Homestay Accommodation

- Our Homestay Coordinator regularly monitors both students and homestay families.
- All students are provided with a 24-hour emergency contact number.

Our homestay families make sure that each student experiences every facet of the Australian lifestyle through family meals, day trips and conversation. Students will gain an understanding of our culture and will be able to practice their English in a relaxed, supportive family atmosphere.

Homestay families will:

- provide a caring and supportive environment and treat the student as one of their own family members.
- provide a comfortable, clean room for each student that can be considered their private space. The room will be well ventilated, be adequately lit, and will have a comfortable bed with clean linen, a wardrobe, a desk and a chair for study.
- provide three nutritious meals a day and snacks as required.
- provide transport to and from school each day and be located within a reasonable distance of the school.
- Queensland has strict laws relating to the protection of children and all homestay families have been screened by the Queensland Government and hold a [Working With Children Blue Card](#).

Student's Entitlements in Homestay

Bedroom

Homestay accommodation will include a bedroom containing adequate furnishings including a bed, linen, wardrobe, desk, good lighting and ventilation. The bedroom will be recognised as your private area. However, house rules regarding cleanliness apply and you are required to keep your room clean and tidy.

Laundry

Your homestay family will assist you with your laundry. Please ask your homestay family where to place the clothing to be washed and how often they wash. 23

Meals

Three meals a day, as well as snacks and drinks, will be provided.

Breakfast: As this is usually a rushed meal for most families, the homestay family might ask you to help yourself to toast and cereal, tea, coffee, milk or juice.

Lunch: Your homestay family will provide you with either a packed lunch or items you can use to prepare your own lunch during the week.

Dinner: This meal is regarded as the most important meal of the day. This is a time when the family comes together and discusses the day's events and it is important for you to be involved. Please tell your homestay family if there is anything you cannot eat.

Canterbury College – General Homestay Rules

1. Show respect to your homestay family and follow all household rules. As your carers, your homestay parents are responsible for your welfare. They may address inappropriate behaviour and will inform the school if issues persist.
2. Keep your bedroom tidy. This includes picking up clothes from the floor and placing dirty laundry in the designated area.
3. Adhere to the curfew guidelines outline below.
4. Internet can be expensive in Australia, and usage allowances vary between households. Always ask about internet rules and consider purchasing your own data plan if needed.

9. You must ask for permission before using the phone or internet, and you will be held accountable for any charges incurred.
10. If you begin part-time work, you must discuss your schedule and location with your homestay family. They are not expected to provide transportation.
