

Dear Parents and Carers.

We warmly invite you and your child to join us for our 2027 Prep Parent and Student Orientation Day on **Tuesday 6th October 2026**.

This special morning will provide your child with the opportunity to experience a Prep classroom, meet their teachers and begin becoming familiar with the College environment. While the children are engaged in their classroom experience, parents will attend an information session with the Junior School leadership team, who will share important information to support a smooth and positive transition to the College.

Please see below for details:
