Attendance and Requirements

Attendance

Participation in Canterbury Dance requires a full-year commitment. Dancers are expected to maintain attendance for all rehearsals and performances. Additionally, **competition ensemble dancers require 90% attendance at rehearsals, and compulsory attendance is required at performances and competitions to remain enrolled.** Dancers who are unable to meet these requirements will be advised to transition to a non-competition ensemble.

Additional Commitments

We understand that students participate in a wide variety of sports, arts and activities at Canterbury College. When a scheduling clash occurs, students will alternate weekly between each activity for that term in consultation with teaching staff for the best outcome for the student and teams.

Requirements

Students must wear their full correct uniform (including listed footwear), as outlined in the uniform guide, to all classes and performances. For safety reasons, if students arrive at rehearsals without the correct attire, they will be required to observe the lesson. Hair must always be neatly tied back as per the College hair policy. For the safety of all dancers and staff, high behaviour expectations, as per the College behaviour policy, exist for all lessons.

Lesson Variations

If a teacher is absent, in the first instance the class will be taught by another dance staff member. In the unlikely event that this isn't possible, the class will be cancelled, and parents will be notified on MyCC, and via email with less than a day's notice. At times, lesson locations will change in preparation for performances, or due to college events. The term overview on the MyCC homepage is always accurate with the most up-to-date weekly rehearsal location for each ensemble. Changes will also be sent the week before as a news post on MyCC.

MyCC Communication

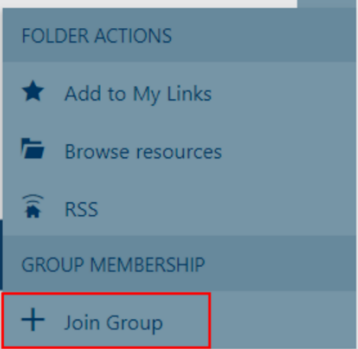

There is a dedicated page on MyCC for Performing Arts, and a page for each ensemble for dancers and parents to access parents to use. The dance handbook, rehearsal resources, eisteddfod and performance information. Uniform Orders

All uniform orders are placed at the end of the year for the following year. They open in November on **Parent Lounge under 'Events and Payments'**. Please note that the link will only appear on the profile for your child after being accepted into a performance ensemble, or after registering on Clipboard for any other ensemble. Studio dancers will also be able to order. You will need to accept the invitation and then will be able to place your order.

195	2025 Canterbury Dance Uniform

Uniform Requirements

There is a high expectation for personal presentation in class and rehearsals.

- Hair must be tied back neatly (as per the school policy).
- Rings, bracelets and necklaces are not permitted (for safety).
- Uniforms and dance attire must be clean, neat, in good condition and worn every lesson.
- Phones are not permitted in rehearsals as per the college mobile phone policy.
- If female dancers wish to wear something underneath the singlet, we recommend the purchase of a black, racer-back crop top. Undergarment straps must not be visible when wearing the dance singlet, and colour must only be black or dark blue.
- When attending dance events, students must wear the full Canterbury Dance uniform.
- Students are required to have black jazz shoes for their lessons and performances. Thin 'no show' socks are an excellent choice for wearing with jazz shoes instead of socks or bare feet for rehearsals, or thin ankle socks. Students only need to wear stockings underneath their costumes for performances and/or exams.

Non-compulsory uniforms –Little Steppers, Little Groovers, Rise, Spark, Flame, Phoenix, Boyzone

Flame, Phoenix and Boyzone students may wear/change into their sports uniform or dance uniform for their lesson. Little Steppers, Little Groovers, Rise and Spark will rehearse in the uniform that they are scheduled to wear with their class that day. Please pack their jazz shoes with them on the day they have their lesson which they will change in and out of at the start and end of their lesson.

Boyzone dancers may wear their school sports shoes or jazz shoes for rehearsals.

Costumes

All dancers will be allocated a costume for their performance/s for the year. The college will store the costumes for students in-between performances. Lost or damaged costumes may incur a repair or replacement fee. They will be hung or placed in their individual costume bag supplied by the college. For eisteddfods, costumes will be distributed the week prior to the performance. The college will launder all costumes.

Some groups may be required to organise/purchase part or all of their costume:

Hip Hop Squad and Blaze Crew – loose black crew neck t-shirt and white ankle socks.

BoyZone and BoyzCrew– loose plain black shorts with no logos, text or symbols, and white ankle socks.

Hip Hop Varsity - white ankle socks and long sleeve black shirt for underneath their costume.

During performances:

Underwear must not be visible underneath costumes. All underwear must be as close to skin-coloured as possible. Visible straps must be transparent.

No jewellery can be worn. If dancers plan to get their ears pierced, please do so at least six to eight weeks before a performance to avoid the risk of the piercing closing over. We recommend dancers leave all jewellery pieces at home on performance days to minimise the chance of loss.

There must be no nail polish (on fingers or toes) and nails must be cut short and smooth.

Make Up Guide

Basic Style

Canterbury Dance Makeup Guide

Little Groovers, Rise and Spark Dance Class, Shine Dance Company, Flame and Phoenix Dance Class

Dancers/parents are responsible for supplying and applying their own makeup.

Stage 1: Skin

- Clean and lightly moisturise skin.
- Select a foundation one-two shades darker than natural skin tone. Apply foundation over entire face and upper neck. Blend out at the edges.
- Dip a large complexion brush into loose setting powder and tap the brush against the jar/your hand to avoid excess powder on brush. Lightly dust all over face in outward sweeping motions.

Stage 2: Eyebrows

- Fill in eyebrows with brown eyeshadow or brown eyebrow pencil, using light feathering motions to mimic individual hairs

Stage 3: Eyes

- Lightly apply medium-brown eye shadow over entire lid and extending out above the crease and to the sides of the eye.
- Optional: Eyeliner will define the eyes on the stage. Draw along upper lash line starting about 0.5cm in from the centre of the eye extend and slightly beyond eyes, angling upwards once you reach the end of the eye. A liquid eyeliner with a marker-like tip is easiest.
- Apply two coats of black mascara on top and bottom lashes.

Stage 4: Cheeks

- Use blush brush to apply blush by starting at the hairline, just under cheekbone, and pulling colour forward to apples of cheeks.

Stage 5: Lips

- Apply red lipstick over entire top and bottom lips. It is recommended that younger students use lipstick that will stick and not smudge,
- Tip: You can use setting powder on your lips. This really prolongs the wear. Place a tissue over the lip, dip complexion brush into setting powder, getting a good amount of product on the brush. Dust over the area of the tissue that is on top of the lips.

Male Dancers

- Follow Stage 1: Skin to even out skin-tone and powder to prevent shine.
- Follow Stage 2: Eyebrows
- Stage 3: Lips – Vitamin E Lip Balm

Dancers/parents are responsible for supplying and applying their own makeup.

Note: The eyeshadow/eyeliner underneath the eyes in this image is not required.

Stage 1: Skin

- Clean and lightly moisturise skin.
- Select a foundation one-two shades darker than natural skin tone. Apply foundation over entire face and upper neck. Blend out at the edges.
- Apply concealer under eyes and over blemishes to produce an even skin tone.
- For definition of cheekbones, apply contour powder/contour stick and blend under the cheekbones to create a shadow.
- Dip a large complexion brush into loose setting powder and tap the brush against the jar/your hand to avoid excess powder on brush. Lightly dust all over face in outward sweeping motions.

Stage 2: Eyebrows

- Comb through brows to tame any unruly hairs.
- Use angled eyeliner/brow brush to draw a thin line in centre of brows with dark brown eye shadow. Blend out the harsh lines with a brow brush or spooly.
- Alternatively, use an eyebrow pencil.

Stage 3: Eyes

- Highlight the brow bone and inner corner of eye with white shimmer eye shadow
- Lightly apply light brown eye shadow over entire lid up to crease.
- Apply dark brown eye shadow in the crease in the shape of sideways "V" focusing colour on the outer half of the eye. Leave the eyelid light brown.
- Blend out the harsh lines. We want the crease to be defined, but not totally angular.
- Use black eyeliner pencil or liquid liner along the upper lash line, winging it out at the end. A liquid eyeliner with a marker-like tip is easiest.
- Optional: Apply faux lashes on lash line.
- Apply two coats of black mascara on top and bottom lashes.

Stage 4: Cheeks

- Use blush brush to apply blush by starting at the hairline, just under cheekbone, and pulling colour forward to apples of cheeks.
- Apply a small amount of highlighter on top of the cheekbones.

- Line and fill lips with lip liner.
- Apply red lipstick over entire top and bottom lips.
- Tip: You can use setting powder on your lips, too! This really prolongs the wear. Place a tissue over the lip, dip complexion brush into setting powder, getting a good amount of product on the brush. Dust over the area of the tissue that is on top of the lips.
