

Engine Room

Free Kindy Program

Canterbury  
**Early  
Learning  
Centre**

We offer our families a supportive and stimulating early learning education with highly qualified teachers in vibrant, well-resourced classrooms and engaging outdoor spaces.

### 2026 Pre-Kindy

**\$138 per day\***

A dedicated **Pre-Kindy Room** for 3 year olds with daily bookings available.

### 2026 Kindy

**\$122 per day\***

**Four Kindy Rooms** for 4-5 year olds with full-time classes OR part-time options with a minimum of three days per week.

Plus an annual Single Resource Charge (SRC) \$150

\*Before CCS applied.

**Operating Hours 6:45am - 6:00pm, Monday - Friday | 50 Weeks Per Year.**

Our rooms all include Long Day Care as part of their all-inclusive daily rates.

\*As a licenced Long Day Care provider, families are eligible to apply for a Child Care Subsidy (CCS) through Centrelink. Parents will be invoiced fortnightly in advance with their CCS rebate applied to fee statements.

**Canterbury**

# Early Childhood Education is the foundation for lifelong learning.

**Our ELC educators support, challenge and foster each individual child's learning and development.**

Students will participate in **Spanish, Library, Music and Movement** lessons.

The children will also have an introduction to the literacy approaches and investigative mathematical methodologies used within our Junior School classrooms, plus our **Canterbury Kitchen Garden.**

The **Canterbury Values of Integrity, Respect, Gratitude and Effort** are embedded within the ELC philosophy and everyday practices. Very strong links to the Canterbury Junior School programs, students, facilities and events, enables a smooth transition from the ELC into Prep and beyond.

**We encourage families to lodge their ELC applications as early as possible, as waiting lists may apply. Please contact our Enrolments team if you have any questions.**

Canterbury's **Engine Room** is an amazing space where children can improve their energy levels, concentration, and fine and gross motor skills – all while having fun.

The Engine Room is based on extensive research which shows these activities 'get your engine running' at the optimum level for learning.
