, Years 2-4 made pizzas using fresh herbs from the school garden.

## TERM 2

Students across Prep – Year 6 worked together for the annual carrot harvest, collecting as many as they could.

## TERM 3

On 1 August, Year 4 students honed their cooking skills by preparing a Bok Choy Stir Fry with 'Professor Chef' Mr Colin Mason, using fresh ingredients from the garden.

# Prep - Year 6: Lunchtime Reptile Visit

On Wednesday 14 August, our Prep to Year 6 students participated in an educational session at lunchtime as part of National Science Week.

They learned about the eons of reptile evolution, their various survival mechanisms, and the unique biological characteristics of these cold-blooded and scaly creatures firsthand.

Thanks to Sarah from True Blue Reptiles for leading these informative lessons and introducing us to their remarkable reptilian guests, which included turtles, snakes and lizards.

# Prep – Year 6: Spanish Language Festival

On Wednesday 7 August, our Prep – Year 6 students enjoyed a vibrant Spanish Language Festival, celebrating the cultures of Spain, Central and South America.

Students participated in cultural arts and crafts, music and dancing.

The festival allowed students to use their Spanish skills while exploring Spanish-speaking cultures, emphasising the importance of respecting and appreciating diversity.

Exciting activities included Sombrero Crafts, Alebrije and Euros Colouring, Day of the Dead Masks, Flag Bracelets, Bingo with Spanish Numbers, Colours and Animals, Spanish Trivia and a popular Flamenco dance class.

A huge 'gracias' to our Senior School Spanish students for supporting this event and helping make it a success.

Thanks to Flamenco House, a Brisbane-based company specialising in Spanish Dance Workshops, for their fun performance in our CEC.

# Year 1: Kingston Butter Factory History Excursion

On Tuesday 12 March, our Year 1 students embarked on an enriching educational journey at the Kingston Butter Factory, immersing themselves in diverse subjects such as Humanities and Social Sciences, Science and Visual Art.

During this insightful visit, our young learners engaged in various exhibits and activities, including:

- Exploring the BIG VOICES: Children's Art Matters exhibit.
- Creating artwork inspired by First Nations Peoples and local community members.
- Discovering digital stories like 'Our Uncles Our Aunties' and 'Waijin: The Guardian of Scrubby Creek' in the First Nations' Space.
- Examining historical photographs of the Kingston Butter Factory.
- Exploring the Historical Museum.

# Year 1: Queensland Fire Services Science Incursion

On Monday 15 July, our Year 1 students were visited by the Queensland Fire and Emergency Service.

The Fire Education program provided engaging, interactive learning experiences to help students understand the difference between good and bad fires, the dangers of smoke, when and how to dial Triple Zero (000) in an emergency, the role of emergency services, fire safety, and the importance of having a school and home escape plan.

Thank you to these wonderful firefighters for taking time out from their busy schedules to educate our students on-site.

# Year 2: Beenleigh Historical Village History Excursion

On Tuesday 12 March, our excited Year 2 students took a step back in time at the nearby Beenleigh Historical Village and Museum.

In small groups, they explored the village's colonial history and were given a taste of the 'olden days'.

Highlights included live demonstrations of...

- an operational fire engine
- traditional laundry techniques
- a printing press in action
- the Loganholme 'one teacher only' school classroom

In this last display, our little excursioners learnt about historical classroom etiquette, old generation teaching tools, and the 'multi-year-level' instruction methods used by the solitary teacher.

# Year 2: Life Education Van Visit

Our Year 2 students had a fantastic time during their Life Education Queensland session in Term 3, diving into important topics around health and wellbeing. With the help of Healthy Harold – the much-loved giraffe mascot – they explored ideas like nutrition, friendships, and emotional health through fun, age-appropriate activities that encouraged curiosity and discussion.

We were lucky enough to capture some wonderful photos of our Year 2s fully immersed in the experience, making the most of this engaging and educational incursion.

While the Life Education Van visited all Junior School classes from ELC to Year 6, this year's Year 2 cohort truly shone in their participation – and we're thrilled to highlight their involvement in this special yearbook feature.

# Year 3: Lone Pine Koala Sanctuary Science Excursion

On Wednesday 29 May, our Year 3 students visited Lone Pine Koala Sanctuary as part of Canterbury's Science unit on living and non-living things.

Education officers guided our students in exploring the characteristics of living things and helped them classify various animals.

# Year 3: Outdoor Education

On Tuesday 22 October, our Year 3 students were bussed to PGL Kindilan in Redland Bay.

This immersive Outdoor Education program aims to enhance resilience, confidence and peer bonding through activities like aero-ball, canoeing, high ropes and various other problem-solving challenges, all delivered by trained PGL Activity Instructors.

# Years 3-6: Annual School Disco

On Friday 7 June, our Canterbury Events Centre was transformed into a lively party space with vibrant strobe lights, energetic music, and joyful energy for our annual Years 3-6 Junior School Disco.

# Year 4: Outdoor Education Camp

On Wednesday 4 September, our Year 4 students set off for their Outdoor Education Camp at Tyalgum Ridge Retreat, near the Gold Coast hinterland.

Over three days, they explored 350 hectares of breathtaking mountain scenery, soaring through the treetops on high ropes, meeting friendly farm animals, and enjoying scenic hikes.

Through activities like low ropes challenges, camp skills and scavenger hunts, students developed teamwork, courage, and critical thinking - making unforgettable memories along the way.

# Years 4-6: Science Factory Expo

On Tuesday 13 August, we hosted an immersive Science Factory Expo for Years 4-6 in the CEC.

Science encourages curiosity, exploration, and questioning. The expo featured 50 interactive science and technology activities, from hearing heartbeats with stethoscopes to animal x-rays and creating wind with a bucket and elastic. Each activity had clear instructions, making it a guided discovery experience.

Students engaged in hands-on learning, enhancing creativity, problem-solving, and critical thinking in a fun, educational environment.

The event aligned with the Science ACARA (Australian Curriculum, Assessment & Reporting Authority) Curriculum by:

1. Developing inquiry skills through questioning, hypothesising, and investigation.
2. Fostering a scientific mindset and critical thinking.
3. Encouraging creative and analytical use of scientific knowledge.

# Year 5: Gold Rush Excursion

On Tuesday 10 September, our Year 5 students participated in the Eureka Excursions Interactive Learning Program, enhancing their understanding of Australia's Gold Rush period.

This immersive, full-day program provided a valuable opportunity for students to engage with historical content through role-play, observation, and mapping activities set in a recreated New South Wales goldfield township of 1854.

# Year 5: Outdoor Education Camp

On Monday 29 April, our Year 5 students set off on an exciting Outdoor Education Camp, designed to foster leadership skills through teamwork, communication and problem-solving.

Students engaged in fun yet challenging activities that encouraged them to collaborate effectively.

Working in small groups, they tackled structured problem-solving tasks and participated in high-adventure experiences that pushed them to think critically and communicate clearly.

The camp was an unforgettable experience, equipping students with valuable life skills and preparing them for the leadership roles that lie ahead.

# Years 5-6: The Resilience Project – Brisbane Broncos

On Tuesday 27 August, our Junior School Years 5-6 students were treated to a special visit from two Brisbane Broncos sporting stars, as part of our whole College's wellbeing program: The Resilience Project.

Longtime Broncos second-rower and former skipper Alex Glenn (now retired), and current NRL Women's Broncos captain and superstar Ali Brigginshaw, hosted an interactive workshop with our students focused on resilience and wellbeing.

Through personal life, sport and team stories and practical strategies, they provided valuable insights aimed at fostering mental resilience among our young students.

The workshop centred around the principles of GEM: Gratitude, Empathy and Mindfulness, plus Emotional Literacy, equipping students with essential tools to enhance their emotional intelligence and promote positive mental health.

By sharing their own experiences and discussing the importance of these principles, Alex and Ali encouraged our students to cultivate a resilient mindset too.

We extend our heartfelt thanks to Alex Glenn, Ali Brigginshaw and the Brisbane Broncos for their contribution to our students' own wellbeing journey – and for all the autographs at the end!

# Years 5-6: Spark Program

Spark is a hands-on STEAM (Science, Technology, Engineering, Arts, and Mathematics) program for Years 5 and 6, unique to Canterbury and Queensland.

Each semester, students choose one subject from 12-14 options. Those selecting the same subject are grouped together and taught by relevant staff.

Spark fosters curiosity encourages students to try new things and supports their 'World Ready' learning journey.

The program runs weekly for two hours, with students encouraged to extend their learning beyond the classroom.

Spark focuses on critical and creative thinking, personal and social capability, ethical understanding, and intercultural understanding, as outlined in the Australian Curriculum.

At the end of each semester, the Junior School hosts a Spark Learning Expo, where students showcase their projects to the Canterbury community.

## Spark Learning Expos – Semesters 1&2

**Subjects:** 3D Movie Animation, $20 Boss, Mission to Mars, Fast Fashion, Junior Creators Learning Lab, Bodywise Explorers, International Space Farm, Recycle, Repurpose & Reinvigorate, Community Awareness Adventure, Creative Communities, Techno Tales: A Journey Into AI Powered Sci-Fi Creation, Digital Technologies, Industrial Technology Skills, Profit From Plants, Dance In Action, Shark Tank Inventors, Build Your Brain, Form VS Function: Bookbinding, Videos for Social Change

# Year 6: Outdoor Education Camp

During Week 3 of Term 2, our Year 6 students enjoyed their three-day outdoor adventure at the Noosa Outdoor Education Centre in Cooroibah on the Sunshine Coast.

They immersed themselves in building sunshades and catapults, doing kitchen and fireplace cooking, archery, swimming, hiking, first aid, and many other great activities focused on teamwork, leadership, social inclusion, and personal development.

# Year 6: Christmas Donation Tree

Our Junior School Student Leaders set up Christmas Gift Donation Trees in the Junior School Admin Foyer, ELC Foyer, and Junior School Library, marking the start of the 2024 Canterbury College Christmas Gift Appeal in support of Anglicare Southern Queensland.

Anglicare, with over 150 years of service, supported vulnerable Queenslanders with compassion, helping them live with dignity and hope.

We invited our Canterbury Community to donate gifts by placing them under any of the Christmas donation trees, and each donation brought joy and a message of hope to children in foster care, reminding them they were valued and supported by their local community.

We thank everyone for helping us share the true spirit of Christmas!

# Year 6: Festival Day

To celebrate the final school day of Term 4 and 2024, and their last day in Junior School, our Year 6 students enjoyed a fun-filled Festival Day engaging in various group activities.

This popular annual tradition brings joy across the whole cohort, while strengthening their social and emotional bonds with each other, as they transition to the next chapter of their school journey into Senior School.

# Year 6: End of Year Celebration Ceremony

On Wednesday 27 November, we celebrated our Year 6 students at the 2024 Canterbury Year 6 Celebration Evening.

It was a time for reflection, joy and anticipation as we looked back on their Junior School years and prepared for their next step into Senior School.

The event featured laughter, gifts, applause, choreographed dancing, delicious Poké bowls, drinks, and cherished photos with family and friends.

# Year 6: Rite of Passage Ceremony

On Thursday 28 November, our Year 6 students marked their transition to Senior School with the Rite of Passage tradition.

Our six Houses welcomed their newest members with a formal parade onto the Senior campus – the final event of the 2024 Canterbury School Year.

# Head Of Senior School Report

## A Matter of Time

As we reach the end of another remarkable school year, I reflect on the journey we've taken together. Time waits for no one, and this year has proven that. From the first day to final exams, every moment has been a stepping stone in our journey. Time has been our constant companion, guiding us through highs and lows, challenges and triumphs. It has been a year of growth, learning, and transformation.

On Tuesday 23 January, the College was filled with anticipation and excitement. The start of the year brings renewal and possibility. For Year 12 students, it marked their final year celebrations with the Last First Day Lunch, while Year 7 students may have felt the nerves of their first day in Senior School. New faces, classes, and opportunities awaited every student. The start of the year offers a chance to set goals and embark on the journey with determination.

As the months passed, we engaged in Term 1 sports and activities, prepared for music concerts, and tackled our first assessments. There may have been moments of doubt, but it was during these times that students discovered resilience. They learned to manage time, balance academics, co-curricular activities, and personal commitments.

The middle of the year brought rhythm and routine, providing opportunities for growth. This year, we were fortunate to have guest speakers who enriched our experiences. Seamus Evans inspired students to embrace differences as superpowers. Daniel Principe helped young men understand the influence of social media and advertising on masculinity. Peer Power and Sacred Sister worked with young women on self-worth and the challenges of social media. We also supported parents with a visit from Dr Justin Coulson, a parenting expert who presented on building resilient young people.

As we neared the end of the year, senior events, final assessments, and graduation preparations filled our days. Celebrating students' successes in academics, sports, the arts, service, leadership, and spirit is a highlight of year-end festivities. We hope this not only acknowledges excellence but also inspires others. We reflected on the journey, on Speech Night and Cocurricular Night, with pride, knowing students made the most of their time and talents in 2024.

Now, as we look to the future, we carry the lessons we've learned. Time has taught us patience, perseverance, and appreciation for the present. It has shown us that every moment is precious and shapes who we are.

To the Class of 2024: Embrace the future with confidence and courage. Time will be your guide, and the memories made here will be your foundation. As you move forward, remember every second counts—make the most of every opportunity.

To returning students: Continue making the most of your time here. Set new goals, take on challenges, and support each other. The journey continues, and there is always more to learn and achieve.

I express my gratitude to the Senior School community. Your dedication, hard work, and heart have made this year special. As we move into 2025, let us cherish the moments that shape our lives.

## Year 8: Visual Art Pottery

Our Year 8 Visual Art students were busy making thunderegg pots in Term One.

This unit builds ceramic modelling and sculptural skills.

It teaches students how to develop concepts into aesthetically pleasing three-dimensional forms.

Students were introduced to various hand-building, joining and decorative techniques.

## Year 12: Art Class

On Thursday 30 May, our Year 12 Visual Art classes welcomed multi-award-winning artist Carolyn V Watson.

During this guest-led workshop, students learned to transform wire and repurposed materials into pieces of greater artistic value.

They also experimented with melted beeswax to strengthen and stiffen elements of their work.

## Year 8: Digital Solutions

On Thursday 7 November, our Year 8 students explored coding, problem-solving, and digital design. They engaged in hands-on activities, building key tech skills for the future.

## Years 9-10: IT Immersion Day

On Wednesday 1 May, our Years 9 and 10 students explored 'Digital Skills for Your Future' during IT Immersion Day.

The day featured presentations and practical activities designed to build key digital skills.

## Years 11-12: Film and TV Incursion

On Thursday 2 May, our Years 11 and 12 Film, Television & New Media students participated in a day-long workshop hosted by Mr Stewart Tyrell – an experienced filmmaker and educator from Griffith Film School.

Sessions focused on cinematography and post-production, with an emphasis on Adobe Premiere Pro – a widely used video editing software.

Topics included experimental editing, special effects, and motion and time manipulation techniques.

This hands-on experience helped students refine their editing skills and deepen their understanding of professional editing tools.

Thank you, Mr Stewart Tyrell, for sharing your expertise with our students.

This workshop was made possible by Essential Screen Skills Qld, our official Gateway to Industry Schools Program partner, with Stewart representing them on campus.

# Year 9: Drama Assessment

On Wednesday 20 March, our Year 9 Drama students performed scenes from David Burton's Wisdom as part of their Contemporary Theatre assessment.

The play explores a future where aging halts at 16 due to a revolutionary injection, leaving people physically frozen in adolescence while continuing to mature emotionally and mentally.

It challenges ideas of wisdom and whether age truly equates to expertise.

# Years 8 and 12: Dance Incursion

On Tuesday 30 April, our Years 8 and 12 Dance students explored Hip Hop Dance with Keisha Joy from the Bloodline Dance Company.

Bloodline's Director, Hillary Stowers, was a founding member of Australia's 'Academy of Brothers', representing the country at major competitions in Australia and the USA.

Keisha brought her experience and dynamic energy to the workshop.

This experience supports the students' Term 2 study in the 'Practices and Skills Strand' of their Dance curriculum.

The 'Moving to Entertain' unit includes exposure to the genre and professional artists, and we're grateful for Bloodline's time and enthusiasm.

# Year 12: Ballet Dance Incursion

On Friday 3 May, some of our Year 12 Dance students took part in a ballet workshop with a professional dancer from Queensland Ballet.

Students learnt about ballet history, rehearsed company repertoire, and explored how to relate the work to their own style for their Senior Dance Project.

# Year 8: English – End Of Year Critical & Creative Thinking 'Escape Room' Classroom Activity

In Year 8 English, some of our students tackled an engaging team-building 'Escape Room' activity.

This immersive experience involved working through a series of critical thinking English-based challenges, where students collaborated in small groups, solved puzzles and unlocked codes to progress through each station.

There were Task Cards outlining instructions around decoders, mazes, logic puzzles and picture puzzles, with an overarching Code Breaker Tracking Sheet.

This interactive approach encouraged critical thinking, effective communication and problem-solving, while allowing students to enjoy a special learning experience.

The race to 'escape' brought out plenty of excitement, energy and teamwork – skills they will carry into their studies and beyond.

# Year 8: English - A Taste for Reading

Our Year 8 English students recently indulged in a 'Book Tasting' activity that turned their classroom into a vibrant 'Literary Café' complete with menus and table numbers.

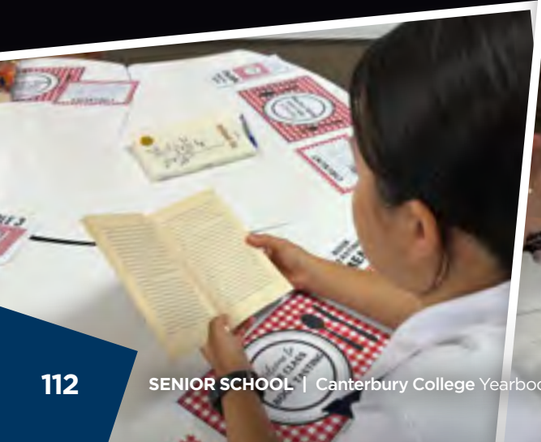
Students explored a diverse menu of genres, including graphic novels, biographies, science-fiction, speculative fiction, classic literature and more.

This immersive experience allowed them to 'sample' various books, sparking curiosity and fostering a greater love for reading.

After their tastings, students shared their impressions and discussed which books they were most excited to devour next.

They each had checklists to record which genres they had trialled, and their menus required them to write down how they felt about each title, and if they would read it or not.

It was a fantastic way to ignite enthusiasm for literature and broaden their reading horizons.



# Year 11: Senior Literature Class

Our Year 11 Senior Literature students studied Chimamanda Ngozi Adichie's collection of short stories in her very popular book: **The Thing Around Your Neck**.

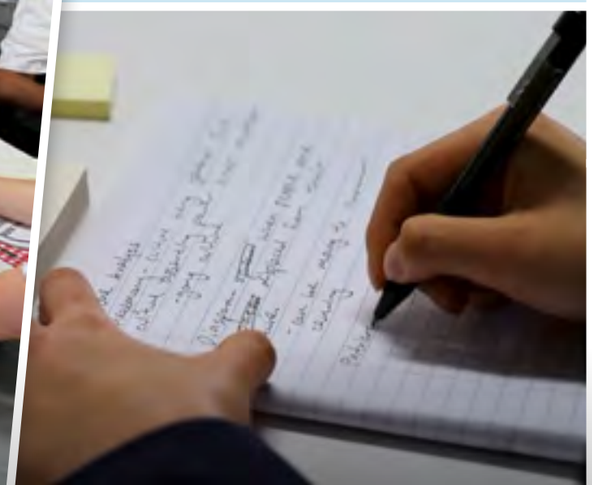
The first story titled 'Cell One', delves into the life of Nnamabia, a young Nigerian man imprisoned for stealing and pawning his mother's jewellery.

Through his story, the narrative vividly portrays the challenges of navigating a corrupt political system and the erosion of authority in Nigeria.

Studying literature provides a great foundation for life beyond school.

It gives students the essential skills to critique and analyse texts adeptly, fostering confidence in discussing literary works.

Moreover, it cultivates creative and critical thinking skills, preparing students for the complexities of higher education and beyond.



## GLOBAL STUDIES

# Years 7-11: History Week

In Week 6 of Term 2, Senior students participated in History Week activities in the Senior School Library's Digital Hub. Events included a music quiz, history challenges, and creative AI projects based on historical themes.

# Year 9: Mandarin Excursion

On Monday 10 June, Year 9 Mandarin students explored Chinese food culture and dining etiquette with a visit to Sunnybank Plaza. Students practised their Mandarin by ordering food and completing a scavenger hunt, engaging in an authentic cultural setting.

# Year 10: Spanish

In Term 2, Year 10 Spanish students researched sustainable practices in First Nations communities across the Americas, learning about their environmental efforts and their influence on global awareness through observances like Earth Day.

# Years 11-12: Japanese Excursion

On Friday 12 July, Years 11 and 12 Japanese students visited the Consulate-General of Japan, Genki Mart, and enjoyed a traditional Japanese lunch. They also participated in a karaoke session, immersing themselves in Japanese culture.

# Years 7-12: French | Bastille Day

On Tuesday 16 July, Year 9 French students hosted Bastille Day activities. They enjoyed a trivia challenge on French history and wore costumes for a photo booth. Bastille Day commemorates the fall of the Bastille during the French Revolution, symbolising the fight for liberty, equality, and fraternity.

# Year 8: Mandarin | Dumpling Making Incursion

On Monday 2 September, Year 8 Mandarin students participated in a cultural incursion to learn how to make dumplings. This term, they studied leisure activities, learning both the language and cultural significance of Chinese pastimes.

Dumpling making in China symbolises unity and prosperity, often bringing families together during special occasions. The incursion allowed students to experience this hands-on and deepen their appreciation of Chinese culture.

# Years 7-12: Spanish | Day of the Dead

On Friday 1 November, Spanish classes explored the traditions of Día de los Muertos. This Mexican holiday honours departed loved ones, with families creating altars decorated with photos, mementos, and foods. It is a mix of heartfelt remembrance and light-hearted celebration.

# Languages Week

## Lunar New Year Lion Dance

Languages Week kicked off on Monday 12 February, with teachers wearing red to mark the Lunar New Year. Students and staff were treated to lively Lion Dances and captivating musical performances.

## Karaoke!

At Tuesday lunchtime during Languages Week, we had a blast with multilingual karaoke in the Senior School Library. From French to Spanish, students and Global Studies teachers celebrated language diversity through music.

## Trivia Challenge

On Wednesday at lunchtime, we had an exciting Trivia Challenge in the Senior School Library's Digital Hub. Years 7-12 student teams competed in answering questions about different cultures. Congratulations to the winning team with an impressive score of 24/30!

## International Photo Booth

Thursday's Language Day featured an international Photo Booth. Senior School students dressed in traditional attire and took photos in locations like Paris, Tokyo, Spain, Mexico, and the Great Wall of China, thanks to green screen technology. It was a fun way to wrap up our four-day celebration of cultural diversity.

## Year 7: Food and Hospitality

On Wednesday 16 October, our Year 7 Food and Hospitality students became crime scene investigators during a lesson on food safety and workplace health led by Ms Kim Cooper.

Faced with a fictional victim's mysterious kitchen injuries, students uncovered critical hazards – improper knife washing, risky food prep, overlooked allergy precautions, careless oven tray handling, salmonella risks, and spillages – all contributing to the scenario.

Through this engaging activity, students gained practical knowledge of kitchen safety and hygiene. Their teamwork and problem-solving skills made for a fun, memorable learning experience.

By session's end, students left with confidence to apply these practices in any future commercial kitchen.

## Years 8-9: Cooking Class

In Term 3, Year 9 students explored cooking as a chemical process.

They investigated how chemical reactions affect starches, sugars, proteins and lipids, applying their knowledge in an assessment that saw them create choux pastry filled with chocolate mousse.

They also made caramel and decorated pastry towers with sugar work.

In another session, students made meringue nests to learn how denaturing proteins creates stable foams using egg whites and sugar.

Meanwhile, Year 8 explored food culture through global cuisines, preparing dishes such as spaghetti carbonara, Vietnamese spring rolls and beef enchiladas.

They researched a specific culture, planned a meal around it, and incorporated an element from another culture into their dish.

## Years 9-10: Rugby Academy – Officiating Course

On Friday 19 April, Years 9 and 10 Rugby Academy students completed their Level 1 Touch Football officiating course.

Delivered with support from Queensland Touch Football (QTF), the course equipped students with the skills to officiate games confidently and accurately.

Students can now referee at local and community levels, opening pathways through QTF as accredited match officials.

Thank you to all students for their respectful attitude, full engagement and effort.

# Year 11: Etiquette Lesson

On Friday 13 September, Year 11 students marked the end of Term 3 with a Wellbeing class focused on fine dining etiquette.

Held in a restaurant-style campus setting, Hospitality students served a three-course meal while Mrs Lainey Loneragan of Etiquette & Manners Australia guided students through formal dining protocols.

Students learned about correct cutlery use, glassware, bread selection and overall fine-dining behaviour. They also explored introductions, phone and communication manners, personal hygiene, handshakes and dress codes.

These practical life skills will benefit them well beyond school.

# Year 11: Hospitality Camp

In Term 3 Week 2, Year 11 Hospitality students attended a three-day camp at Amora Hotel and Hyatt Regency Brisbane.

This immersive experience offered valuable insights into real-world hospitality and the diverse careers within the industry.

# Year 11: Building and Construction

On Wednesday 12 June, Year 11 students completed the practical component of their Site Preparations and Foundations module.

They learned how to construct formwork for concreting, and were trained in using a cement mixer, placing concrete, and hand trowelling.

They also experimented with Glass Fibre Reinforced Concrete (GFRC) – an alternative to traditional steel reinforcement.

# Years 11-12: RSA Course

On Thursday 15 August, Certificate III in Hospitality students and other Years 11 and 12 students completed their Responsible Service of Alcohol (RSA) Course.

An RSA qualification is essential for anyone working where alcohol is served or sold.

Students learned how to identify intoxication, refuse service safely, and understand the legal responsibilities of serving alcohol.

They also wore RSA goggles to simulate intoxication and practise handling challenging scenarios.

# Year 12: Building and Construction

In 2024, Year 12 Building and Construction students designed and built two staircases for the Bush Chapel.

This real-world task allowed them to apply their construction and mathematical skills under the guidance of Mr Warren Musk.

Congratulations to all for their hard work and professionalism.

## Years 5–12: Interhouse Maths Competition – Thursday 14 March

In Term 1, we held our annual Interhouse Maths Teams Challenge during lunch and Assembly.

Students from each House competed in age-group maths relays, logic challenges, and a pi decimal place contest.

## Interschool Maths Teams Challenge – Wednesday 17 July

Held in the Canterbury Events Centre, 80 teams from Years 5–12 across 26 schools competed in maths problem-solving rounds.

Canterbury Team A won the Primary Division and came second in the Intermediate Division.

This event continues to grow – from 47 teams in 2022 to 80 in 2024.

**Mr Peter Hull:** Fitstop Founder & CEO | Speaks with Canterbury Year 7 Business Students Zavier and Declan

**Mr Jason Daniel:** LSKD Founder & CEO | Speaks with Canterbury Year 7 Business Students Ottelia and Sidney

## ENTREPRENEURSHIP

## Year 7: BEE Entrepreneur Insights

Year 7 students developed entrepreneurial mindsets and created their own podcasts.

They learned vital business skills with many students conducting interviews with local and global entrepreneurs. This hands-on project fostered creativity, confidence, and real-world communication experience in a fun, engaging way.

## Year 8: Business Economics & Entrepreneurship

### Mother's Day Gifts Pop-Up Market – Thursday 9 May

Year 8 BEE students launched their Mother's Day pop-up stalls, showcasing handmade products designed as part of their Entrepreneurial Design project.

### Christmas Gifts Pop-Up Market – Thursday 14 November

Our Year 8 students brought holiday cheer with a Christmas-themed market featuring festive treats, candles, jewellery, Crocs jibbitz and more.

## Years 9–10: Start Up

Start Up students captivated Industry Professionals as they showcased their goods and services and sought advice from our local business community.

In addition to our school showcase Year 9 students Lincoln Crooks and Riley Morgan, co-founders of Bass Buster Lures, were named as Runner-Up and the People's Choice Award winners in the National Future Anything Grand Final.

Year 10 student Jade Marshall, founder of Paws and Pages, was awarded Runner-Up and the People's Choice Award in the semi-finals and produced an excel display at the National Future Anything Grand Final.

Congratulations to Year 9 students Savannah Peterson, Madison Rayment and Samir Yari who founded Eco Junior and reached the semi-finals of the competition.

# Young Business Leaders Program

Canterbury's Young Business Leaders journey began on Wednesday 17 April, with 27 students joining peers from across the region to launch the program. Supported by BOP Industries, BYJCC, Bendigo Bank and Logan City Council, students kicked off their start-up journeys by designing and budgeting their own business concepts.

The program concluded with the Young Business Leaders Breakfast Showcase on Thursday 13 June at Club Beenleigh. Students presented their final business ideas, with Bear (Artbands) winning *Best Branding* and Dekota (Delou) earning *Most Innovative Idea* - a fitting finale to a year of creativity, growth, and entrepreneurial achievement.

Throughout the year, students engaged in a range of entrepreneurial experiences, gaining real-world insights and feedback from industry professionals.

**SCIENCE**

# Year 9: Science on the GO! Incursion

On Wednesday 24 July, Year 9 students participated in a science incursion, led by Mr. Sidney Hooker from Griffith University, as part of the 'Science on the GO!' program.

Students engaged in visual and hands-on experiments, preparing for their upcoming assessments.

For these assessments, they will present smaller scientific experiments to Junior School students.

The enthusiasm and positive feedback from Year 9 highlighted the engaging nature of science.

## Years 11-12: Biology

On Tuesday 21 May 2024, our Year 11 and 12 Science students had the opportunity to learn from Dr Gurion Ang of The University of Queensland.

His workshop aimed to make Internal Assessment 3 (IA3) – Research Investigation less daunting by equipping students with essential research and analytical skills.

Dr G's expert guidance provided students with a strong foundation for their assessments, helping them approach IA3 with confidence.

## Years 7-12: Reptile Show

During lunch on Tuesday 13 August, our Senior School students participated in an educational session as part of National Science Week.

They learned about reptile evolution, survival mechanisms, and the unique biological traits of these cold-blooded creatures.

Thanks to Sarah from True Blue Reptiles for leading these lessons and introducing us to remarkable reptilian guests, including turtles, snakes, and lizards.

## Science Community Showcase

On Thursday 15 August, we celebrated our Science Community Showcase for 2024 National Science Week, exploring the fascinating world of matter in an engaging way.

Our Year 9 students captivated the audience with their Science Show demonstrations, while our teachers performed a series of intriguing experiments, all focused on matter.

In physics, matter exists in distinct forms – solid, liquid, gas, and plasma – each observable in daily life.

The event offered a variety of interactive displays and hands-on activities centred around the different forms of matter, sparking curiosity among attendees.

Some highlights included freezing flowers, grapes, and balloons, and measuring the speed of light using cheese and a microwave – all in a safe, controlled environment.

One crowd favourite was the Science Kitchen's liquid nitrogen frozen marshmallows, with a surprisingly crunchy texture.

Science at Canterbury College is always an adventure!

# Wellbeing Program

Canterbury's Wellbeing Program supports students in becoming educated, empowered citizens. While academic success is vital, true development includes physical, social, spiritual, digital, emotional, and future-focused growth. Guided by College Values, the program fosters holistic growth.

In 2024, the program adopted a whole-school approach to build resilience and personal development. The Resilience Project (TRP), focused on gratitude, empathy, and mindfulness, remained central. Our ongoing partnership with Senior Constable Mitch Collins addressed online safety, consent, respectful relationships, and safe social practices. Students also learned how to access support.

We introduced the 'Blurred Minds' program to raise awareness of substance-related risks, empowering informed choices. To support respectful citizenship, we partnered with Daniel Principe and Peer Power to deliver tailored, gender-specific messages.

A new house-specific initiative promoted leadership, service, and community engagement. Students led activities and supported chosen charities.

Senior students engaged with RACQ and Red Frogs to build awareness around safe driving and partying, preparing them for adulthood. The program aligned with outdoor education, promoting personal growth and community connection.

Students also participated in key campaigns, including Reconciliation Week, R U OK? Day, Bullying No Way, and NAIDOC Week. Academic wellbeing was reinforced through lessons on organisation and the Learner's Toolkit.

## Year Level Highlights

- **Year 7:** Students engaged with Unleashing Personal Potential (UPP), building peer connections and leadership skills. Girls participated in Sacred Sisters to support their high school transition and relationships.
- **Year 8:** Students explored respectful relationships and conflict resolution. Leadership skills were developed through rotations and a social justice project.
- **Year 9:** Focus areas included mindfulness, media influence on body image, personal boundaries, and career pathways.
- **Year 10:** Students developed resilience, career skills, identity, and safe driving awareness.
- **Year 11:** Focus areas included leadership, service, and the RACQ Distracted Driver Program.
- **Year 12:** Students focused on future readiness through sessions on ATAR, apprenticeships, life skills (e.g. investing, car maintenance), and budgeting. Reflection Day at Marian Valley marked a meaningful conclusion.

In 2024, Canterbury's Wellbeing Program continued to deliver diverse, age-appropriate opportunities, supporting students' growth into confident, capable individuals ready for the world.

COMMUNITY SERVICE

## 'Australia's Biggest Morning Tea' Bake Sale

The Canterbury Functions Centre was bustling with staff and students at our 'Australia's Biggest Morning Tea' Bake Sale, featuring delicious student-baked treats.

This annual nationwide fundraiser supports Cancer Council Australia, with vital donations directed towards research, prevention, and support services for those affected by cancer.

Thank you to our Years 10-12 Hospitality students and Canterbury staff for making this event a success and enabling our supportive community to contribute to this worthy cause.

Anglicare Southern Queensland

## Canterbury College Christmas Appeal

This year, we partnered with Anglicare Southern Queensland for our 2024 Canterbury College Christmas Appeal.

Anglicare is a very highly respected charity with over 150 years' experience providing care and support to vulnerable Queenslanders.

As part of the Anglican Church, Anglicare actively helps those in need, including children in foster care, the elderly, and individuals facing serious hardships.

They live their mission daily through compassionate support, helping the most vulnerable live with dignity and hope.

## Becket House
### Rosies: Friends on the Street

Becket House led a Community Service Initiative with Rosies: Friends on the Street. Becket students led our school to collect, pack and donate hundreds or hygiene packs for those who are experiencing homelessness or social isolation. Year 12 students supported Rosies' Street Outreach Program on Monday nights throughout the year. Our students assisted with food preparation and service and handed out the collected care items for those in need. On Thursday the 30 May, Becket House and Rosies volunteers hosted a mini Street Outreach outside the CEC, serving hot Milos and facilitating Campus Connections for Years 6 and 11 students. Rosies volunteers joined our Assembly and worked with Year 9 students in Service-learning workshops. Compassion and service exemplify the Becket House spirit, and we are incredibly proud of their efforts.

## Kime House
### Orange Sky Australia

In 2024, Canterbury was again named Orange Sky Australia's top fundraising school, raising an impressive $46,929 through The Sudsy Challenge. This effort funds over 1,900 loads of laundry for those in need. School Captain Lilly Rider, who launched the initiative in 2021, played a pivotal role in its growth. Year 12 students led with compassion and drive, uniting the school behind this cause. Nicholas Marchesi OAM, Orange Sky co-founder, visited to thank our students personally. Student Leaders also joined Premier Steven Miles for the campaign's statewide launch – a proud moment for Kime House and the wider Canterbury community.

## Cranmer House
### Cancer Council

On Friday 9 August, Cranmer House hosted a BBQ fundraiser alongside the Canterbury Rock School's Loud Lunch Concert to support Cancer Council's Daffodil Day. The event featured fantastic student band performances, including a cover of Ocean Alley's Lemonworld. Cranmer students, staff, and volunteers worked together running food, drinks, and donation booths. Their efforts helped raise $1,079 to support cancer research and awareness. Cranmer Wolves led their peers in Service-Learning workshops to learn about the important work The Cancer Council. Senior School students ran origami sessions to create paper daffodils with our Junior School students and their year level peers. Thank you to everyone who contributed – students, families, and staff – for embracing this meaningful cause and demonstrating our community's generous spirit. The Cranmer Wolf Pack showed outstanding initiative and teamwork in supporting Daffodil Day 2024.

## Ramsey House
### Beyond Blue

To mark Queensland Mental Health Week, Ramsey House led activities promoting mindfulness, connection, and emotional wellbeing. Over two weeks, students explored themes of self-care and resilience through classroom experiences that encouraged collaboration and reflection. A highlight was the Ramsey House-led Assembly, where students shared personal reflections, wellbeing tips, and mental health strategies. The event encouraged open conversations and helped foster a culture of care and inclusiveness across our school. Ramsey House's leadership in mental health awareness shows their deep commitment to student wellbeing and building a supportive, connected Canterbury community.

## Goldsworthy House
### 4 Voices

Goldsworthy celebrated International Women's Day with a powerful Assembly hosted by House Captains Ella, Sumayah, and Blythe. Guest speaker Jo Westh, founder of 4 Voices, shared her insights on supporting women and girls facing homelessness and social isolation. A fundraiser followed, with students selling purple accessories and raffle tickets, raising $2 572 supporting this important cause. On 8 March, senior students attended the Soroptimist Women's Day Breakfast, learning from Logan's Centre Against Sexual Violence. These events highlighted the strength of women in our community and reflected Goldsworthy's commitment to service, empowerment, and raising awareness for critical local initiatives.

## Temple House
### Sustainability Projects

The Temple Brumbies championed several sustainability initiatives and community initiatives in 2024, including Doughnut Day, Eggcellent Eggstravaganza and Food Fest. Their Term 2 launch of 'Containers for Change' encouraged students to recycle bottles and cans through special bins around campus. Student-led workshops and interactive games further promoted sustainability and responsible waste disposal. These fun, engaging events reflected Temple's strong commitment to environmental action and brought the community together to support lasting change. Their efforts continue to build momentum for future House-led sustainability projects at Canterbury.

# Canterbury World Ready Futures and Careers Expo

Our Years 10-12 students explored a range of career, study, and training pathways at Canterbury's 2024 World Ready Futures & Careers Expo on Wednesday 6 March.

Over 400 senior students attended 24 booths from universities, further studies, training, apprenticeships, and careers, including the Australian Defence Forces, USQ, Bond University, UQ, Griffith University, QUT, ACU, TAFE Queensland, The French Beauty Academy, Queensland Police Service, Australian Trade Training College, Queensland School of Film and Television, Queensland Fire & Emergency Services, OSMAC Apprenticeships, Queensland Tourism Industry Development, MIGAS Apprentices & Trainees, MEGT Australia, JMC Academy, BUSY At Work, BUSY Sisters, AADA College, Surveying Careers, and Health Gateway to Industry Schools.

The expo provided practical information and advice on post-secondary pathways, allowing students to speak with specialists, explore study options, and learn about various occupations.

We look forward to seeing where their talents, passions, and interests take them.

# Year 7: UPP - Unleashing Personal Potential Incursion

Today, all our Year 7 students undertook a very motivational all-day wellbeing workshop in the CEC. They tackled activities designed to help them step out of their 'comfort zone', while promoting positive communication and problem-solving skills. And each attending student really enjoyed the opportunity to learn, grow and connect with one another.

One activity challenged students to verbally guide their partners in guessing shapes or letters. They then attempted to draw these shapes or letters in the air with their finger, like 'reverse charades'.

Special thanks to the UPP: Unleashing Personal Potential and Forging Connections agency for facilitating this excellent wellbeing day with us. UPP is dedicated to teaching students strategies around personal engagement in relevant, challenging, practical and inspiring ways. They specialise in building growth mindsets, grit, wellbeing, healthy relationship skills and leadership skills.

# Senior School: Outdoor Education

These camps focused on developing self-sufficiency, resilience, communication, teamwork, mateship, and character.

They push students outside their 'comfort zone' in the outdoors, at the heart of our wellbeing focus on personal growth for everyday and school life.

## Year 7: Outdoor Education

The Year 7 Camp was held over three days at Adventure Alternatives' dedicated site at Kenilworth in the Northern Sunshine Coast Hinterland. Students prepared their own meals, slept in tents, and participated in high ropes, hiking, and more. They worked in House groups to navigate physically and mentally demanding scenarios and obstacle courses, cooperating with teammates.

## Year 8: Outdoor Education

Year 8s moved from dependence on others to greater independence. Their time at Brooyar Outdoor Education developed critical thinking, helping them make better decisions. Emphasis was placed on challenging limits, self-awareness, and the value of relationships through bushwalking, high ropes, and obstacle courses.

## Year 9: Outdoor Education

Year 9 students attended their annual camp at Adventure Alternatives in Kenilworth. Over three days, they prepared their campsite and meals, explored the local Bush Tucker and Medicine Trail, hiked, tackled high ropes, and participated in obstacle course challenges.

## Year 10: Outdoor Education

On Tuesday 12 November, Year 10 students went to Emu Gully for their Outdoor Education Camp. This experience enhanced their teamwork, resilience, and risk-taking abilities across various obstacles.

## Year 11: Outdoor Education

On Monday 5 February, Year 11 students attended a three-day camp at Emu Gully. This experience developed resilience, interdependence, teamwork, leadership, social competence, and problem-solving skills. The mud was incredible, the camp food delicious, and the connections strong.

# Creative Industries Showcase

## On Friday 31 May, we hosted our 2024 Creative Industries Showcase inside our CEC.

This display-based event featured a wide collection of artworks, photos, sculptures, drama props, dance costumes and furniture building projects from our Senior School students.

The showcase covered our entire Creative Industries Faculty, which includes the subjects: Building & Construction Skills; Dance; Design; Digital Solutions; Drama; Film, Television and New Media; Furnishing Skills; Industrial Technology Skills; Music and Visual Art.

Students, families, carers, and staff were delighted to explore the diverse and impressive work produced by students across Years 7-12.

# Year 10: Two-Day Micro-Credential Courses: Days 1 & 2

Over two Mondays, 11 and 18 November, Year 10 students participated in a two-day Micro-Credentials Program.

Students selected short courses to enhance practical skills, guided by industry professionals and guest presenters, including Ms Cynthia Nolan, Mr Steve Iuliano, Dr Zach Greig, and others.

Each course focused on developing desirable skills for students to enter the workforce. Character Development, Collaboration, Communication, Confidence and Presentation, Problem Solving, Emotional Intelligence, Curiosity, Resilience, Event Co-ordination, Compassion, Creativity, Innovation, Leadership, Empathy and Flexible Thinking.

## World Of 3D Design

Students explored digital design and problem-solving, working with Mr Steve Iuliano to use 3D modelling software. They improved technical skills while nurturing an innovation-focused mindset.

## Communication Through the Generations

Students developed communication and empathy skills by planning and delivering activities for young learners at the Early Learning Centre and engaging with retirees at Bolton Clarke Aged Care. They bridged generations, fostering curiosity and improving social engagement with diverse audiences.

## Stand Up for Positive Change

In 'The Stand Up Project' (SUP), students explored values and behaviours with Dr Zach Greig to drive initiatives that positively impact their school and community. They developed strategies to address key issues, fostering leadership and agency.

## Financially Fit and Adulting Skills

Students learned financial literacy, budgeting, investing, and identifying scams. On Day Two, they focused on time management, communication, and risk assessment. Experts shared insights on goal-setting, managing setbacks, and balancing priorities.

## Escape This!

In this exciting course, students developed creativity and teamwork through a professionally designed escape room. They learned puzzle creation, game flow, and narrative design, culminating in creating their own escape rooms.

## Construction White Card Course

This mandatory certification for students entering the construction industry focused on safety practices. Graduates received a Queensland White Card, valid across Australia.

## The World of Work

Guided by Ms Cynthia Nolan, students explored the evolving job market, focusing on interview techniques, networking strategies, and building workplace skills. They also earned tech badges through entrepreneurial learning.

## Shadow a Teacher

Students shadowed Early Years or Junior School Teachers, gaining classroom experience and insights into teaching strategies. This helped develop problem-solving, classroom management, and student engagement skills.

## Barista Course

In partnership with Skills Training College, students learned coffee-making and hospitality skills, focusing on project planning, creative problem-solving, and service delivery in the dynamic hospitality industry.

# Year 10: Social

On Friday 18 October, Year 10 students enjoyed a memorable evening at Meadowbrook Golf Club.

The night included laughter, DJ music, dancing, buffet food, drinks, and plenty of mini golf – creating unforgettable moments.

Earlier, students gathered at the College for a 'family and friends' photo shoot, capturing the spirit of the occasion.

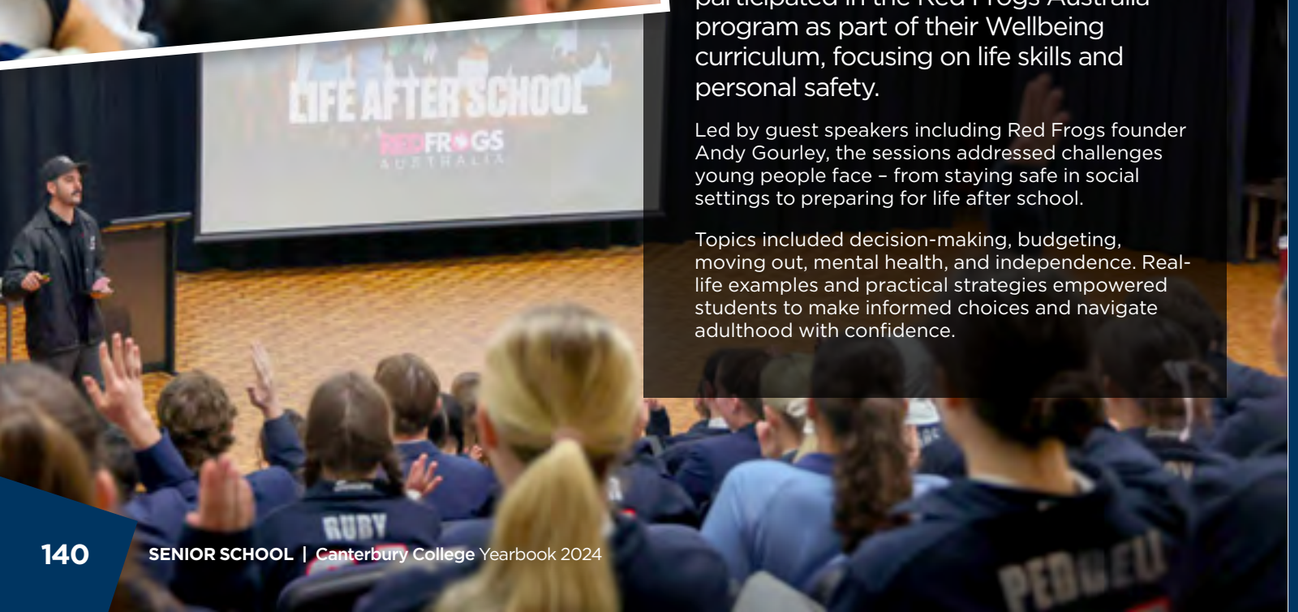
Thank you to all the staff, students, and families who contributed to making this event special.

# RACQ Program Prepares Years 10-12 for Safer Driving

Students in Years 10–12 took part in the RACQ Road Safety Program, gaining essential knowledge and skills for safer road use.

Interactive sessions covered accident prevention, managing distractions, handling breakdowns, and preparing for driving tests. Through simulations, live polls, and expert discussions, students explored real-world strategies to become more confident and responsible drivers.

The program provided a strong foundation in road safety, helping students build habits to protect themselves and others.



# Red Frogs Australia Program Equips Years 11-12 for Life's Challenges

Students in Years 11–12 recently participated in the Red Frogs Australia program as part of their Wellbeing curriculum, focusing on life skills and personal safety.

Led by guest speakers including Red Frogs founder Andy Gourley, the sessions addressed challenges young people face – from staying safe in social settings to preparing for life after school.

Topics included decision-making, budgeting, moving out, mental health, and independence. Real-life examples and practical strategies empowered students to make informed choices and navigate adulthood with confidence.

# Year 12: Reflection Day

On Friday 4 October, Year 12 students visited Marian Valley for their Reflection Day at the Shrine of Our Lady Help of Christians.

Surrounded by nature, students attended a chapel service featuring reflections by Spirituality Prefect Roy McGregor, created House banners to share personal stories, and wrote letters to their future selves to be mailed in October 2025.

These letters captured school memories, lessons learned, and messages for the future. The day ended with students receiving letters of reflection from their families.

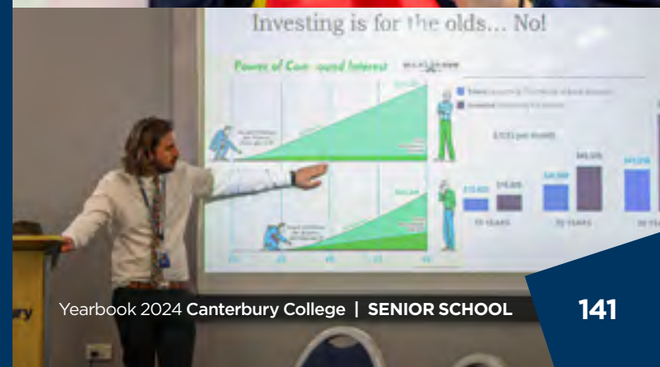
Reflection Day is a key rite of passage for our Seniors, offering space to reflect, share, and be acknowledged.

# Year 12: Wellbeing – Life Skills 101

To help prepare our Year 12s to be 'World Ready', we've run a series of 'Life Skills 101' lessons during wellbeing. These practical sessions, beyond the regular curriculum, aim to equip students with useful skills for life after school. This term's topics included:

- **Cooking 101** – Creating quality meals on a budget
- **Investing 101** – Basics of smart, stable investing
- **Sewing 101** – Mending skills: buttons, hems and basic stitches
- **Tax and Superannuation 101** – How to file a tax return and understand super
- **Smart Travel 101** – Budget travel tips for efficiency and safety
- **Car Care 101** – Checking fluids and changing a tyre

While brief, these sessions offered practical advice and sparked valuable conversations about life beyond school.



# Year 12: Formal

On Tuesday evening 26 March, it was all ‘glitz and glamour’ at the 2024 Canterbury College Year 12 School Formal.

And Brisbane City Hall’s Square and Epicure ballroom function venue, never looked so good thanks to our elegantly attired students.

# Year 12: Seniors Soiree

On Friday 9 February, we hosted our 2024 Seniors Soiree, where Year 12 students with their parents and carers learned about the big year ahead, and socialised with key leadership staff and teachers, plus Heads and Assistant Heads of House.

It was a wonderful occasion to celebrate the Class Of 2024's final year of school under the warm glow of the Senior Library, enjoying refreshing beverages, tasty canapes and engaging conversations.

## Year 12: Seniors Jerseys

## Year 12: Last First Day

Year 12s marked their 'last first day' on Tuesday 23 January with a relaxed BBQ lunch.

## Year 12: 100 Days Cake

On Wednesday 22 May, Year 12 celebrated 100 days left of school with a morning tea and cake.

School Captains Lara Mead and Lilly Rider cut the cake following a heartfelt speech by Head of Senior School, Mrs Rebecca Adamson.

## Year 12: State of Origin Pizza Party

On Wednesday 5 June, students gathered in the Performing Arts Theatre to watch Game One of the State of Origin on the big screen.

## Years 11–12: Prefects Handover Lunch

On Wednesday 9 October, the 2024 and 2025 Prefects came together for a lively Handover Lunch, sharing tacos, tips, and leadership insights.

## Final Form Farewells

On Friday 11 October, all six Houses held a 45-minute extended Form to farewell their Year 12 students ahead of Study Week and final exams.

## Year 12: End of Year Pool Party

On Friday 1 November, Year 12s took a break from exams with a pool party, pizza, slushies, and a well-earned splash.

## Year 12: CAN Graduation Breakfast

The Class of 2024 gathered on Wednesday 13 November for the annual CAN: Canterbury Alumni Network Graduation Breakfast.

Guest speaker and 2000 School Captain, Mr William Boyd, spoke about resilience and lifelong friendships. Each graduate received a native seedling from the CAN Committee – a lasting reminder of their time at Canterbury.

## Year 12: Final Chapel Service

Following the breakfast, the Final Chapel Servicewas led by College Chaplain Father Dan Talbot, who shared an uplifting sermon and prayers.

Students received a bookmark featuring the College Prayer and Father Dan's farewell message.

# Year 12: Valedictory Dinner

The Year 12 Valedictory Dinner was held on Wednesday, 13 November, at the Logan Entertainment Centre.

Throughout the evening, Canterbury Colours and Major Awards were presented in sport, culture, community, and leadership.

Congratulations to all Year 12 students, especially the award recipients, for their remarkable achievements.

We also honoured our 13 and 14-year Canterbury families with special gifts, recognising their long-standing connection to our community since their children started in Kindy and Prep.

The evening featured delicious canapés, a main course, themed cupcakes, drinks, and a heartwarming slideshow of student and school moments from the past 14 years.

A fun game of Kahoot! was hosted by College Principal Mr Dan Walker, with pop culture and Canterbury-related trivia, played between tables of parents, carers, students, and staff.

A special thank you to Year 12 students Emerald Kaing, Alec Dyer, Nina Burton, Alex Hamilton, and JJ Hamilton for sharing their cherished reflections on their Canterbury journeys.

# The Performing Arts

In 2024, Canterbury's Performing Arts program continued to offer a comprehensive range of studio and ensemble activities, supporting students from Kindy to Year 12 in music, dance, and drama.

**Key activities and performance opportunities included:**

- Annual Music Rehearsal Camp at QCCC Brookfield for Cantabile, Sinfonia, and Symphonic Band.
- Winter and Spring Music Festivals, each featuring five concerts.
- Studio Recitals, showcasing individual, paired, and group performances from music and dance students.
- Soloists Evening Recital, featuring advanced musicians selected through an adjudicated audition process.
- Dance Spectacular, featuring all dance ensembles from Prep to Year 12.
- Drama Production – *The Scene Project,* presented by Canterbury Theatre at the Kingston Butter Factory and Performing Arts Theatre.
- Participation in eisteddfods and competitions for Junior and Senior School music and dance ensembles, including Quota Beenleigh, Gold Coast, Redlands Eisteddfods, and Music Fest.
- SHEP State Honours Ensemble Programs, with Junior and Senior School musicians in various bands, choirs, and string ensembles.
- AHEP Australian Honours Ensemble Program.
- Informal performances such as Loud Lunches and Brekkie Busker events for the College community.
- Contributions to key College events, including Foundation Day Chapel, ANZAC Day Service, St. John's Cathedral service, Junior and Senior School Assemblies, Grandparent's Day, Senior School Co-curricular Awards Night, Year 12 Graduation Ceremony, and Junior and Senior School Speech events.

The major event for Senior School Performing Arts students was the musical *Mary Poppins Jnr*, held on Saturday 20 April at the Logan Entertainment Centre. The show showcased students from all areas of performing arts – dance, drama, and music – telling the story of the Banks family. Students excelled in dance, song, and acting, performing well-known numbers like *Supercalifragilisticexpialidocious, Let's Go Fly a Kite*, and *Step In Time.*

Our wide variety of programs and performances demonstrates Canterbury's commitment to providing students with opportunities to build confidence, refine talents, and express themselves in the arts while contributing to the school community.

Congratulations to all our actors, dancers, musicians, and staff for a wonderful year of performances!

## Captain's Report

Our ensembles have been working hard since January, where we kicked of the beginning of the year with our annual music camp.

From learning new repertoire to making new friends, those 3 days were a perfect start to what has been a very eventful year. Our Senior choirs, Cantabile, Bella Voce and Taipan Tenors have performed at the St John's Cathedral Service, at secondary school assemblies, at winter and spring music festivals, and for the first time in years, Cantabile competed at Music Fest, where they received a personal workshop from the judges which was an incredible opportunity, and the Gold Award. At the end of last term, we farewelled the year 12 students at the spring arts festival 'heavenly voices' concert, where all of our choirs joined together to perform the Finale. For me, this collaboration was one of my favourite moments from this year, because coming together to sing such beautiful pieces, especially for my final concert, became a memorable experience. I'd like to thank our conductor, Doctor Peddell and all the people who enabled us to perform, and most importantly my fellow choir members. It's been amazing performing with you and good luck for the future.

# Canterbury College String Program

The Canterbury College String Program had an exceptional year in 2024, with significant achievements and performances across its six ensembles. From Senior to Junior School, our students showed dedication, teamwork, and musical growth. Our ensembles are expanding and improving, reflecting the growing passion for music within the college.

In the Senior School, the string ensembles contributed to the College's reputation for musical excellence. Ritornello, directed by Mr Warwick Adeney, delivered polished performances, including a special appearance at the St John's Anglican Cathedral City Service. They earned a Platinum award at MusicFest, demonstrating advanced artistry. Sinfonia, led by Mrs Rachelle Lee, also received a Platinum award at MusicFest, featuring performances that highlighted the double basses.

Violin and viola students collaborated with double bass students, showcasing this *In the Hall of the Mountain King* and *Russian Sailor's Dance*, featuring five double basses. Both Ritornello and Sinfonia performed at the Queensland Youth Music Awards, competing in the Advanced Secondary String Orchestra section, alongside top-level ensembles from South East Queensland.

In Junior School, ensembles continued to nurture young talent. Bravura Strings, led by Mrs Rachelle Lee, won 1st place at the QUOTA Beenleigh Eisteddfod and earned a Silver award at MusicFest. They also performed at the Woolworths Logan Village Opening and Assembly. Allegro Strings, under Ms Kaori Kondo, placed 2nd at the QUOTA Beenleigh Eisteddfod and received a Gold award at MusicFest. All Star Strings, directed by Ms Yoon Jee, placed 2nd at the QUOTA Beenleigh Eisteddfod on their first excursion, showcasing their growing skills. The Year 3 cohort showed progress at the Kaleidoscope concert, with many eager to continue developing their skills.

Synergy demonstrated their progress at the Studio recitals, where string students showcased individual talent and growth. Numerous students are enrolled in studio lessons with Mr Warwick Adeney, Ms Yoon Jee, Ms Bindy Williams, Mrs Ann Wu, and Mrs Rachelle Lee, many completing AMEB exams with excellent results.

As the year concludes, the Canterbury College String Program celebrates its success and looks forward to 2025. We are proud of our students and grateful for the ongoing support of parents, staff, and the community. Together, we continue to inspire the next generation of musicians.

**Mrs Rachelle Lee**
Coordinator of Strings

# Strings Captain's Reflection

It has been a pleasure to serve as Strings Captain in 2024. I participated in the ensembles Sinfonia and Ritornello, enjoying a range of repertoire and performances both in and outside of school.

Sectionals helped strengthen our teamwork and performance quality by allowing each part of the ensemble to refine individual parts. A highlight of the year was the MusicFest eisteddfod, where both Sinfonia and Ritornello earned Platinum Awards. Our viola player, Susie Kim, received a special mention for her outstanding section leadership. I also had the pleasure of performing with Ritornello's conductor and my violin teacher, Mr Adeney, at my final Symphonic Splendour concert, playing movements from Benjamin Britten's Simple Symphony. Our string students are supportive of each other in rehearsals and performances, and it's wonderful to see them supporting each other at their studio recitals throughout the year. A big thank you to Mrs Lee, Mr Adeney, and Dr Peddell for guiding us through another amazing year of strings at Canterbury.

# Canterbury College Band Program

2024 has been an exciting year for the Canterbury College Band Program, marked by growth, performances, and achievements.

The year started with our annual Music Camp, fostering teamwork, creativity, and a strong musical foundation. Mr James Temple led the program through the first two terms, with the Wind Ensemble, Symphonic Band, and Junior Concert Band performing at the Winter Music Festival. The Wind Ensemble and Symphonic Band also prepared for MusicFest. Mr Temple provided excellent leadership to the program. In Term 3, Dr Fletcher Mitchell took over as Coordinator of Bands, and under his direction, the program continued to thrive.

Early in Term 3, both the Wind Ensemble and Symphonic Band represented Canterbury College at MusicFest, with the Wind Ensemble earning a Bronze Award and the Symphonic Band achieving Silver. These ensembles showcased their dedication and talent.

A highlight this year was the expansion of the Junior Concert Band. Comprising Year 6 students who continued from the Year 5 immersion program, and Year 5 immersion students building their skill levels and confidence, the band grew from fewer than ten members in Term 3 to 30 students in Term 4. This enthusiastic group performed at the Panorama Concert, marking a proud moment for these developing musicians.

The Jazz Combo also grew, expanding its ranks and performing a dynamic range of styles at the Spring Music Festival, including jazz, funk, rock, and swing. The ensemble worked on building confidence in improvisation, with many students performing improvised solos, truly capturing the spirit of jazz.

The Wind Ensemble and Symphonic Band concluded the year with strong performances at the Spring Music Festival, building on the repertoire developed for MusicFest. Both ensembles learned new repertoire in just weeks, preparing and performing challenging pieces to a high standard.

The Canterbury College Band Program continued to grow in 2024, introducing brass and saxophone ensembles in Term 3 and 4. 2025 promises further growth and opportunities for our talented musicians.

**Dr Fletcher Mitchell**
Coordinator of Bands

Being part of the school band has been one of the most rewarding experiences of my time at Canterbury.

Though it might seem intimidating at first, joining a team with people from every grade, the camp quickly turns us into a close-knit group. Band has become my space to relax after stressful days and compete with the trombone section to see who can play the loudest. I've come to appreciate music not only for how it sounds but for how it feels when we come together to create it as a group. Our Senior School bands - the Symphonic Band, Wind Ensemble, and Big Band - performed at assemblies, the Winter and Spring Music Festivals, and MusicFest. These performances are always a highlight, allowing us to share what we've worked on in rehearsals. I'm proud of everything we've achieved and grateful for the memories we've made. I'd like to thank Mr Temple and Dr Mitchell for guiding us to become the best musicians we can be.

# Chamber Music School

Canterbury's Chamber Music School remains the leading program of its kind in Queensland, attracting frequent collaborations with students from other schools and the University of Queensland.

Weekly coaching sessions and self-rehearsals prepare students for regional and national competitions, as well as performances on campus and in the community.

Performing together, with each player responsible for a unique part, builds teamwork, which translates to on-stage chemistry.

Our 2024 ensembles – Volante Duo, Trigonome Trio, Junior School String Quartet, Year 7 String Quartet, Voila Viola Quartet, and Trio Bellissimo – swept the top prizes in chamber music sections at the Quota Beenleigh Eisteddfod and Gold Coast Eisteddfod, making Canterbury the top school for the third year running.

Canterbury students also participated in top prize-winning groups at the 2nd Redlands Youth Chamber Music Festival, taking home $2,750 in prize money, and the 129th QLD Eisteddfod.

Canterbury brothers Haydn and George Li are featured in the Grand Finals of the 4th Musica Viva Strike A Chord competition, performing with their string sextet, Take Six, at the Melbourne Recital Centre. They were awarded the Paul Morawetz 2nd Prize nationally and $4,000 in prize money. This is the 3rd time Canterbury students have reached the national finals.

**Other notable performances by our chamber ensembles include:**

- Canterbury Winter and Spring Music Festival in the Performing Arts Theatre
- UQ Lunchtime Concert in Nixon Room
- Kingston Butter Factory as part of the Underdog Film Fest
- Queensland Youth Orchestra Open Day at the Old Museum
- Opening Ceremony of UQ's Avalon Theatre
- Queensland Korean Orchestra's 14th Annual Concert at the Old Museum
- Canterbury Senior School Speech Night at Logan Entertainment Centre

# Canterbury Dance

The dance culture at Canterbury College flourished in 2024, showcasing the talent and passion of our students.

From the joyful routines by Little Groovers on Grandparents' Day to the dynamic assembly performances from our Junior and Senior ensembles, each team made a memorable impact.

During competition season, our dancers' dedication and skills shone at the QUOTA Beenleigh and Gold Coast Eisteddfods, with first, second, third, and Highly Commended awards presented to our performance teams.

Dance Spectacular was the highlight of the year, with the collective energy of everyone on stage creating an unforgettable evening.

2024 also featured other special projects, including the Mary Poppins musical, the dance video 'Believer' by Boyzone, and Varsity's performance at the Cocurricular Awards Night.

We also held two studio dance recitals, with solo, duo, and small group presentations.

The year concluded with our Southern Federation of Dance exams, where 50 students received reports and medals for completing jazz levels 1 to 4.

Congratulations to all the Canterbury Dancers for their outstanding achievements.

**Mrs Cathy Brown**
Coordinator of Dance

## 2024 has been a journey filled with challenges and excitement.

Whether it was perfecting routines for Mary Poppins Jr or feeling nerves before Assembly performances, each experience brought us closer as a Canterbury Dance collective.

Competing at the QUOTA Beenleigh and Gold Coast Eisteddfods reminded us of the importance of pushing ourselves, while our Studio Dance Recitals provided amazing opportunities for studio dancers to shine.

As the Canterbury Dance year ends, we've seen an array of talent and dedication on display during our auditions for next year.

It's clear Senior School Canterbury Dance has an amazing future ahead!

Thank you, students, for your hard work this year – I'm proud of what we've achieved. A special thank you to Mrs Brown, our Dance Coordinator.

# 2024 Canterbury Dance Spectacular

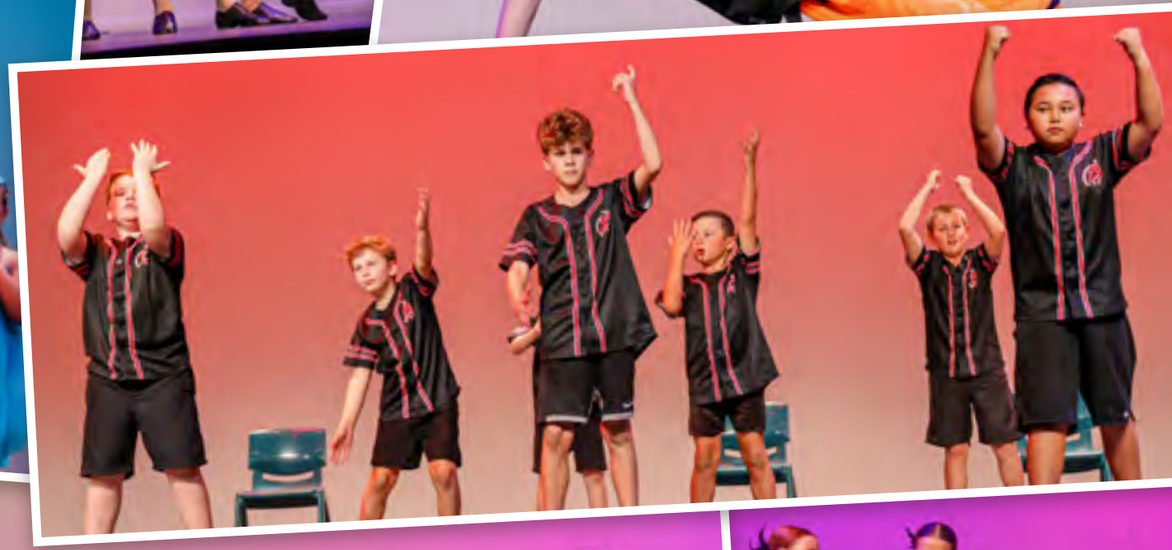
On Friday 30 August, we welcomed all our families to our annual Canterbury Dance Spectacular at the Canterbury Events Centre.

Our Canterbury community savoured delicious burgers before gathering inside the CEC for the much-anticipated Dance Spectacular, featuring our 12 dance ensembles from all Junior School and Senior School age groups.

True to our expectations, the 2024 Dance Spectacular dazzled with superb performances.

Our talented dance students lit up the stage with vibrant colours and skilful displays of jazz and contemporary dance styles.

Congratulations to everyone involved in making this memorable family event such a success.



# Canterbury Rock School

After a busy music camp, Rock School welcomed many new musicians in 2024. Two new rock bands were formed, including Canterbury's youngest ever band, *The Food Fighters*, who lit up the stage at assemblies and Friday Night Rocks throughout the year. Their popularity earned them a featured performance at Junior School Speech Day.

All rock bands performed at loud lunches held across the year in both Junior and Senior School performance areas. These events remained popular and well-supported, often linked with food charity fundraising.

A milestone was reached in Term 4 with the first Loud Lunch concert held in Nabei – the Junior School's new Multipurpose Outdoor Learning Space.

The Recording Studio became a valuable resource, with each band recording a track. This gave students a taste of professional recording, choosing a signature song to capture their year.

Rock School fosters student confidence while enriching their Canterbury experience. One clear example is *Brekkie Buskers*, a rotating group of students who perform every Tuesday morning at Yalburru Community Café. For many, it's their first public performance.

Some go on to join groups like Acoustic Girls Band, Taipan Tenors or the Rock Bands.

*Brekkie Buskers* are regularly invited to perform at College events, inspiring others to get involved.

The Studio Tuition Program remains a key part of Rock School, offering lessons across a variety of instruments. Students can sit Rock School exams, delivered in Australia by AMEB. This year, Canterbury had a record number of students earning Merits and Distinctions across all grades.

Rock School includes ensembles across multiple genres and teaches essential technical skills for staging events. This was showcased at Friday Night Rocks, which expanded to the CEC this year to accommodate its growing audience. The event now features a multi-day sound and lighting setup, a food truck and a coffee van – creating a genuine festival atmosphere.

Friday Night Rocks is led by student leaders who handle setup and stage management, putting years of Rock School training into action.

Beyond Canterbury, students participated in external events such as Rockfest, Battle of the Rock Bands, Amplify, and Triple J Unearthed High.

Rock School continues to be a launchpad for musical talent. This year, sibling duo Jasmine and Taylor Wheatley independently recorded and released an EP of original music, launching it at the Kingston Butter Factory with strong support from past and present Rock School students. *Edgy & Hedgy*, who began at Brekkie Buskers, were also featured at many events.

Many Alumni have gone on to further study and careers in music. Ashlyn Dinsdale, a 2023 graduate, launched her own events company and created *Lasso Country Music Festival*, playing to a sold-out audience of over 1,000 – a new local highlight.

2024 was a milestone year for Rock School – bigger events, new records, and more students than ever. The seeds have been sown for even greater opportunities ahead.

**Mr Simon Lane**
Coordinator of Rock School / Music Technology

This year I had the privilege of being Rock School Captain. It was a huge year filled with loud lunches, Battle of the Bands, Rockfest, recording sessions, and our biannual Friday Night Rocks.

Rock School has grown so much over the past few years. It's been exciting to see so many students join with such energy and positivity. Our last Friday Night Rocks had the biggest and loudest crowd yet, and it was incredible watching the bands feed off that energy and performers' confidence soar.

I truly believe Rock School is a creative outlet, a place to build friendships and develop lifelong skills – especially for those interested in music.

A massive thank you to the people who make it all possible – Mrs Wheatley, Mr Wheatley, Mr Greenaway, and especially Mr Lane. Their behind-the-scenes work is what brings events like Friday Night Rocks to life.

# Drama

2024 was a big year for theatre at Canterbury College.

The year began with intense rehearsals for our signature event, the musical production of Mary Poppins Jr.

Our large student cast worked with precision and order for an entire term, learning lines, rehearsing songs, and being fitted for a multitude of costumes.

Eventually, it came time to bump into the Logan Entertainment Centre, with the show coming together in a spectacle of supercalifragilisticexpialidocious light, sound, and cinematic projections supporting the amazing work of our student performers.

Across the two Saturday performances, approximately 940 members of the Canterbury community revelled in the production – seeing that anything can happen when you combine acting, singing, and dancing.

The success of the show reflected the hard work and dedication of everyone involved, and it's true to say the show was practically perfect... in every way.

2024 was the 11th year Canterbury College participated in Queensland Theatre's Scene Project. This year's text – Flowers in Antarctica by Wendy Mocke – was an intriguing tale exploring the impacts of climate change and human behaviour on the denizens of the ocean.

Flush from their success with Mary Poppins Jr, 18 of Canterbury's finest performers explored the themes and ideas of this text, crafting their own unique interpretation of selected scenes.

When it came time to present their work, it was an exciting day out at the Kingston Butter Factory to perform in front of other local schools.

Our students were nervous but excited, with the applause and feedback after their performance a testament to their creativity and skill.

This was followed that evening by a parent showcase performance, which was just as well received.

The Junior Players embraced their inner actors this year, eagerly stepping onto the stage – some for the first time.

Their journey began in Term 2 with improvisational games designed to teach them the basics and build their confidence. By Term 3, they had worked together to create their very own original play.

This play was performed for an audience of proud families and friends at the end of Term 3, receiving loud applause as they took their final bows.

# Football (Soccer)

## Canterbury entered seven football teams in Term 3, with many impressive performances across the season.

The Year 5 Red team went undefeated, combining skill and strategy to overcome strong opposition. Year 3, Year 4, and Year 5/6 Girls teams also showed great improvement and growing confidence.

Division 1 teams faced challenging matchups but rose to the occasion with courage and teamwork, earning strong wins along the way.

Across all teams, camaraderie was a standout feature, with players supporting one another on and off the field. Celebrations, including the College war cry, brought everyone together - even injured players joined in.

Term 3 was a vibrant showcase of Canterbury spirit, and we look forward to more great moments in the terms ahead.

## Saint Stephen's Interschool Spelling Bee

On Wednesday 14 August, our top Years 3-6 spellers competed at the Interschool Spelling Bee at Saint Stephen's College, representing Canterbury through the Lumina Program.

All students performed strongly, confidently reaching the challenging unseen word rounds:

**Year 3** – Hadley Young
**Year 4** – Aarav Patel
**Year 5** – Lekith Sudhakaran
**Year 6** – Armaan Ali

Special congratulations to Hadley Young and Aarav Patel – Runners-Up in the Years 3 and 4 Divisions.

Well done to all for representing Canterbury with excellence.

## Canterbury Public Speaking Competition

On Thursday 16 May, we held the 2024 Junior School Public Speaking Competition in the Junior School Library.

As part of the Lumina Program, Years 3-6 finalists aimed to entertain, persuade or inform their audience.

This practical experience helped students explore the power of language while building confidence and communication skills.

Our judging panel – Principal Dan Walker, Head of Junior School Karen Roman, and Assistant Head (Learning) Alisha Richardson – assessed speeches on structure, clarity, pacing, vocabulary and body language.

Congratulations to these students for stepping up and embracing the challenge:

**Year 3 Highly Commended** – Tian Tarafdar
**Year 4 Highly Commended** – Amelia Brink
**Year 5 Highly Commended** – Ananyaa Parikh
**Year 6 Highly Commended** – Max Suckling and Emma Kay

Sport and activities at Canterbury continue to play a vital role in developing life skills, resilience, teamwork, and confidence in our students. Beyond the results, the enthusiasm for participation is the true measure of our success.

Thank you to our dedicated coaches, managers, and the parents and carers who support our programs and help create lifelong memories for our students.

With strong growth in 2024, we look forward to continuing this momentum into 2025.

**Mr Arnie Marraiya**
Acting Director of Sports and Activities

# Athletics

On Tuesday 10 September, our TAS Athletics Team travelled to the Queensland Sport and Athletics Centre for an action-packed day.

Canterbury students showcased their speed on the track with dominant performances in the 100m, 200m and 800m events. The highlight was the final event of the day - the 4 x 100m Relays. The Canterbury Girls were clinical in their changes, winning 5 of the 6 relays. The Boys were equally impressive, placing in the top three in all but two relays.

In the Field Events, Canterbury placed in over 75% of events. From High Jump and Long Jump to Discus, Shot Put and Javelin, students gave their all.

Special thanks to Mrs Brooke King and the coaching team for their outstanding preparation. Their planning and lunchtime training were crucial in helping students perform at their best. Mrs King's deep knowledge of each athlete enabled her to make smart substitutions and adjustments throughout the day. All students displayed the Canterbury philosophy of *"Win Well, Lose Well, While Always Being Gracious"*. Congratulations to our Age Champions and placegetters.

This incredible achievement presents a new challenge in 2025 – defending the "Double", following the Junior TAS Team's Championship win on Friday. Athletics at Canterbury is thriving thanks to the dedication of students, coaches, and the unwavering support of parents and guardians. The strength of our program reflects the solid foundation built from Junior through to Senior School. Well done to everyone involved!

**Mrs Brooke King**
Coordinator of Athletics

This year has been outstanding for Canterbury Athletics, with championship wins in both the TAS and Junior TAS competitions – a sensational achievement.

There were many individual highlights, such as Zarayah Williams breaking three TAS records and nearly every relay team finishing in the top three. But the TAS Champion School title is a team effort, with over 100 students representing Canterbury. Our success wouldn't have been possible without each athlete's dedication and commitment.

Over twenty Canterbury students also represented South Coast at the State Track and Field Championships – a testament to the strength of our program.

A heartfelt thank you to Mrs King for her leadership, and to Coaches Georgia, Jade and Lachlan for their support during the early, cold mornings of the season.

I hope Canterbury's success continues for many years and wish our future athletes all the best.

# Basketball

This year's theme, *WATCH ME WORK*, reflects our focus on holistic development – both on the court and in the classroom. It represents the journey of learning new skills, building friendships, excelling academically, and growing as athletes, all while creating lasting memories through basketball.

Both our Girls and Boys teams have shown outstanding sportsmanship, personal growth, and commitment to their teammates and coaches.

We've focused on recruiting coaches who share our values and vision. Thank you to our dedicated coaching staff for fostering a strong culture and building confidence within our program.

Special recognition goes to our 2024 Basketball Captains, Tylah Marshall and Charlie Newton, for their leadership and creative efforts in promoting a positive team culture. We wish them every success beyond school and thank them for their invaluable contributions to Canterbury Basketball.

Basketball continues to develop resilient students, and I hope every player celebrates their victories and learns from their defeats.

One of my favourite quotes from John Wooden, regarded as the greatest college basketball coach:

*"I am not as good as I ought to be. I am not as good as I want to be. I am not as good as I'm going to be. But I am thankful that I am better than I used to be."*

**Mr Afi Lama**
Basketball Coordinator

I'm honoured to serve as Canterbury's 2024 Boys' Basketball Captain. This season, we entered eight teams in the TAS competition, with premiership wins from the Year 10, Year 9/10 Navy, and Year 7/8 Navy teams.

Our teams displayed great attitude and continuous improvement. A highlight was watching a Seconds player sink a game-winning three-pointer in the final seconds – their first win of the season. The crowd's reaction showed just how powerful community and connection are in sport.

Thank you to our coaches, managers, and the supportive parents and friends who stood by us throughout the season. A special thanks to Mr Lama for his leadership. To future players – keep striving, embrace every opportunity, and stick together. The 2025 season will bring challenges and triumphs, and I'm confident you'll rise to meet them.

In 2024, Canterbury entered eight teams in the TAS Girls Basketball competition. As captain, I loved supporting each team throughout the season.

We proudly secured three podium finishes: Year 7 came third, Year 9/10 Navy placed second, and the Firsts narrowly missed gold, losing 26-23 to JPC in a thrilling final.

It's been rewarding to see players grow and connect, whether at training or on the sidelines. Thank you to all our coaches and to Mr Lama for making basketball at Canterbury inclusive, supportive, and fun for all skill levels.

As my time as captain ends, I'm confident the Canterbury Basketball community will continue to thrive.

# Cricket

Brian Lara once said, "Cricket is not just a game, it's a way of life. It teaches us values like teamwork, discipline, and perseverance. The spirit of the game is what makes cricket so special."

While not everyone can play cover drives like Lara, the cricketers at Canterbury focused on developing the spirit and camaraderie unique to those who spend hours in the field together.

This spirit was evident in the overall 2nd place finish for the Canterbury College cricket program. The First XI qualified for the final, setting the standard for Canterbury Cricket for years to come.

Although cricket is a team game, several performances this season deserve individual recognition:

## Batting:

- **Harrison Cato:** 144 (109 balls) for the 1st XI against West Moreton Anglican College
- **Henry Walker:** 65 for the 1st XI against Ormiston College
- **Deacon Hunt:** 57 for the 1st XI against Cannon Hill Anglican College
- **Aaric Evans:** 65 not out for the Intermediate 1st XI against St Pauls
- **Mateen Ahmed:** 51 not out for the Intermediate 1st XI against St Columban's

## Bowling:

- **Leonard Ayres:** 5-25 for the Intermediate 1st XI against St John's
- **Joshua Williams:** 5-28 for the 1st XI against West Moreton Anglican College
- **Jazz Webb:** 8-8 for the 1st XI against St Columban's

Canterbury's First XI also participated in the Streetsmarts T20 competition, a statewide knockout tournament. The understrength team lost in the final of the Queensland Southern Conference, but individual performances stood out:

- **Deacon Hunt:** 90 (57 balls) against Mansfield State High School
- **Harrison Cato:** 70 (52 balls) against Mansfield State High School
- **Ben Stanley:** 5-19 against Bundaberg State High School

A marvellous season for cricket, leading to bigger things ahead.

**Mr Ben Woolacott**
Cricket Coordinator

My name is Jazz Webb, and I had the honour of being the 2024 Cricket Captain. 2024 was a great year for cricket, marking the first time in 10 years that the Firsts XI made the grand final and the Seconds, Intermediate Firsts, and Seconds played off in bronze medal matches.

There were many memorable moments throughout the season, from Harrison Cato scoring 150 runs against West MAC, to half-century achievements from Deacon Hunt, Henry Walker, and a five-wicket haul from Josh Williams. But perhaps the one thing I look back on is the team camaraderie and effort during training sessions on Tuesday and Thursday afternoons, which is evident come game time on Saturday. This is vital in any cricket team, given the highs and lows experienced during the game.

On behalf of all the players, I would like to thank our coaches and managers for their efforts throughout the season, as well as our parents and carers who got us to games, helped with scoring, and supported all members of the team. It is very much appreciated. I would also like to recognise Mr. Woolacott, our Cricket Coordinator, for his efforts, expertise, and support provided to all players throughout the season.

Good luck to all players for the 2025 season. The future of Canterbury Cricket is certainly looking bright.

- **2024 Boys:** 4th Place Champion School
- **2024 Overall:** 5th Place Champion School

Thank you to the coaching staff, especially Coach Hayden Walker, who has coached at Canterbury for the past four years. As he graduates and begins his career in 2025, we'll miss his contributions. He was a fantastic athlete and coach, and I wish him all the best.

**Mrs Brooke King**
Cross Country Coordinator

My name is Emily, and I am honoured to be the 2024 Cross Country captain. I'm incredibly proud of how our team showed up for early morning training before school, preparing for TAS. Many of you trained multiple times a week and encouraged others, showing dedication and team spirit.

On competition day, we had wins in the 13-year-old boys' event and top-three finishes in several age groups, with impressive individual results throughout the day. Canterbury finished 5th overall. Although we didn't win as a team, the support and encouragement were evident, and that's what makes this team special.

Thank you to Mrs King, Hayden, Locklan, Jade, and Georgia, our amazing coaches, for their constant support and guidance. We are incredibly grateful.

# Boys Football (Soccer)

Boys Football has gone from strength to strength in what has been our most successful season in recent years, with over half our teams finishing in the top half of their leagues. The season kicked off early in Term 2 with First XI and, for the first time, Year 7 trials, as player numbers continued to grow.

This growth improved depth across all teams and lifted both training attendance and intensity, as players had to earn their spots. That competitive spirit drove the 2nd XI, Year 8 and CC Navy teams to strong 3rd place finishes.

A big thank you to our coaching team for their ongoing support and guidance. Even when results didn't always reflect our performance, the improvement was clear. To the players – your attitude and commitment have raised the standard. It's exciting to see your effort turning into results on the pitch.

The challenge for 2025 is to maintain and build on this momentum. A top-half finish across all teams is within reach. Thank you also to the parents for your consistent support and for ensuring players are present at games and training.

**Mr Luke Harmer**
Football Coordinator

The 2024 season has been a year of growth for Canterbury Boys Football. The commitment, attendance, and determination of our players have made a clear impact on results. The drive to improve our program has been inspiring.

Thinking back to Year 7, the difference is stark. Back then, we sometimes played with only nine on the field and lacked team spirit. Now, the Year 7 and 8 teams regularly see over 20 players at each session, with energy, enthusiasm, and strong results to match.

The First Team also improved this year, climbing two places on the ladder. Many matches were tight and hard-fought until the final whistle. A huge thanks to Mr Rossi, whose fun, effective training sessions have lifted both skills and morale. This season has been the most enjoyable school football experience for the First Team, and that energy has flowed through all age groups.

Looking ahead, next year's First Team looks promising, with strong showings from the Year 9s, 10s and Seconds. I'm confident they'll go far.

This year marks a big step forward for Canterbury Football. Thanks to Mr Harmer, Mr Rossi and all the coaches for their dedication. A premiership is within reach – it's just a matter of time.

Good luck next year – keep enjoying the game and pushing yourselves to improve.

# Girls Football (Soccer)

2024 was a year of firsts for Girls Football – the first time we fielded separate Years 7 and 8 teams, the first time multiple teams competed for top-half finishes, and, perhaps most importantly, the first time the First XI was selected on merit.

This year marked a shift in mindset, with a stronger focus on performance and professionalism across all teams. A huge thanks to our Year 12 students, led by Mr Rossi, who modelled this change through their consistent training, game-day attitude, and commitment. The First XI enjoyed its most successful season since 2021, improving on recent results and continuing to close the gap with the top teams.

To our graduating Year 12 players – especially those who've been part of this journey since Girls Football began in 2020 – thank you. You've set the standard for what it means to be a First XI footballer. It's now up to the younger players to build on your legacy.

Our Years 7 and 8 teams both had strong seasons, with three wins each and plenty of goals. With a little more luck, both teams could've finished near the top of the table. Credit to their coaches – Airlie Bower, Satsuki Mohr, Mr Clark, and Mr Walker – for developing these squads. Their talent gives us great confidence in the future of our senior teams.

The Year 9/10 team, led by Mr McBride, had a tough start against some of the division's strongest sides but showed great resilience. Their hard work paid off with a 7-0 away win against St Columban's to close the season.

Thank you to all players and parents for your contribution to our success. It's been a pleasure to be involved in Girls Football, and on behalf of the coaching team, we can't wait to return in 2025.

**Mr Luke Harmer**
Football Coordinator

2024 marked just the fourth year of Girls Football in the TAS competition – and what a year it's been. From where we started in Year 8, the growth has been incredible. We're not the same program we were even last year – and while it's often said, this season truly has been the best yet.

There's been a mix of great wins and tough losses to learn from. Each team has become more committed and united. It's amazing to see the talent coming through, and Girls Football has a bright future – made possible by our brilliant coaches, managers, parents, and supporters. Thank you for your time, energy, and support.

We've had some beautiful moments on the field – goals, tackles, and wins – all played with humility and sportswomanship. Losses came too, but each team responded with grace and resilience. True spirit shows in how teams bounce back, and I'm proud of how we've done that.

Every training session was met with dedication. Every win was earned through passion and drive. Keep bringing that energy into every game – because history shows, each year gets better. Keep making yourselves, your team, and your coaches proud – just as you have this year.

I can't wait to see what the future holds for Girls Football.

# Girls Hockey

The Canterbury College 2024 hockey season was filled with dedication, persistence, and friendship.

With a new structure for junior teams, age groups blended seamlessly, forming strong teams and new bonds. The Intermediate Seconds had an outstanding season, finishing as undefeated premiers. They didn't concede a single goal all season, a testament to their impenetrable defence and exceptional teamwork. Thank you to Helen Kura (and the occasional drop-in from Mr Penny) for coaching the team.

In the grand final, the Intermediate Seconds played with only nine players and no goalie. Undeterred, they delivered a fantastic performance, showcasing their resilience and unity. Thank you to Ms Simpson for her ongoing support.

To celebrate the season, the Seconds shared a colourful "lolly salad" and enjoyed Tayla Wines' legendary cookies. Thank you, Tayla, for always being there.

The Firsts team showed strength and determination throughout the season. Win or lose, they gave their all and made a strong impression on the field. Thank you to Ian Randall for supporting not only his team but any player who needed help along the way.

A special thank you to our captain, Lilly Rider, for her leadership, resilience, and kindness.

Thank you to all our players, coaches, and supporters for making this season unforgettable. Here's to a bright future for our hockey program!

**Ms Kelsey Adcock**
Girls Hockey Coordinator

This season, we had a fantastic turnout, with four teams in the TAS competition and five in JTAS. Each team brought energy and skill to the field, making it a season of progress and achievement.

The TAS competition featured a strong lineup: First XI, Second XI, Intermediate Firsts, and Intermediate Seconds. The Intermediate Seconds stood out, not only winning the premiership but going the entire season without conceding a goal—an incredible feat. Across all senior teams, 58 goals were scored, highlighting the talent and effort of our players.

A standout moment was the Firsts' thrilling 3-all draw against WMAC. It was an unusual result that showed the team's composure under pressure. Despite the opposition's playful banter, our players stayed focused and united.

Thank you to our coaches, managers, players, parents, and carers—your support was vital to our success.

To future players: stay committed to your training, support your teammates, and embrace every part of the journey. The friendships and memories you create will be just as rewarding as the skills you gain.

# Netball

## 2024 Highlights:

- Premierships – 10A and Firsts
- Champion School – QISSN
- Vicki Wilson Cup – Bronze Medal
- Regional Champions – Vicki Wilson Northern South Coast – Opens and Juniors
- Finalist and Winner – Netball Queensland School of the Year
- Finalist – Logan City Sports Awards Team of the Year
- Inaugural International Sports Tour to New Zealand

Another outstanding year for the Netball program, with a record number of players attending pre-season camps and clinics, leading to another successful TAS season.

Our expanded competition calendar included the Gold Coast Titans Cup. The Boys finished top 3 in the Open age group, as did our Year 7-9 girls in the Intermediate division. Our QISSN team achieved a record-breaking '3-peat' in Townsville - a feat unmatched in the competition's 24-year history.

At district, regional, and state level, our Taipans players contributed to a clean sweep for South Coast at the State Championships in both 13-15-years and 16-19-years divisions.

The New Zealand tour was a huge success. 26 athletes spent six action-packed days embracing the culture, building community, and taking on the country's top-ranked schools.

Our athletes, officials, alumni, and coaches have made significant contributions to Netball at both school and community level. From State Age and Titles to INFQ, Queensland teams, Future Firebirds, Hart Sapphire Series, and World Cup teams, the Taipans continue to shine.

As we look ahead to 2025, we're excited for another big year in TAS and the continued growth of the Boys program and Tiny Taipans.

**Mrs Deanne Hamilton**
Director of Netball

This season, we had 11 teams in the TAS competition and achieved great success. Our Firsts and Year 10A teams were crowned premiers, while our Seconds, Year 9A, and 8A teams were runners-up.

One memorable moment was from the Thirds team. Despite having different players each week, they took to the court with determination and smiles every weekend.

Thank you to everyone who made this season possible. To our amazing coaches and managers - your support and guidance have been invaluable.

To the players - your passion and commitment were key to our success.

To the parents - thank you for driving to games and trainings. Your support made all the difference.

Finally, thank you to our Director of Netball, Mrs Hamilton, for your ongoing leadership and dedication to the program.

To the 2025 TAS players - embrace every challenge as a chance to grow and always support your teammates on and off the court.

# Rugby

The 2024 TAS Rugby season was a dream for supporters, showcasing entertaining, running rugby and the athleticism of our players. It was a season of highs and lows, culminating in a well-earned 3rd place overall.

Pre-season began in Term 1, Week 5, with the entire College rugby community kicking off training. A fresh group of Year 7s began their TAS rugby journey. In addition to fitness testing, this year we introduced strength and core skill assessments across the senior school, giving coaches valuable insight to tailor pre-season development.

After four intense weeks of training, teams were ready to test their progress, but persistent Term 1 weather once again disrupted plans, cancelling trials ahead of Round 1 against St John's Anglican College.

Round 1 brought mixed results. Most games were forfeited, except for the Years 8 and 9/10B teams. Year 8 opened with a strong 45-7 win, while the 9/10Bs went down 45-12 to a strong St Paul's side. In Round 2, all teams finally took the field against an improving West Moreton Anglican College. Year 8 continued their form with a 51-10 win, and the 9/10A team delivered a defensive masterclass, winning 36-0. The Year 7s showed promise despite a 24-0 loss. The First XV, short on match time, narrowly lost 15-12 in a gritty encounter. The round's highlight was the 9/10B team, who joined a new AIC collaboration to play Marist College Ashgrove's 9E team, delivering an emphatic 68-0 win.

The First XV and Year 7s worked hard to finish the regular season in 5th. Years 8, 9/10A and 9/10B demonstrated the program's growth, each earning a spot in the 1v2 grand finals.

Finals week delivered exciting, high-quality rugby. The First XV battled to a 10-0 win over Cannon Hill Anglican College, and the Year 7s wrapped their season with a 27-5 victory. The 9/10Bs fell just short 17-12 but showed huge improvement from Round 1. Year 8 suffered a heartbreaking 20-19 loss to Ormiston College, finishing second.

A special congratulations to the undefeated 9/10A team, led by Mr Deloy Southon, Mr Liam McNamara, and Mr Glen Walker, who claimed the premiership with a dominant 25-12 performance, blending skilful attack and tough defence.

Thank you to all coaches, managers, players and parents for your commitment and support. It's been a season to remember, and your dedication makes all the difference. A special thanks to Mr Arnie Marraiya for his ongoing support of the rugby program. I look forward to an even bigger 2025 season.

**Mr Joshua Afu**
Coordinator of Rugby and Rugby 7s

2024 was a fantastic year for Canterbury Rugby. We saw success in performance, strong participation, and the continued growth of our rugby culture. This season highlighted just how far we've come and how quickly we're developing across all age groups.

Participation was a standout, with boys across all year levels showing commitment to the sport. That dedication helped pave the way for a strong finish to the season. Our Year 7s and First XV both placed 5th.

The Years 8 and 9/10B teams had outstanding seasons, finishing runners-up in closely fought grand finals. The 9/10A team capped off an undefeated season by winning the premiership.

Their teamwork and work ethic were unmatched and clearly evident on game day.

This season's results show the rugby program is on the rise. Thank you to all parents for your support and time, especially around training and game days. Thank you to the coaches for your dedication, and a huge thanks to Mr Afu for going above and beyond to keep things running smoothly.

Lastly, thank you to all the rugby boys this year – your efforts made the season what it was. Keep working hard, stay passionate, and the rewards will follow.

# Swimming

Our TAS Swimming team competed at Chandler on 12 March. The bus ride was full of excitement, and spirits were high. Coach Crystal had everyone poolside, warmed up, and ready to compete. The event was overseen by head judge Mrs Sue Webber, who also offered encouragement and expert advice throughout the day.

The Canterbury team gave their best, with many students stepping in unexpectedly. They showed true sportsmanship, cheering from the first race to the last.

This season, our TAS team has grown stronger, faster, and more united. Watching everyone strive for personal bests has been incredibly inspiring.

Although I couldn't compete due to injury, it was rewarding to witness the determination and energy our athletes brought to Championship Day. Congratulations to our 12 Years Boys and 13 Years Girls for winning their age groups.

A huge thank you to Coach Crystal for her tireless support. Your belief in us has made all the difference.

I'm excited for what lies ahead – I know we'll keep pushing boundaries, breaking records, and carrying forward the spirit that defines our team.

# Boys Tennis

We enjoyed an action-packed season, with Alec Dyer once again leading as Captain of Tennis. Alec deserves congratulations for his strong leadership and support of all team members.

Many matches were played, with standout individual and doubles performances. Our Senior teams worked hard to improve their ladder positions, while Intermediate players focused on building foundational skills – many new to the game. Around 32 students from Years 7 to 12 participated in the program.

Our Senior teams showed skill and dedication. The Firsts – Rhylee, Ryan, Alec, Oscar, and Mitchell – formed a strong, cohesive team. They nearly challenged for the premiership, but weather affected the outcome. Despite injury concerns, they gave 110% and finished a commendable fourth. We thank Alec and Rhylee for their contributions and wish them well. Ryan remained undefeated in the matches he played, despite injury. In our home final, we tied for sets but lost by two games.

Our Senior 2 team were runners-up, showing improved fitness and strong tennis. They secured third place on the ladder. Our enthusiastic Senior 3 team ensured we fielded a full senior side, showing determination and sportsmanship each week.

Intermediate players had an encouraging season, with many Year 7 students new to the sport. Intermediate 1 finished fourth in a competitive draw. Jordan lost just one match, Matt improved his groundstrokes and stepped up to number 2, while Cooper and Lachlan developed a strong doubles partnership. Intermediate 2 and 3 teams also had some exciting wins. We look forward to their continued development.

Thank you to our parents for their fantastic support, and to Mr Peter Van Der Poel and Coach Charlie. The biggest thanks go to our players for their enthusiasm, commitment to training, strong sportsmanship, and sense of fun and friendship.

**Mrs Therese Higgins**
Boys Tennis Coordinator

This season has been the best I've seen at Canterbury. With dedication and strong sportsmanship, we earned well-deserved victories. Both Intermediate and Senior teams had standout rounds, including flawless 6-0 wins over St John's and WESTMAC.

Our Senior Firsts held second place on the ladder for most of the season, with a real chance at the Premiership. Unfortunately, bad weather meant we had to draw while other teams played, pushing us into the 3rd/4th playoff. Despite the setback, we stayed positive and gave our best in a tough final, with close matches and high effort. Although we lost, it was a strong finish to the TAS season.

Thank you to the parents for their support, and to the team for their commitment to training and improvement. I hope this spirit continues next year.

# Girls Tennis

2024 was a successful year for Tennis at Canterbury College, with students from Years 7 to 12 participating. We finished second overall in the rankings and won two premierships: Senior IV and Intermediate 1, both undefeated. This was a huge achievement, thanks to the hard work and dedication of our players.

In the Senior Team, Nono, Amelia, Katie, and Meeka won the finals 5 sets to 1 against Ormiston, ending a few years of near misses. They showed outstanding skill and determination throughout the season. Our Intermediate 1 team, with Isabella, Mckylee, Maddie, and Angel, worked hard for their 4-2 finals win, clinching it by just four games due to strong doubles play.

Thanks also to Shanel, Emma, and Lilly for their contributions to these wins. All players in our Senior and Intermediate teams helped Canterbury finish second on the Tennis ladder, our best result in years. Their spirit, great wins, and tough losses made the team stronger.

We also owe much of our success to our parents, whose ongoing support and encouragement were key to our top-two finish. This result is five years in the making, and we look forward to more support in 2025.

A big thank you to Meeka for her leadership as Tennis captain in 2024. From Year 7, Meeka displayed a fighting spirit, improved skills, and excellent sportsmanship. Her win against JPC was a highlight.

Thanks to Coach Charlie, Mrs Clarke, Mr Afu, and Mr M for their unwavering support throughout the season.

Great team, great culture! Here's to 2025!

**Mrs Therese Higgins**
Girls Tennis Coordinator

The 2024 season was unforgettable. Despite challenging weather, our teams pushed through and achieved amazing results.

We finished with two Premierships, the best results I've seen at Canterbury. The Intermediate Firsts and Firsts IV teams worked hard for these victories, and I'm so proud of their efforts every weekend. I hope those new to the sport continue next year.

Canterbury placed Second Overall in the TAS competition, thanks to the dedication of all players. We couldn't have done it without Coach Charlie and Mrs Higgins, whose support was invaluable.

# Touch Football

The 2024 Touch Football season was one of determination, memorable performances, and moments that showcased Canterbury's spirit in overcoming challenges. After starting with trials and training, we were well-prepared for the season.

Our new Year 7 cohort followed the lead of the 2023 team, embracing the spirit of Canterbury Touch Football with laughter and energy. Coached by Georgia Grimsey, the girls worked hard and finished 4th overall.

The 2024 Years 7 and 8 teams had strong player numbers, leading to the creation of the Year 7/8 Navy team. Coached by Alys Miller, they improved with each game, finishing 2nd in the Shield competition.

The Year 8 team worked hard all season despite facing minimal numbers each week. They showed determination and grit, finishing the season with a dominant win to secure 3rd place.

The Year 9 team, coached by Mari Belessis, aimed to build on their success but faced injuries. They persevered and finished 7th.

The Year 10 team, coached by Father Dan, worked hard to finish 4th overall. Our Seconds team, coached by Mr Mills, developed many new players, with leaders like Larissa White, Tayla Budd, and Morgan Watt guiding the team to a 6th-place finish.

The Firsts had a sensational season with dominant displays. They played for 3rd vs 4th against St Columbans, losing the tight match but finishing Fourth Overall. Under Mr Karl Skinner's guidance, the team improved significantly, with players from Years 10 to 12 combining for fantastic plays and team tries.

Key performers named MVP from each team included: Kayla McCormick (1sts), Larissa White (2nds), Melanie Hamilton (10), Zahra Babali (9), Kyla Diesing (8), Zarayah Williams (7), and Sophie Hunter (7/8 Navy). Jorja Lockhart was named overall Touch Football player of the year. Congratulations to these players and their teammates for their support throughout the season.

Thank you to all staff, coaches, parents, and students for their hard work this season. Well done, girls. I look forward to the 2025 season!

**Mrs Georgia Skinner**
Touch Football Coordinator

What an amazing season we've had in the TAS touch competition! With 8 teams entered, our players gave their all, and the results speak for themselves. Many teams finished in the top 4, with a special shoutout to our Year 8 team for securing 2nd place.

A memorable moment for me was watching our Seconds team. They gave 100%, supported each other, and displayed excellent team spirit. It was inspiring to see players, whether new or returning, support one another on the field. That sense of community made a real difference.

We couldn't have achieved this without the support of our coaches, teachers, and especially Mrs Skinner. Thank you for your guidance and organisation. Our parents also deserve recognition for helping with training and games – your support means the world to us.

To future players, my advice is simple: keep learning, trust your teammates, and enjoy every moment. The more fun you have, the better you'll perform. Keep the positive energy going!

Thank you all for an unforgettable season.

# Boys Volleyball

The 2024 Volleyball season is an opportunity to reflect and celebrate our hard work and success.

Our motto, Calm, Respectful, and Relentless, was lived throughout the season as the boys maintained momentum from the 2023 season.

Many teams saw great success and growth, with special mention to our Year 7 students who played excellently all season.

Congratulations to our 2 Premiers for the boys' season. Our Year 7/8 team won 2-1, with great teamwork and serving. Coach Ms Jordan Vasquez and her team should be proud!

Our Year 9 team also triumphed 2-1 in a thrilling comeback. Down 3-10, they fought back to win 25-22 in the deciding set. Mr Andrew Porter and his team should be proud of their win against a tough CHAC outfit.

A mention also goes to our Year 10s, who lost 2-1 in a close final. We're proud of you and your coach, Mr Sirdie Ung, for your dedication and toughness.

Thank you to everyone who participated in this year's TAS Volleyball! The Canterbury spirit brought amazing results.

A special thanks to the coaches and parents for their support throughout the season.

**Mr Michael Bowden**
Boys Volleyball Coordinator

It was an honour this year to coach in the Boys Volleyball program and share my final year with my peers as part of the Firsts.

Since joining the program, I've seen great growth in participation and performance, thanks to the hard work of our previous coordinator Mr Porter and current coordinator Mr Bowden.

A highlight as Captain was watching the Thirds play. The boys showed great enthusiasm, reflecting the pride they have in our program and College.

In TAS this season, we finished 5th, with 9A securing a Premiership. This is exciting as these boys move into the senior division.

Thank you to Mr Bowden for his guidance and to all coaches for their leadership. I encourage all the boys to continue their volleyball journey by committing to training and games next year.

# Girls Volleyball

The 2024 Girls Volleyball season was fantastic, with all teams competing to the highest standard and giving their all.

It was great to see so many girls involved in Volleyball, with both new and returning players on court.

After a successful 2023 season, all teams were eager to improve their skills in 2024.

Despite facing tough opponents early on, the girls showed great determination, commitment, and teamwork to improve their gameplay.

Overall, five out of our seven teams finished in the top four, with special mention to our Firsts team, who won the Premiership and remained undefeated all season!

Special mention to the Year 7 and 7/8 Red teams, who finished Second in close finals. Everyone should be proud of their efforts.

None of this would have been possible without our amazing coaches, who developed our players' skills. We're grateful for all their time and effort.

Onwards and upwards in 2025!

**Mr Michael Bowden**
Girls Volleyball Coordinator

This year's TAS season was a delight. Canterbury entered eight teams, with our 1sts, Year 7, and Year 7/8 Red teams qualifying for grand finals, while our 2nds and Year 10 teams reached the bronze medal matches.

A highlight was seeing players' determination and teamwork in training and games. No matter the outcome, everyone gave their best and held their heads high. It was always exciting to hear the cheers when Canterbury scored big points.

A heartfelt thank you to our coaches, players, and parents for their support throughout the season. Thanks also to Mr Bowden, our Volleyball Coordinator.

To future players, keep pushing yourselves and supporting each other, on and off the court.

# Senior School: Thought Sports

## Chess

2024 has been an exciting year for our chess teams, with new and returning players contributing to a successful season. Our team has shown remarkable dedication, improved skills and fostered a competitive environment.

A highlight was our performance at the Gold Coast Regional Chess Tournament at The Southport School. Competing against over 320 participants, our students demonstrated excellent intellect, strategy, and sportsmanship.

Notable achievements include Calvin Saul's first-place finish in Canterbury D, with Jordan Bolger and Matt Barnes securing second and third. Calvin, along with Hunter Collinson, Sai Aungthan, and Alec Wylie, won gold in the team competition.

Merit awards were given to Ashutosh Vaitha, Anthony Li, and Amir Al Shoomary in Canterbury A, and Ramon Zeng and Darcy Taylor in Canterbury B. Sai Aungthan's performance in Canterbury D also stood out.

Thanks to all students, parents, and the school community for their support this year.

**Mr Harley Macbeth**
Chess Coordinator

## Debating and Public Speaking

In 2024, Canterbury made significant progress in debating, entering nine teams across the Senior School, with three reaching the finals. Having this many teams win at least three debates is a great achievement and reflects the dedication of both students and coaches.

Students also represented the school at the A.B. Paterson Speaking Competition and QDU State team trials. The Interhouse Public Speaking Competition returned, with Goldsworthy taking top spot.

A special mention goes to the Years 11 and 12 students who supported the Junior School Debating program, showing their commitment to mentorship.

The program relies on dedicated coaches. Thanks to Mr Andrew Paltridge, Ms Courtney Jones, Ms Lizzie Schluter, Mr Troy Sparkes, and Mr Harley Macbeth for their hard work and flexibility. A special thanks to Mr Hayden Turner, who has coached the Year 12 team over many years. The students value Mr Turner's coaching, which has greatly influenced their desire to return as coaches next year. This passion has strengthened the program, and I'm grateful as coordinator.

I look forward to continuing the momentum in 2025!

**Mr Declan McBride**
Debating Coordinator

What a year it's been for our Debating team! As 2024 Debating Captain, I'm proud to share that our Years 8s, 10s, 11s, and 12s all made the finals in the Queensland Debating Union.

Debating is about more than winning; it's about building confidence, making your case, and being heard. None of this would have been possible without our amazing coaches: Mr Turner, Mr Macbeth, Mr Sparkes, Ms Schluter, Ms Jones, and Mr Paltridge. Thank you for your time and patience. And to the parents—thank you for supporting us at every debate.

I'd also like to recognise Mr McBride for his tireless efforts as Debating Coordinator.

I encourage anyone considering debating to give it a go. It's a great way to build confidence and form lifelong friendships.

Here's to another successful year ahead in debating!

# eSports

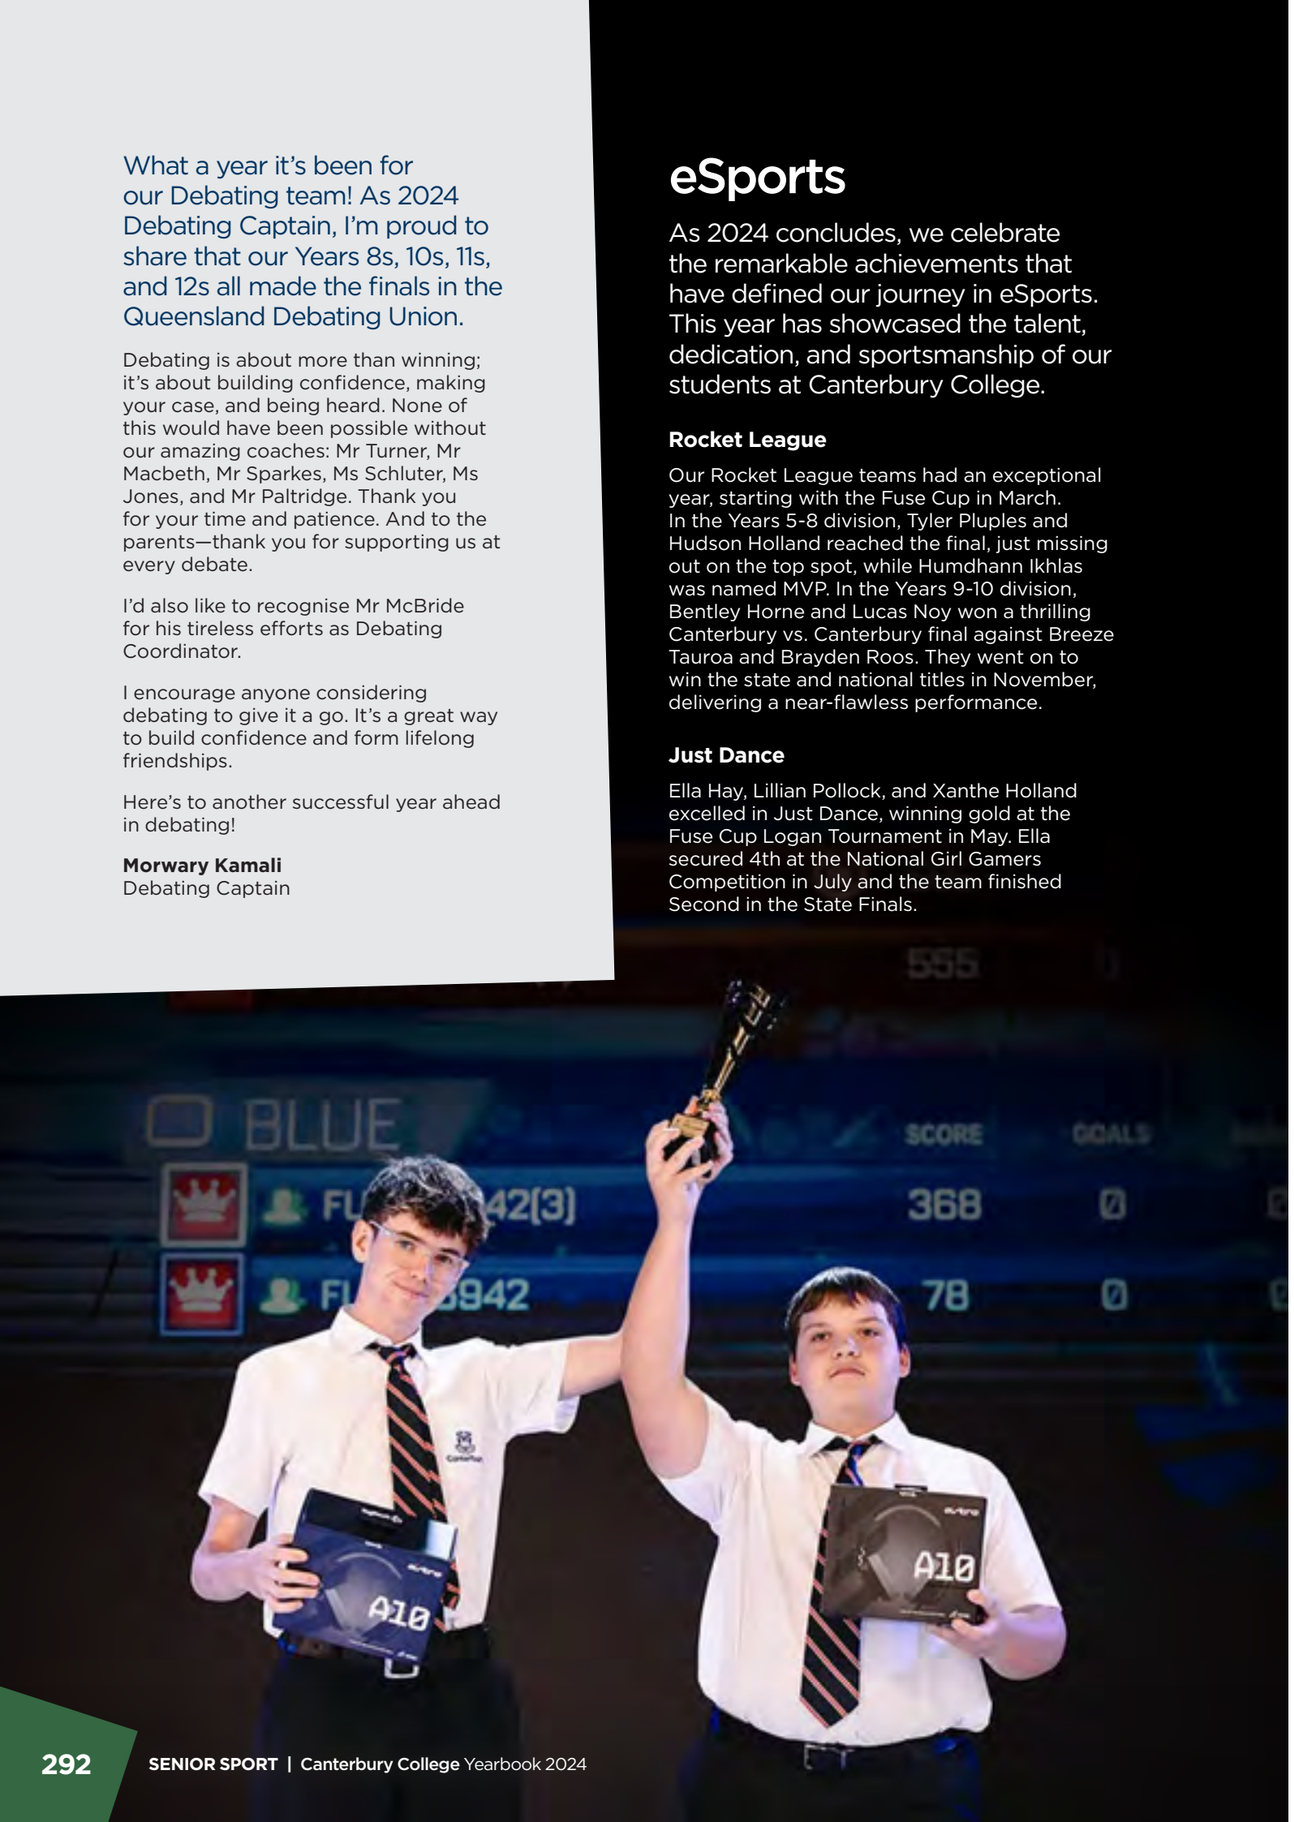
As 2024 concludes, we celebrate the remarkable achievements that have defined our journey in eSports. This year has showcased the talent, dedication, and sportsmanship of our students at Canterbury College.

### Rocket League

Our Rocket League teams had an exceptional year, starting with the Fuse Cup in March. In the Years 5-8 division, Tyler Pluples and Hudson Holland reached the final, just missing out on the top spot, while Humdhann Ikhlas was named MVP. In the Years 9-10 division, Bentley Horne and Lucas Noy won a thrilling Canterbury vs. Canterbury final against Breeze Tauroa and Brayden Roos. They went on to win the state and national titles in November, delivering a near-flawless performance.

### Just Dance

Ella Hay, Lillian Pollock, and Xanthe Holland excelled in Just Dance, winning gold at the Fuse Cup Logan Tournament in May. Ella secured 4th at the National Girl Gamers Competition in July and the team finished Second in the State Finals.



### Super Smash Bros.

The Super Smash Bros. team showed a strong effort at the Fuse Cup Regional Competition but was beaten by tough opponents. We are proud of their determination and sportsmanship.

### Mario Kart

Kevaan Sandanayake won the Interhouse Mario Kart Championship for Cranmer House in August. In October, Alexander Sayers and Lincoln Homann won the Fuse Cup Mario Kart Grand Final, with Alex securing a dramatic first-place finish in the final lap.

### F1 24

F1 24 was a new addition to our eSports lineup this year, quickly becoming a favourite among students as they competed to set the fastest lap times.

### TAS Teams and Competitions

Our TAS teams had a notable year. In Chess, Anthony Li narrowly lost to St Johns in the Final after a strong Semi-Final performance. Our Year 7 Rocket League team (Riley Berryman, Lucas Chilver, and Jacob Hallman) was defeated by St Pauls in the Semi-Final.

Students engaged in regular training on Tuesdays for Years 7-12 and Thursdays for Years 5-6, with excellent attendance. Special thanks to Mr. Andrew Nicholson, Mr. Chris Hughson, and Mrs. Thushi Sandanayake for their contributions.

Thank you to all our champions, competitors, and supporters for making 2024 unforgettable. Your commitment and sportsmanship have been exceptional. We look forward to an even bigger year ahead!

# Years 7–12 Interhouse Public Speaking Competition

On Friday 16 August, we proudly revived our Interhouse Public Speaking Competition, last held in November 2021.

The event gave students a valuable opportunity to develop their public speaking skills while expressing unique ideas and perspectives.

It also offered an exciting way to earn House points – through both strong performances and participation.

Each House was represented by two speakers: one from Years 7–9 and one from Years 10–12. Each delivered a speech of up to three minutes on topics such as:

- Actions Speak Louder Than Words
- What Is Reality?
- Gen Z vs Gen Alpha
- The Language of Music
- The Importance of Having a Hobby
- The Person Who Was...
- The 'Truth' Isn't Always the Truth
- Being Selfish Can Be a Good Thing
- The Year That Was...

Adjudication was provided by Mr Declan McBride, College Chaplain Dan Talbot, and Year 12 Debating Team members, ensuring fairness and expertise.

## Final House Rankings

- **1st:** Goldsworthy
- **2nd:** Becket
- **3rd:** Cranmer
- **4th:** Temple
- **5th:** Ramsey
- **6th:** Kime

Thank you to all who competed, and congratulations to Corey Bertsch and Shoaib Mohammad – the highest-scoring speakers in their divisions.

# Years 7–12 da Vinci Decathlon

The da Vinci Decathlon is a prestigious academic competition that challenges high-achieving students across ten categories: Engineering, Mathematics & Chess, Code Breaking, Art & Poetry, Science, English, Ideation, Creative Producers, Cartography, and Legacy.

This year, 24 Canterbury students attended the event at St Joseph's Nudgee College, delivering impressive results:

- **Year 7:** 1st in English
- **Year 8/9:** 1st in Creative Producers
- **Year 11:** 3rd in Engineering

Well done to all participants.

# Interschool Chess Competition

On Wednesday 31 July, our chess players competed in the Gardiner Term 3 Interschool Chess Competition at The Southport School, joining over 320 students in a showcase of intellect, strategy and sportsmanship.

We're proud to report some outstanding results:

### Medal Winners – Canterbury D

- **Canterbury D:** Sai Aungthan

Congratulations to all students for their dedication and commendable representation of the College.

# Senior School: Interhouse Sports Carnivals

## Interhouse Athletics Carnival

The Senior School Interhouse Athletics Carnival was held on Thursday 13 June. A warm winter's day greeted students, and from the start, House Spirit was on display, with Houses impressing judges through their chants.

The day featured strong sportsmanship, vibrant house spirit, and impressive performances from talented athletes, showcasing why Canterbury Athletics continues to thrive. A highlight was the King and Queen of the Track race, featuring the top eight boys and girls in the 100m sprint. Well done to Charlie Menzies and Mia Chizzoniti for racing their way to victory.

Congratulations to Becket House for winning the 2024 Interhouse Athletics Carnival, following a closely contested battle with Kime and Ramsey.

### Overall House Placings:

1st – Becket
2nd – Kime
3rd – Ramsey
4th – Goldsworthy
5th – Temple
6th – Cranmer

## Interhouse Cross Country

On Thursday 18 April, our six Houses competed in the annual Senior School Interhouse Cross Country Carnival. Students took part in the competitive races for Age Champion honours and showed strong House Spirit in the overall competition.

Footsteps thundered along the tracks and trails to the oval finish line as students chased valuable House points.

Congratulations to Ramsey House on their victory.

### Overall House Placings:

1st – Ramsey
2nd – Becket
3rd – Cranmer
4th – Temple
5th – Goldsworthy
6th – Kime

## Interhouse Swimming Carnival

The 2024 Senior School Interhouse Swimming Carnival was held on Wednesday 2 October at the College Aquatic Centre. As the final Interhouse sporting event of the year, it saw students from Years 7-12 competing to earn valuable Canterbury Cup points.

In addition to the 50m competitive races, students could earn points in the House Swims, which brought plenty of smiles, creative costumes, and efforts to beat the clock.

The King and Queen of the Pool event showcased the eight fastest boys and girls in the 50m Freestyle. Congratulations to our Queen, Taylah Smith-Miller, and King, Riley Edwards.

Well done to Ramsey House on being crowned the 2024 Interhouse Swimming Champions!

**Overall House Placings:**

1st – Ramsey
2nd – Becket
3rd – Cranmer
4th – Kime
5th – Temple
6th – Goldsworthy

## 2024 Canterbury Cup Winners: Cranmer House

In an exciting 'year finale' announcement, Cranmer House claimed the prestigious 2024 Canterbury Cup, ending Ramsey House's four-year winning streak.

This victory was a perfect send-off for Cranmer's Head of House, Mr Alan Lyle, and Assistant Head of House, Mrs Rachelle Lee, as they prepare to step down from these roles in 2025.

Congratulations Cranmer House Wolves - your hard work, determination and team spirit has paid off.

As 2024 draws to a close, we thank our entire Canterbury Community - the students, staff and families - for making this year so memorable.

# Canterbury Taipans Clubs

## Swim | Tennis | Athletics

2024 was a fantastic year for the Taipans! A highlight was our Girls' Senior and Intermediate teams claiming the TAS Tennis Premiership.

They also represented Canterbury with pride, finishing 3rd Overall in the Queensland State Tennis Championship – an outstanding achievement among all high schools across the state.

# Our College Prayer

Loving God,
Source of all light
and giver of all wisdom,
bless all members
of our College community.

Help us to choose that which is good
and to live according to your law
of love and justice for all.

Fill our hearts with a love of learning
and the desire to use every opportunity
to develop in body, mind and spirit.

Grace us with faith in Jesus Christ
and the strength to live
with courage, gratitude and integrity.

In Jesus' name. Amen.
